ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Annual Plan for the Housing Authority of the City of Washburn is geared toward accomplishing the goals and objectives set forth by the Housing Authority. The plans, policies, financial data, etc. are a part of our strategy for meeting our goals.

To help assist more families, the Housing Authority of the City of Washburn applied for and received 14 more vouchers during the past year. With the exception of these additional vouchers, our programs and policies have remained the same.

Although the Housing Authority of the City of Washburn would like to be able to assist all those in need, it is impossible to do so. In implementing the strategies and policies to maintain and increase affordable housing for the low and very low income residents of Bayfield County, the Housing Authority of the City of Washburn must take into consideration the following factors: Funding constraints, staffing constraints, and HUD rules and regulations.

All policies, including those governing admissions and continued occupancy, are kept at the Housing Authority of the City of Washburn main office at 420 East Third Street, Washburn, WI 54891.

The Housing Authority of the City of Washburn has had a tenant commissioner serving on the Board for several years.

The Housing Authority of the City of Washburn falls under the Consolidated Plan jurisdiction for the State of Wisconsin. The Housing Authority believes our Agency Plan to be consistent with the Consolidated Plan for the State of Wisconsin. The Agency Plan was submitted to the State of Wisconsin, Department of Housing for approval and comment. A Certification of Consistency with Consolidated Plan has been received from this agency.

The Resident Advisory Board has met and reviewed the Agency Plan. They felt the Plan was a good workable guideline for the Housing Authority to use. They had no comments or suggested changes.

The Housing Authority of the City of Washburn submits this Agency Plan with the understanding that it will act as a guide to the mission Statement and goals of the Housing Authority. It will be updated on an annual basis as needs and regulations change.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Substantial Deviation from the 5-year Plan would include major changes such as the construction of new buildings or additions that would result in the alteration of the building envelope. Any repairs, replacements, additions, etc. which would be of a

normal maintenance/preventative maintenance type or an upgrade of electrical, plumbing, etc. would not be subject to full public hearing.

Significant Amendment or Modification to the Annual Plan:

The same would hold true for this as for A above.
