ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Eau Claire was formed in 1973 to provide decent, safe and sanitary housing within the City of Eau Claire because the goal of an enlightened community should be that all its families should have a suitable living environment. The Housing Authority provides housing for income eligible elderly, handicapped and disadvantaged families.

The population of Eau Claire is approximately 61,000 people located in west central Wisconsin. Eau Claire is a fast growing community with people moving to our area from all income categories.

The 2001 Housing Plan describes the housing programs operated by the Housing Authority, its housing units, proposed capital improvements, funding, policies and procedures. The HUD required annual and five year plan is made available for the community to review and comment, Tenant Advisory Committee review and comment and the plan is then forwarded to HUD for their review.

The Housing Authority operates solely with federal funding from the U.S. Department of Housing and Urban Development (HUD) and the Wisconsin Housing and Economic Development Authority (WHEDA). Our housing authority is a small PHA according to HUD standards with less than 250 Public Housing units. Our agency owns just over 300 housing units consisting of 110 Public Housing single family homes and duplexes for families, a total of 145 Section 8 New Construction units for elderly, 30 for families and disabled, three Transitional Housing homes and twelve Homeownership homes. The PHA pays rental subsidies for over 400 elderly and family households on the Certificate Program, Voucher Program and Housing Choice Voucher Program and the HOME Tenant Based Assistance programs. Approximately 45% of all PHA units are rented to households with disabilities.

Our PHA hopes that you find this housing plan informative and we welcome your input and comments.

Sincerely,

Carol Doyle

Executive Director

Housing Authority of the City of Eau Claire

II. Selection of Tenants

A. Tenant Assignment Plan

The following tenant assignment plan has been designed by the Authority to take into consideration the needs of individuals and families for low-income housing. The statutory purpose in developing and operating a socially and financially sound housing program is to provide a decent home and a suitable living environment for individual households while fostering economic and social diversity in the tenant body as a whole. The policies and procedures contained herein have been developed to insure that the selection of tenant is objective and reasonable and consistent with its responsibilities as a public agency.

The HA will attain, *to the maximum extent feasible*, a tenancy with a broad range of income in each of its projects. A broad range of income will be attained by taking steps to improve the income levels of current tenants or by admitting eligible applicants with relatively higher incomes through local preferences.

Each applicant shall be assigned an appropriate place on the waiting list. The list shall be maintained on a community-wide basis. Preference for specific projects or areas of the City will not be considered by the Authority in establishing any waiting list. Applicants requiring wheelchair-accessible units shall have priority for admission to units designed as wheelchair-accessible.

The applicant will be offered a suitable unit. If the applicant refuses it, the applicant's name goes to the bottom of the waiting list for that program.

In carrying out the above plan, should the applicant present to the satisfaction of the Authority clear evidence that acceptance of a given offer of a suitable vacancy will result in undue hardship or handicap, such as inaccessibility to source of employment, children's day care and the like, refusal of such an offer shall not be counted as one of the number of allowable refusals permitted an applicant before placing his name at the bottom of the eligible list.

B. Deconcentration Plan

The Housing Authority will not target applicants to low-income sections of the community. The placement is based on vacancies of appropriate bedroom size at the time an applicant reaches the top of the waiting list

Attachment B

Implementation of Public Housing Resident Community Service Requirements

Effective January 1, 2001, the Housing Authority of the City of Eau Claire will begin implementation of 24 CFR Part 960, Subpart F – When a Resident Must Perform Community Service Activities or Self-Sufficiency Work Activities. Each adult member of Public Housing must contribute 8 hours of community service each month to the community in which the family resides. Exempted are those who are employed, elderly, disabled, participating in an economic self-sufficiency program, excluded from the States work requirements, or enrolled in a qualified State program. The Housing Authority will monitor the family's compliance and if the

family fails to comply, the Housing Authority will not renew the lease on their annual recertification unless the family and the Housing Authority enter into an agreement to bring the resident current with owed hours.

Service requirement: Except for any family member who is an exempt individual, each adult resident of public housing must:

- (1) Contribute 8 hours per month of community service (not including political activities); or
- (2) Participate in an economic self-sufficiency program for 8 hours per month; or
- (3) Perform 8 hours per month of combined activities as described in paragraphs (1) and (2) above.

In implementing the service requirement, the HA will not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by HA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

The Housing Authority will administer qualifying community service through the use of qualified local organizations and community agencies or institutions, a list of which will be available to all residents upon request.

The Housing Authority will, initially for current leased tenants and as a part of the lease-up process for new tenants, provide a letter of explanation of the Community Service Requirement and an explanation and form of how to claim exempt status. In addition, an explanation will be given and a form provided for changing their exempt or non-exempt status in the future. The family will be notified in writing as to the status of each adult member residing there.

The Housing Authority will review the non-exempt members compliance with the requirement by requiring a monthly report, which includes the name of the service organization, the contact person, the phone number, number and of hours the resident served that month.
