**D. Other Information Required by HUD**

**ATTACHMENT A: Executive Progress Statement**

The Parkersburg Housing Authority continues to assist families by providing safe, decent affordable housing as they strive to improve the quality of their lives through economic independence or homeownership.

The PHA's low-income public housing development, Homecrest Manor, is plagued with vacancy issues due to the number of other low-income developments in the area providing more amenities and newer facilities. The Authority has increased the marketing of the development through local festivals and job fairs. Extra amenities have been added such as carpeting and the Authority's capital funds are utilized to improve the appearance and living conditions of the units. The PHA plans to continue the marketing and look for ways to improve Homecrest Manor.

The Community Service Requirement and Pet Policy changes will take effect July 1, 2001, to meet the requirements under the Quality Housing and Work Responsibility Act of 1998. These two policies will have a major impact on Homecrest Manor Residents. Adult residents of Homecrest Manor will be required to perform eight hours of community service per month unless the individual is disabled, employed or enrolled in a job-training program. Residents will be referred to a local volunteer agency to assist them in meeting this requirement.

The new pet policy permits residents to keep and maintain an animal. Certain restrictions are required such as the type of animal permitted, weight and health record.

For fiscal year ending June 30, 2000, the PHA received a PHAS score of 80.6 and was awarded standard performer status. The PHA will be reviewing each indicator to determine areas where the PHA can improve to once again achieve high performer status.

The Parkersburg Housing Authority's homeownership program continues to be very successful. The PHA has sold three homes to eligible families and is looking forward to selling approximately twelve during the next fiscal year. The PHA has completed the rehabilitation and lease-up of four homes and will continue the purchase, rehab and/or construction of an additional five homes during the coming fiscal year.

The Section 8 Housing Choice Voucher program has experienced some success despite problems encountered with the Authority's Welfare-to-Work Program. The PHA has increased the percentage of families assisted through the Housing Choice Voucher Program and has obtained an additional 75 Housing Choice Vouchers to assist low-income families with a portion of their rent.

The Parkersburg Housing Authority strives to promote adequate and affordable housing, economic opportunity and a suitable living environment.
