During the year 2000, the Housing Authority of Mingo County has achieved the following goals as outlined in the PHA 5-year housing plan.

**HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.**

1. PHA Goal: Expand the supply of assisted housing
  - Apply for additional rental vouchers.** During 2000, the HAMC applied for and received 96 additional Housing Choice Vouchers.
  - Reduce public housing vacancies by one percent.** The HAMC is continuously working to reduce vacancies at Magnolia Garden. The goal to reduce vacancies by one percent was not met in 2000.
  - Leverage private or public funds to create additional housing opportunities.** The HAMC continues to pursue avenues for home ownership. In 2000, \$18,500 was received from the legislative digest fund.
  - Acquire or build one affordable unit per year.** The HAMC built one housing unit and acquired one housing unit in 2000.
2. PHA Goal: Improve the quality of assisted housing.
  - Improve public housing management: (PHAS score) Manage the public housing program to achieve at a minimum a standard performer under PHAS.** Certification submitted in '2000' verified the HAMC is a standard performer.
  - Improve voucher management (SEMAP score):** Manage the voucher program to achieve at a minimum a standard performer under SEMAP. Certification submitted in '2000' verified the HAMC is a standard performer.
  - Make public housing units more marketable to the community as evidenced by an increase in the waiting list to one that requires a three-month wait for housing by December 31, 2003.** This goal was met in 2000 as evidenced by an average waiting period for a public housing unit of 25 days. Also, a modern security system has been installed to attract applicants and improve security; however, the waiting list is still nominal.
3. PHA Goal: Increase assisted housing choices
  - Conduct outreach efforts to potential voucher landlords.** A brochure has been developed aimed at potential landlords. This effort will continue in 2001.
  - Implement voucher homeownership program by December 2003.** The HAMC plans to have this program implemented by December 2003.

**-Implement homeownership program to build one unit of affordable housing per year.** The HAMC met this goal in '2000' by building one unit under the HOME program and is continuing this goal in the year 2001.

**-Apply for funding to construct affordable units.** The HAMC submitted applications in '2000' to the Federal HOME Loan Bank and HOME programs.

**-Leverage funds for construction of affordable units by partnering with one private sector partner and two public agencies by 2005.** The HAMC currently partners with Southern WV Housing Services, Inc, a non-profit organization.

4. PHA Goal: Provide an improved living environment.

**-Implement public housing secure improvements by December 31, 2000.** Security cameras were installed at Magnolia Garden in '2000'.

**-Develop a memorandum of understanding with local police department outlining strategies to reduce problems in and around development by December 31, 2000.**

Since the installation of security cameras, security problems in and around the development are nominal. Also, the Mingo County sheriff department has been very cooperative in sporadic patrols of the development.

5. PHA Goal: Promote self-sufficiency and asset development of assisted households.

**-Increase the number and percentage of employed persons in assisted families: Assess the number and percentage of employed persons in Magnolia Gardens and strive to increase it by one percent per year.** The number of employed persons in Magnolia Garden decreased by 1.4% in 2000; however, the HAMC will continue with this goal in 2001.

**-Provide or attract supportive services to improve assisted recipients' employability.** The HAMC continues to offer on-site GED classes and continually encourages participation in the HAMC Family Self-Sufficiency programs.

This board was developed to promote job opportunity and other related services at a one-stop shop center.

**-Support the participation of assisted households in GED classes on site.** The HAMC continues the support of GED classes on site. Daily classes are held in the community room at the development offering classes to all residents.

**-Enter into an agreement with private sector businesses to hire residents of assisted households.** No activity for 2000.

6. PHA Goal: Ensure equal opportunity and affirmatively further fair housing objectives.

**-Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability: through**
