Resolution 356 – CHA - 99

A RESOLUTION OF THE HOUSING AUTHORITY OF THE CITY OF CASPER,  
WYOMING  
ADOPTING A DECONCENTRATION AND INCOME MIXING POLICY  
AS PART OF THE PUBLIC HOUSING AND ADMISSIONS AND OCCUPANCY POLICY.

WHEREAS, the Quality Housing and Work Responsibility Act of 1998 requires all Public Housing agencies to design an admissions policy to provide for the deconcentration of poverty and income mixing, by bringing higher income tenants into lower income public housing projects and bringing lower income tenants into higher public housing projects; and

WHEREAS, Casper Housing Authority presently serves only very low income people at all of its sites; and

WHEREAS, participants can chose between living in public housing of in Section 8 assisted housing, which effectively provides housing choice; and

WHEREAS, Casper Housing Authority's present policy, which was previously suggested by the Office of Fair Housing, of requiring applicants to accept the first public housing unit available or be moved to the bottom of the waiting list, functions to prevent concentration of minorities in particular projects; and

WHEREAS, the Board of Commissioners believes opening the public housing waiting list to low income (50-80% median) people will create the possibility of higher income people moving into lower income neighborhoods resulting in further deconcentration;

NOW, THEREFORE BE IT RESOLVED THAT effective June 18, 1999 the Housing Authority – City of Casper reaffirms it's commitment to deconcentration by continuing its practice of requiring applicants to accept the first public housing unit available to prevent the concentration of minorities in particular neighborhoods;

BE IT FURTHER RESOLVED THAT effective June 18, 1999, the Housing Authority – City of Casper will begin conversion of its systems to accommodate the acceptance of low income people (50-80% median) people into the public housing program (while remaining within HUD required income targets) by the implementation date of October 1, 1999.
