**PET POLICY**

# ANNISTON HOUSING AUTHORITY (HA)

## Section I.

1. Pet ownership: A tenant may own one or more common household pets or have one or more common household pets present in the dwelling unit of such tenant, subject to the following conditions:
  1. Each head of household may own up to two pets. If one of the pets is a dog or cat, (or other four legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet.
  2. If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be declawed by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian and/or staff of the humane society. The evidence must be provided prior to the execution of the agreement and/or within 10 days of the pet becoming of the age to be neutered/spayed or declawed. Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The tenants shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 20 pounds in weight (fully grown). All other four-legged animals are limited to 10 pounds (fully grown).
  3. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
  4. If the pet is a fish, the aquarium must be twenty gallons or less, and the container must be placed in a safe location in the unit. The tenant is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and nonhazardous manner.
  5. If the pet is a cat or dog, it must have received rabies and distemper be provided by a statement/bill from veterinarian or staff of the Humane Society and must be provided before the execution of this agreement.
  6. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside, it must be taken outside on a leash and kept off other tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked up immediately and transported to the Humane Society or other appropriate facility.

7. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the tenant to reclaim the pet at the expense of the tenant. Also, if a member of the HA staff has to take a pet to the Humane Society, the tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.
  
8. Pet(s) may not be left unattended for more than twenty-four consecutive hours. If it is reported to the HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, the HA staff may enter the unit and remove the pet and transfer the pet to the Humane Society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the tenant. In the case of an emergency, the HA will work with the residents to allow more than 24 hours for the resident to make accommodations for the pet.
  
9. Pet(s), as applicable, must be weighted by a veterinarian or staff of the Humane Society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA.
  
1. Responsible pet ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant unsanitary odor from being in the unit.
  
3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, rottweilers, doberman pinscher, chows, pit bulldogs, and/or any animal that displays vicious behavior. This determination will be made by an HA representative prior to the execution of this lease addendum.
  
4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms “disturb, interfere or diminish” shall include, but not limited to, barking, howling, chirping, biting, scratching, and other like activities. This included any pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The housing manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The tenant will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.
  
5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Authority Manager will notify the tenant, in writing, that

the animal must be removed from the Public Housing Development within 10 days of the date of the notice from the HA. The pet may remain with the tenant during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.

6. The tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside, it must be on a leash at all times. If there is any visible waste by the pet, it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the tenant will be charged \$25 for the removal of the waste.
7. The tenant shall have pets restrained so that maintenance can be performed in the apartment. The tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall be performed, and the tenant shall be charged \$25. If the same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the tenant to reclaim the pet at the expense of the tenant. Also, if a member of the HA staff takes a pet to the Humane Society, the tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The HA shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.
8. Pets may not be bred or used for any commercial purposes.

Advisory Board Meeting  
May 15, 2001**

**3:20 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on May 15, 2001 at 3:20 PM.

Present: Jackie Keith, Parkwin Homes  
Fannie Leonard, Parkwin Homes  
Larry Ware, Parkwin Homes  
Louise Todd, Norwood Homes  
Mae Hall, Washington Homes  
Sara Borrell, Section 8  
Ronnie Hare, Cooper Homes

Guest: Dr. Angela Martin, Guest

Staff: Sam Jones, Executive Director  
Kevin Fowler, Director of Operations  
James Smith, Deputy Director  
Brenda Bice-Smith, Accounting  
Sharon Dunson, Resident Initiative Coordinator

Sharon Dunson introduced Dr. Angela Martin, a local pediatrician, to the Advisory Board and staff members. Dr. Martin will be taking the place of Dr. Judge. She has a nurse practitioner that will be coming in to work with the residents in the community free of charge.

Kevin Fowler, Director of Operations, distributed a Statement of Progress to the Board and staff. This statement explains what has been accomplished in meeting the 5 year goals in the Agency Plan. The Statement of Progress has been submitted to HUD.

He explained some of the items and they are as follows:

1. In the Agency Plan, one of the goals was to apply for up to 500 additional Section 8 vouchers by the FY 2005. This past fiscal year it was finally met. The Section 8 Program can finally grow.

Page Two

2. Another goal was to reduce housing vacancies at least 5% by fiscal year 2004. When this year's plan was submitted the vacancy rate was 3%. This is down from approximately 11% one year ago. This was accomplished through modernization, active marketing and staff changes.
3. Improvement of the PHAS score which is Public Housing Assessment System to a 90%. The Anniston Housing Authority is striving for that 90%. The score will not be known until June or August.

Sam Jones, Executive Director, explained to the Advisory Board the REAC inspections. One of the things the AHA was marked up on last year was extension cords and cable cords stretched across the floor. He asked the Board to communicate to all their neighbors to remove exposed cords. There were 4 points cut from the score last year because of these cords. Another item is battery replacement in the smoke detectors.

4. The AHA wanted to improve SEMAP scoring to a 90%. This is Section 8 Management Assessment Program that began in 1998. The scores are not known, but the AHA should be a high performer in that category.
5. The AHA wanted to modernize 60 units by the year 2005. There are 12 units at Constantine Homes currently undergoing full modernization. Four more units will begin this process later this summer. There also has been some talk of applying for a HOPE VI Demolition Grant and rebuilding some of the units from the ground up.
6. One of the first things in the 5 Year Plan was to implement flat rents in all developments by fiscal year 2002. This was done in October of 2000.
7. The AHA also wanted to install a security fence and a police sub-station at Cooper Homes. The fence is scheduled for completion on April 15<sup>th</sup>. The police sub-station is next door to the rental office at Cooper Homes.
8. The AHA wanted to Install air conditioning at all the handicapped accessible units in Cooper, Constantine, and Glen Addie. This has been done. It is planned to install air conditioning units, within the next couple of years, at Washington and Parkwin.
9. Also to Increase the number and percentage of employed persons and assisted families by fiscal year 2004 by 5%. This will be done with mandatory income disregards. This is being implemented to encourage persons to become employed. The Anniston Housing Authority has received a ROSS Grant funding for training and self-sufficiency education.

Page Three

That touches on all the 5-year goals and the Statement of Progress, which will have to be done again next year. Also, some things will be added to the 5-year goals for another year.

Sharon Dunson, Resident Initiative Coordinator, explained to the Advisory Board the purpose of the Ross Grant. This is to help residents who do not have a high school education to receive their GED and get into a short-term program at Ayers. Ayers is working with the AHA to help put them into job programs. There was discussion on this program.

There was also some discussion about the Summer Food Program starting June 4<sup>th</sup>.

Staff: Sam Jones, Executive Director  
Kevin Fowler, Director of Operations  
Sharon Dunson, Resident Initiative Coordinator

Kevin Fowler, Director of Operations, explained the Agency Plan to new members of the Advisory Board.

Mr. Jones, Executive Director, explained the Anniston Housing Authority's Modernization Program. Money was spent in the past at Cooper Homes and Glen Addie, so the top priority has been Norwood Homes. Norwood has been renovated with central heat and air. Work has now started at Constantine with the one-bedroom flats. Plans were to redo two buildings at Constantine, but because of cost over-runs, had to be postponed. Within the next year roofing will begin at Washington/Parkwin with columns, bannisters and central heat and air. Work will also begin within the next year or year and a half on Fairview and Tinsley. Plans will continue at Constantine when other, more pressing, things have been done.

He also explained that the Housing Authority is now waiting on the release of funding for this fiscal year. Changes in administrations in Washington, also means changes with employees at HUD. At the present time, the Authority is working from a letter of intent based upon last year's budget.

At this time, there was discussion between the staff and board about the following:

1. All present construction projects
2. All public housing community problems
3. Drug Elimination Grant
4. Fence at Cooper Homes
5. Pet Policy
6. Section 8 Program

Meeting adjourned.

**Anniston Housing Authority  
Advisory Board Meeting

**4:00 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on October 4, 2001 at 4:00 PM.

Present:Larry Wane, Parkwin  
Mae Hall, Boynton

Fannie Leonard, Duncan  
Cathy Hood, Tinsley Manor  
Brenda Gholston, Tinsley Manor

Staff:Sam Jones, Executive Director - AHA  
Kevin Fowler, Director of Operations - AHA  
Sharon Dunson, Resident Initiative Coordinator - AHA

The meeting called to order by Mr. Kevin Fowler. He distributed copies of the ACOP (Admissions and Continued Occupancy) to the participants.

He pointed out that the Anniston Housing Authority will not be having many changes in the fiscal year 2002 Annual Plan, but there will be some changes in the 5-year plan. Sixteen units at Constantine is just about completed, but some things will change.

Air Conditioning will be installed at 4-1, 4-6, 4-7A and 4-7B. Instead of so much spending as was done at Constantine on 16 bedrooms, air conditioning will be installed at Tinsley, Fairview Terrace, and Parkwin/Washington to benefit tenants in those areas also. Something else will have to be worked out at Barber Terrace because of the ductwork.

Mr. Jones said that Norwood was started about 93 or 94 with the remodeling, and the Housing Authority was locked in a contract on that for the entire amount of units. This job took about 5 or 6 years (101 units) to complete. At that time the cost was about \$46,000 per unit. At the present time, the cost is between \$60,000 and \$70,000 per unit.

Mr. Jones gave an overview of funding for the Anniston Housing Authority and how it must be spread out. It was decided to bring the units up to a more competitive market. In the future, the Authority will be looking into doing demo work at Constantine and rebuilding two or three building at a time. Some smaller projects will also be done such as playground equipment.

Mr. Fowler explained the schedule of things to be done before the package is submitted to HUD again. This consists of another meeting toward the end of this month, with another meeting in November. The Authority having a public hearing, which will have to be announced with the plan available to the public for review for 90 days, then submitted to HUD again.

There was some discussion about items listed in the plan.

### **Anniston Housing Authority**

### **Advisory Board Meeting November 28, 2001**

**3:30 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on November 28, 2001 at 3:30 PM.

Present:Fannie Leonard, Duncan Avenue  
Edith Bryant, Constantine  
Mae Hall, Boyton Avenue  
Larry Ware, Parkwin Avenue

Staff:Sam Jones, Executive Director - AHA  
Kevin Fowler, Director of Operations - AHA  
Sharon Dunson, Resident Initiative Coordinator - AHA  
James L. Smith, Deputy Director - AHA

Mr. Jones opened the meeting with explaining some of the changes that will be made in the annual plan. Some of the Anniston Housing Authority's Maintenance Mechanics were asked for input and they started bringing things to our attention that would pose danger to the residents. It was decided to re-think some of the things listed in the plan. Cooper Homes does not have the proper wiring for air-conditioning. He said that he thought that it was rewired before his employment, but it was not. Also, some windows at Cooper Homes can't be raised. In another area the window seals. It was decided that we upgrade the electrical system and install new windows.

He also went over things to be done in the Five Year Plan and they are:

1. The management office at Constantine is very small, so a larger office will be built and there will be a meeting room for the residents.
2. Complete the electrical service upgrade and install new window and security screens at Cooper Homes.
3. There have been a number of water leaks at Glen Addie. The sewer and water system has been here since 1939. A new system will be added. There is also lead base paint on the canopies over the porches. That will be abated and rebuilt.
4. Remodeling units at Washington Homes.
5. Also remodeling Parkwin Homes.

Funds have been cut in the past few years, so we have been forced to take money out of the capital fund and transfer it over to operation so that we can meet all our operational needs. Lot of staff is paid from this fund.

Some of these things can change if we get monies, then we can get started on some of these things earlier.

Mr. Fowler explained about the public hearing scheduled on Monday, January 14th.

## DECONCENTRATION POLICY

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
  
2. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:
  - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
  
  - B. To accomplish the goals of: (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and  
(2) Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals.

### Component 3, (6) Deconcentration and Income Mixing

- a.  YES     NO    Does the PHA have any general occupancy (family) housing developments covered by deconcentration. If no, this section is complete. If yes, continue to next question.
- b.  YES     NO    Do any of these covered developments have average incomes above or below 85 % to 115% of the average of such developments. If no this section is complete.

## **RASS IMPROVEMENTS**

### **Communication**

The Anniston Housing Authority will continue to provide residents information concerning maintenance and repair, modernization, meetings, and events through the bi-monthly newsletter, *The Informer*. We will also post flyers in the administrative offices of each housing complex and on mailbox clusters. Residents will be notified of emergency situations such as water shut off by receiving a flyer on their door, information posted on mailbox clusters or by calling the office.

We will continue to investigate all verbal and written questions and concerns from residents and we will reply to their questions and concerns in writing within seven (7) working days of receiving the transaction.

Anniston Housing Authority's staff goal is to recognize residents as our ultimate customer; therefore, we pledge to be courteous and professional with the residents at all times.

Management will be asked to attend 25% of the residents organization meetings.

### **Safety**

The Anniston Housing Authority has provided the residents with off duty police officers to patrol the housing authority's property and surrounding community and cellular telephones so residents can speak directly to the police officers. At the end of each week, AHA receives a police report of different violations that took place on housing property during the week.

Within the next six (6) months, each resident will receive a visit from the Resident Initiative Coordinator so together we can examine the safety in the community. Once the information is compiled, we will target a technical assistant to provide us with a tool to work with so the residents can feel safe in their homes and enjoy a drug free, decent, safe, and sanitary community.

### **Neighborhood Appearance**

The Anniston Housing Authority's Maintenance Department will continue to provide the Residents of the Anniston Housing Authority with free lawn care. Extra residents are hired during summer months for grass cutting and for the up-keep of common areas including the playground and parking lots.

Most of the exteriors of the housing complex are between 50 to 60 years old. We will continue to keep the exteriors of the housing complex free of graffiti.

Each resident is responsible for his/her yard. Trash/litter, broken glass in the yard is the responsibility of the resident and residents will be charged a fine if AHA Maintenance Department has to clean it up.

Residents that are experiencing the presence of rodents and insects inside the apartment must make arrangements with the AHA Maintenance Department for treatment.

The Anniston Housing Authority adhere and abide by the City of Anniston  
ORDINANCE NO. 99-0-15 AN ORDINANCE DECLARING CERTAIN ACTS  
AND NOISES UNLAWFUL; PROVIDING PENALTIES FOR VIOLATION  
THEREOF.

Community Policing has been effective continuously in the Anniston Housing Authority since receiving the PHDEP Grant in 1997. AHA will introduce other crime prevention programs such as Neighborhood Watch, Block Watch, Tenant Patrol, or Street Patrol to the residents within the next 12 months. Residents will have the opportunity to decide what crime prevention program they want in the community and AHA will provide the residents with the necessary training and material to implement the program.

## STATEMENT OF PROGRESS

The following information is an update relating to the Anniston Housing Authority's progress in meeting its 5 year goals set forth in the PHA plan.

<u>Goal #</u>	<u>Current Update</u>
1	Apply for up to 500 additional rental vouchers by FY 2005. Currently, the Anniston Housing Authority has just recently met the minimum lease up threshold for applying. The AHA will be making a grant application for some vouchers under the Mainstream program in the near future. <b>Recently, AHA applied for reallocation of additional vouchers from the local field office.</b>
2	Reduce public housing vacancies to at least 5% by FY 2004. Currently, the AHA is at a 3% vacancy rate. This is down from approximately 11% one year ago. This has been accomplished through modernization, active marketing, and staff changes.
3	Improve PHAS score to 90% by FY 2004. Currently the AHA is working on all areas related to PHAS. Maintenance programs are in place to improve on PASS. Management has been more actively involved in communicating with resident to improve on our RASS scores. Management has been proactively working towards a reduction in unit turn around time to increase our MASS scores. Strong Policies and sound fiscal management have been implemented to improve even further in FASS scores. We intend on seeing improvement this year.
4	Improve SEMAP scoring to 90%. At this time, we have not yet received an advisory score to compare. We are in the process of submitting our current SEMAP report and feel confident that we will be a high performer. <b>FY 2001 the Anniston Housing received a High Performer Score for SEMAP.</b>
5	Modernize 60 units of conventional by FY 2005. Currently, we have 12 units at Constantine Homes undergoing full mod and will begin on another 4 units later this summer at Constantine as well. We are in line to meet this goal. <b>16 one bedroom units have been completely modernized.</b>
6	Flat rents to be implemented in all developments by FY 2002. This was implemented 10-2-2000.

- 7 Install a security fence and a Police sub-station at Cooper Homes. The fence is scheduled for completion on April 15, 2001 and the Substation was completed February of 2000.
- 8 Install A/C at 4-1, 4-6, 4-7a, 4-7b by FY 2005. Air conditioning has been install at 4-1 for 504 accessible units. Current plans are for air conditioning to be installed at these other listed sites by FY 2005.

Beyond that, the AHA had received ROSS grant funding for training and self-sufficiency education. The housing authority is actively working with resident leaders to promote education and employment.
- 10 All management work items are consistent with the Annual Statement and proceeding as planned.
- 11 All administrative items are consistent with the Annual Statement and proceeding as planned.

May 15, 2001**

**3:20 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on May 15, 2001 at 3:20 PM.

Present: Jackie Keith, Parkwin Homes  
Fannie Leonard, Parkwin Homes  
Larry Ware, Parkwin Homes  
Louise Todd, Norwood Homes  
Mae Hall, Washington Homes  
Sara Borrell, Section 8  
Ronnie Hare, Cooper Homes

Guest: Dr. Angela Martin, Guest

Staff: Sam Jones, Executive Director  
Kevin Fowler, Director of Operations  
James Smith, Deputy Director  
Brenda Bice-Smith, Accounting  
Sharon Dunson, Resident Initiative Coordinator

Sharon Dunson introduced Dr. Angela Martin, a local pediatrician, to the Advisory Board and staff members. Dr. Martin will be taking the place of Dr. Judge. She has a nurse practitioner that will be coming in to work with the residents in the community free of charge.

Kevin Fowler, Director of Operations, distributed a Statement of Progress to the Board and staff. This statement explains what has been accomplished in meeting the 5 year goals in the Agency Plan. The Statement of Progress has been submitted to HUD.

He explained some of the items and they are as follows:

1. In the Agency Plan, one of the goals was to apply for up to 500 additional Section 8 vouchers by the FY 2005. This past fiscal year it was finally met. The Section 8 Program can finally grow.

Page Two

2. Another goal was to reduce housing vacancies at least 5% by fiscal year 2004. When this year's plan was submitted the vacancy rate was 3%. This is down from approximately 11% one year ago. This was accomplished through modernization, active marketing and staff changes.
3. Improvement of the PHAS score which is Public Housing Assessment System to a 90%. The Anniston Housing Authority is striving for that 90%. The score will not be known until June or August.

Sam Jones, Executive Director, explained to the Advisory Board the REAC inspections. One of the things the AHA was marked up on last year was extension cords and cable cords stretched across the floor. He asked the Board to communicate to all their neighbors to remove exposed cords. There were 4 points cut from the score last year because of these cords. Another item is battery replacement in the smoke detectors.

4. The AHA wanted to improve SEMAP scoring to a 90%. This is Section 8 Management Assessment Program that began in 1998. The scores are not known, but the AHA should be a high performer in that category.
5. The AHA wanted to modernize 60 units by the year 2005. There are 12 units at Constantine Homes currently undergoing full modernization. Four more units will begin this process later this summer. There also has been some talk of applying for a HOPE VI Demolition Grant and rebuilding some of the units from the ground up.
6. One of the first things in the 5 Year Plan was to implement flat rents in all developments by fiscal year 2002. This was done in October of 2000.
7. The AHA also wanted to install a security fence and a police sub-station at Cooper Homes. The fence is scheduled for completion on April 15<sup>th</sup>. The police sub-station is next door to the rental office at Cooper Homes.
8. The AHA wanted to Install air conditioning at all the handicapped accessible units in Cooper, Constantine, and Glen Addie. This has been done. It is planned to install air conditioning units, within the next couple of years, at Washington and Parkwin.
9. Also to Increase the number and percentage of employed persons and assisted families by fiscal year 2004 by 5%. This will be done with mandatory income disregards. This is being implemented to encourage persons to become employed. The Anniston Housing Authority has received a ROSS Grant funding for training and self-sufficiency education.

Page Three

That touches on all the 5-year goals and the Statement of Progress, which will have to be done again next year. Also, some things will be added to the 5-year goals for another year.

Sharon Dunson, Resident Initiative Coordinator, explained to the Advisory Board the purpose of the Ross Grant. This is to help residents who do not have a high school education to receive their GED and get into a short-term program at Ayers. Ayers is working with the AHA to help put them into job programs. There was discussion on this program.

There was also some discussion about the Summer Food Program starting June 4<sup>th</sup>.

**Anniston Housing Authority  
Advisory Board Meeting  
June 12, 2001**

**5:00 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on June 12, at 3:20 PM.

Present: Jackie Keith, Parkwin Homes  
Tanya Sanders, Fairview Terrace  
Brenda Goldsen, Tinsely Manor  
Kathy Hood, Tinsley Manor  
Mae Hall, Washington Homes

Staff: Sam Jones, Executive Director

Sharon Dunson, Resident Initiative Coordinator

Kevin Fowler, Director of Operations, explained the Agency Plan to new members of the Advisory Board.

Mr. Jones, Executive Director, explained the Anniston Housing Authority's Modernization Program. Money was spent in the past at Cooper Homes and Glen Addie, so the top priority has been Norwood Homes. Norwood has been renovated with central heat and air. Work has now started at Constantine with the one-bedroom flats. Plans were to redo two buildings at Constantine, but because of cost over-runs, had to be postponed. Within the next year roofing will begin at Washington/Parkwin with columns, bannisters and central heat and air. Work will also begin within the next year or year and a half on Fairview and Tinsley. Plans will continue at Constantine when other, more pressing, things have been done.

He also explained that the Housing Authority is now waiting on the release of funding for this fiscal year. Changes in administrations in Washington, also means changes with employees at HUD. At the present time, the Authority is working from a letter of intent based upon last year's budget.

At this time, there was discussion between the staff and board about the following:

1. All present construction projects
2. All public housing community problems
3. Drug Elimination Grant
4. Fence at Cooper Homes
5. Pet Policy
6. Section 8 Program

Meeting adjourned.

**Anniston Housing Authority  
Advisory Board Meeting  
October 4, 2001**

**4:00 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on October 4, 2001 at 4:00 PM.

Present:Larry Wane, Parkwin  
Mae Hall, Boynton  
Jacqueline Keith, Parkwin  
Fannie Leonard, Duncan  
Cathy Hood, Tinsley Manor  
Brenda Gholston, Tinsley Manor

Staff:Sam Jones, Executive Director - AHA  
Kevin Fowler, Director of Operations - AHA  
Sharon Dunson, Resident Initiative Coordinator - AHA

The meeting called to order by Mr. Kevin Fowler. He distributed copies of the ACOP (Admissions and Continued Occupancy) to the participants.

He pointed out that the Anniston Housing Authority will not be having many changes in the fiscal year 2002 Annual Plan, but there will be some changes in the 5-year plan. Sixteen units at Constantine is just about completed, but some things will change.

Air Conditioning will be installed at 4-1, 4-6, 4-7A and 4-7B. Instead of so much spending as was done at Constantine on 16 bedrooms, air conditioning will be installed at Tinsley, Fairview Terrace, and Parkwin/Washington to benefit tenants in those areas also. Something else will have to be worked out at Barber Terrace because of the ductwork.

Mr. Jones said that Norwood was started about 93 or 94 with the remodeling, and the Housing Authority was locked in a contract on that for the entire amount of units. This job took about 5 or 6 years (101 units) to complete. At that time the cost was about \$46,000 per unit. At the present time, the cost is between \$60,000 and \$70,000 per unit.

Mr. Jones gave an overview of funding for the Anniston Housing Authority and how it must be spread out. It was decided to bring the units up to a more competitive market. In the future, the Authority will be looking into doing demo work at Constantine and rebuilding two or three building at a time. Some smaller projects will also be done such as playground equipment.

Mr. Fowler explained the schedule of things to be done before the package is submitted to HUD again. This consists of another meeting toward the end of this month, with another meeting in November. The Authority having a public hearing, which will have to be announced with the plan available to the public for review for 90 days, then submitted to HUD again.

There was some discussion about items listed in the plan.

**Anniston Housing Authority**

**Advisory Board Meeting  
November 28, 2001**

**3:30 P.M.**

An Advisory Board Meeting was held in the Anniston Housing Authority Board Room on November 28, 2001 at 3:30 PM.

Present:Fannie Leonard, Duncan Avenue  
Edith Bryant, Constantine  
Mae Hall, Boyton Avenue  
Larry Ware, Parkwin Avenue

Staff:Sam Jones, Executive Director - AHA  
Kevin Fowler, Director of Operations - AHA  
Sharon Dunson, Resident Initiative Coordinator - AHA  
James L. Smith, Deputy Director - AHA

Mr. Jones opened the meeting with explaining some of the changes that will be made in the annual plan. Son of the Anniston Housing Authority's Maintenance Mechanics were asked for input and they started bringing things to our attention that would posed danger to the residents. It was decided to re-think some of the things listed in the plan. Cooper Homes does not have the proper wiring for air-conditioning. He said that he thought that it was rewired before his employment, but it was not. Also, some windows at Cooper Homes can't be raised. In another area the window seals. It was decided that we upgrade the electrical system and install new windows.

He also went over things to be done in the Five Year Plan and they are:

1. The management office at Constantine is very small, so a larger office will be built and there will be a meeting room for the residents.
2. Complete the electrical service upgrade and install new window and security screens at Cooper Homes.
3. There have been a number of water leaks at Glen Addie. The sewer and water system has been here since 1939. A new system will be added. There is also lead base paint on the canopies over the porches. That will be abated and rebuilt.
4. Remodeling units at Washington Homes.
5. Also remodeling Parkwin Homes.

Funds have been cut in the past few years, so we have been forced to take money out of the capital fund and transfer it over to operation so that we can meet all our operational needs. Lot of staff is paid from this fund.

Some of these things can change if we get monies, then we can get started on some of these things earlier.

Mr. Fowler explained about the public hearing scheduled on Monday, January 14th.
