i. Executive Summary

In FY 2000, the Housing Authority of the City of Port Hueneme stated the following mission in its 5 -Year Plan: to provide quality housing to eligible households in a professional, fiscally prudent manner and be a positive force in our community by working with others to assist these families with the appropriate support services.

Further, the agency shares the mission of the Department of Housing and Urban Development to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The PHA continues with that same mission in FY 2002. With the guidance of the Quality Housing and Work Responsibility Act of 1998, the PHA notes the following actions in this summary:

Financial Condition :

As a result of action taken by the Board on June 6, 2001, PHA scoring on the PHA's financial indicator has been upgraded.

Family Self -Sufficiency:

The PHA is seeking to engage a non -profit to utilize the PHA office 1 -2 times each month to provide self -sufficiency counseling to public housing and Section 8 participants. This source will also be available to make community service referrals and provide follow up for public housing residents as needed. Lutheran Social Service of Southern California has expressed interest.

An RFP was sent to six organizations, which included two faith -based non -profits. Proposals are due by April 30, 2002.

Section 8 Homeownership Program :

The PHA has neither the staff nor expertise to provide a Section 8 Homeownership Program. Referrals are made to the City's Community Development Department, which operates a first -time homeowners program.

Resident Advisory Board

The PHA continues to solicit participation in the RAB. To date, the Board consists of two Section 8 participants, and since no individuals volunteered from

public housing, all of the residents at Mar Vista and Hueneme Village are members of the RAB.

**Resident Satisfaction Survey
Follow-up Plan**

The PHA scheduled a meeting with Hueneme Village residents to discuss their issues regarding 1) safety and 2) communication. Of the thirty (30) households residing in this development, eight were present. The survey results indicate that nine (9) of twenty-two (22) families responded to the survey.

Safety

The PHA made contact with the Police Department prior to the resident meeting to determine if that department had any knowledge of safety concerns at the development. The P.D. was aware of none.

- The PHA invited the P.D. to attend the resident meeting. In his absence, the Chief assigned his Commander for the evening. Residents voiced concerns about responsiveness and were promised that they would be addressed. They were encouraged by the Commander to call the P.D. for any concerns perceived as police matters.
- Residents expressed a desire to have better lighting in the exterior areas of the development. The PHA requested funding for the coming fiscal year to finance these improvements.
- Staff met with parent of two teenaged girls in the development who have been accused of causing problems. The parents acknowledged that problems exist and discussed steps that are being taken to redirect the children.
- P.D. staff person assigned to Neighborhood Watch will be present at next resident meeting.
- Staff will continue to monitor daily police logs to be knowledgeable of any callouts to the development.

Communication

- The emphasis at the resident meeting was safety because that was perceived as the more urgent of the two concerns. Subsequent meetings are being scheduled to address communication.

FIVE YEAR PLAN PROGRESS STATEMENT

HUD Strategic Goal 1: Increase the availability of decent, safe, and affordable housing.

Though PHA's family development has remained at 100% occupancy during the year, PHA continues to experience difficulty in leasing studio units in senior development. Outreach efforts have been heightened.

As standard practice, PHA provides voucher mobility awareness (and follow-up mobility counseling as needed).

HUD Strategic Goal 2: Improve community quality of life and economic vitality.

Modernization of both passenger elevators at senior building was completed.

HUD Strategic Goal 3: Promote self-sufficiency and asset development of families and individuals

An RFP for Family Self-Sufficiency counseling was developed and distributed to six organizations, including two faith-based nonprofits.

HUD Strategic Goal 4: Ensure Equal Opportunity in Housing for all Americans.

PHA has fair housing literature visible and readily available for distribution. HUD Fair Housing literature is distributed at all briefings.

The City, in partnership with the County of Ventura, contracts with the Fair Housing Council of San Gabriel Valley to provide services to the community.

PHA immediately responds to accessibility requests by persons with disabilities of any kind.
