ii. Executive Summary

[24CFR Part 903.79(r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Housing Authority of Costilla County has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy is the primary policy on display. This important document covers the public housing tenant selection and assignment plan, outreach services, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of Costilla County during FY 2002 include:

- *Preserve and improve the public housing stock through the Capital Funds activities; and*
- *Train staff and commissioner to fully understand and take advantage of opportunities in the new law and regulation to better serve our residents and the community.*

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority of Costilla County to meet the housing needs of the full range of low-income residents. The Housing Authority of Costilla County, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the "higher quality of life" destination for the County of Costilla and the City of San Luis.

PET OWNERSHIP POLICY

OVERVIEW

Section 526 of the Quality Housing and Work Responsibility Act of 1998 added a new Section 31 ("Pet Ownership in Public Housing ") to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than Federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. A proposed rule to implement Section 31 was published in the June 23, 1999, Federal Register. On July 10, 2000, a final rule incorporating comments received, was published in the Federal Register. This policy reflects the final rule requirements.

The Housing Authority of Costilla County (herein referred to as PHA) will notify eligible new and current residents of their right to own pets subject to the PHA's rules and will provide them copies of the PHA's Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA's developments, the PHA will develop appropriate pet ownership rules, include those rules in their Agency Plan and notify all such residents that:

- A. all residents are permitted to own and keep common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;
- B. a non-refundable nominal pet fee of \$ 0.00 will be charged and is intended to cover the reasonable operating costs to the development directly attributable to a pet or pets in the unit (i.e., fumigation of a unit). A refundable pet deposit of \$ 150.00 will be assessed and is intended to cover additional costs not otherwise covered which are directly attributable to the pet's presence (i.e., damage to the unit, yard, fumigation of a unit, etc.);
- C. animals that are used to assist the disabled are excluded from the size, weight, type and non-refundable fee requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. in accordance with State or local law are observed;
- D. residents may request a copy of the PHA's pet ownership rules or proposed amendments to the rules at any time; and,

- E. if the dwelling lease of a resident prohibits pet ownership, the resident may request that the lease be amended to permit pet ownership, in accordance with the PHA's pet ownership rules shown below;
- F. Section 31 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery Act of 1983 and located in 24 CFR part 5, subpart C;
- G. **New Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments. Nothing in this rule limits or impairs the rights of persons with disabilities, authorizes PHAs to limit or impair the rights of persons with disabilities, or affects any authority PHAs may have to regulate service animals that assist persons with disabilities.**

4. Pet owners shall license their pets (if required by state or local law) yearly with the City of San Luis, CO as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually.
5. No pet owners shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.

7. All cats shall be declawed. Proof of compliance shall be furnished to management.
8. The pet owners shall house the pet inside the pet owner's dwelling unit. The pet owners shall keep a cat or dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owners shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.
9. No pet shall be permitted in any common area except as necessary to directly enter and exit the building. This restriction is not applicable to service animals.

12. Residents shall provide the PHA a color photograph of the pet(s).

13. All dogs and cats shall wear a collar at all times. Attached to the collar shall be an ID tag listing the pet owner's name and address.
14. Any resident having a dog or cat shall obtain some type of "scooper" to clean up after the pet outdoors. The resident is responsible for placing all waste in sealed plastic bags and disposing of such material in a trash container.
15. Resident is required to take whatever action necessary to insure that their pet does not bring any fleas or ticks into the building. This may include, but is not limited to, the use of flea collars and flea powder. The resident is responsible for the cost of flea/tick extermination.
16. No residents shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
17. No pet owner shall keep a vicious or intimidating pet on the premises (i.e. pit bulls or any other vicious or intimidating breeds). Any animal identified in local or State law or ordinance as dangerous or vicious will be prohibited. If the pet owner declines, delays or refuses to remove such a pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.
18. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
19. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.
20. The owner of a dog shall feed the animal at least once per day; take the animal for a walk at least twice per day; remove the animal's droppings at least twice per day; and take the animal to a veterinarian at least once per year. The pet owner shall not permit dog droppings to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.
21. The pet owner shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.

22. The pet owner shall keep the pet, dwelling unit, and surrounding areas free of fleas, ticks and/or other vermin.
23. No pet owners shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
24. Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, displays symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days. PHA staff shall enter a dwelling unit where a pet has been left unattended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
25. Each pet owner shall pay a non-refundable pet fee of \$ 0.00 and a refundable pet deposit of \$ 150.00. A refundable deposit of \$ 150.00 will be charged for aquariums. There is no pet deposit for birds, gerbils, hamsters, guinea pigs or turtles. The pet fee/deposit is not part of the rent payable by the pet owner, and is in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet fee only to pay reasonable expenses directly attributable to the presence of the pet in the development, including, but not limited to the cost of repairs and replacements to, and the fumigation of, the pet owner's dwelling unit. The refundable deposit will be used, if appropriate, to correct damages directly attributable to the presence of the pet.
26. The refundable pet deposit will be placed in an escrow account and the PHA will refund the unused portion to the resident within thirty (30) days after the pet owner moves from the dwelling unit or no longer owns or keeps a pet in the dwelling unit.
Should State or local law require that the pet deposit be placed in an interest bearing account, the PHA will provide for such deposit and will account for all interest individually by pet owner family. Should the State or local law not specifically address the issue of pet deposit interest, the PHA shall determine payment or non-payment of interest based on State or local law with respect to rental security deposit requirements.
27. All residents are prohibited from feeding, housing or caring for stray animals or birds. Such actions shall constitute having a pet without permission of the PHA.
28. Each pet owner shall identify an alternate custodian for his or her pet. If the pet

owner is ill or absent from the dwelling unit and unable to care for his or her pet, the alternate custodians shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.

29. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets except one as soon as the baby are able to survive on their own (a maximum of 6 weeks). 's

30. Pet Violation Procedures: Resident agrees to comply with the following:

a. Notice of Pet Rule Violation: If the PHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation. The notice of pet rule violation will be in writing and will:

- (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.
- (2) State that the pet owner has ten (10) days from the effective date of service of the notice to correct the violation (including in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation.
- (3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
- (4) State that the pet owner 's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to have the pet removed and/or terminate the pet owner 's lease or both.

b. Pet Rule Violation Meeting: If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner additional time to correct the violation.

c. Notice for Pet Removal: If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet.

The notice will be in writing and will:

- (1) Contain a brief statement of the factual basis for the determination and the pet rule or rule that has been violated.
 - (2) State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).
 - (3) State that failure to remove the pet may result in initiation of the procedure to have the pet removed or terminate the pet owner's lease or both.
- d. The procedure does not apply in cases where the pet in question presents an immediate threat to the health, safe, of others or if the pet is being treated in an inhuman manner. In such cases paragraph 24 shall apply.
31. The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet.
 32. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.
