Comments from the Resident Advisory Panel:

Ms. Sallie Wiggins offered several comments on the Annual Plan.

Category II Operations, allow those living in public housing to be part of the workforce. The Housing Authority of Brevard County follows all the necessary guidelines under Title III in the performance of contractors doing modernization work. This is the proper vehicle for tenant involvement in the workforce.

Under Part II of the Executive Summary, it was asked if it was possible to name the “Community Housing Partners.” The Housing Authority of Brevard County believes that that task would be very cumbersome due to the various different types of government agencies and non-profits agencies involved in housing assistance.

Under Needs of Families, it was asked if the numbers should be documented neatly. The RAB was given a working draft copy of the Annual Plan. The final document will be type written.

It was suggested that the Housing Choice Voucher Payment Standard be reviewed semi-annually. The Fair Market Rents for the Voucher program are issued by HUD annually so the review of the Payment Standard is designed to occur at roughly the same time.
