22. The Resident is responsible for any and all actions and/or damages by their pet.
23. Violation of any of these rules set forth in this policy shall be grounds for eviction.
24. If changes occur, such as the pet dying or removal from the unit, the Resident must report the change to the Property/Site Manager within ten (10) days. The Property/Site Manager must verify the information received and conduct an inspection of the unit for damages.

MEETING OF RESIDENT ADVISORY BOARD Evansville Housing Authority MARCH 12, 2001 9:00 A.M.

The meeting of the EHA Resident Advisory Board was held on March 12, 2001 at Kennedy Towers. Meeting began at 9:10 A. M. A sign-in sheet is attached with signatures of residents in attendance.

Sharon Happe, Director of Special Programs, began meeting by explaining that EHA was preparing to begin work on the Annual Agency Plan for 2002. Part of that plan, she explained, was to obtain resident input for work items to be included in Capital Fund budget. Sharon handed out copies of the Capital Fund Annual Statement for years 2000 and 2001-Revised, plus the Five-Year plan submitted to HUD with the most recent agency plan. She also went over work items that were being done through the 1999 CGP program.

Sharon requested that each resident advisory board member ask residents at their next resident council meeting what work items they feel are necessary at their development. She asked them to compile a list and bring it to the next scheduled resident advisory board meeting. Sharon explained that Capital Fund monies were not to be used for routine maintenance work but were for larger projects, usually involving entire developments. She did ask that any small items be included in the report back to her as she forward those to Asset Management or Client Services to be addressed.

Sharon also brought up the subject of the demolition of Erie Homes. She said that a demolition application was sent to HUD last year after we were not awarded a HOPE VI grant. She explained that we would not apply for a HOPE VI grant this year. A discussion was held on demolishing it vs. saving it. Pat Tapp, a resident of Erie Homes, stated that she felt the buildings could be saved but needed to be updated with central air conditioning and various other amenities. She stated storm doors needed to have the screws replaced and those doors would be viable. The residents in attendance at the meeting (one from Erie Homes) did not have any questions concerning the demolition and did not care whether we tore them down or renovated them.

Zella Dillard said that there was a plumbing problem on 6th floor at Kennedy Towers (around 610, 617 & 618) causing water to come out in hallway when residents are taking a shower.

Jessica Heath said she has water coming up through her drain at Buckner Towers. She also said that more handicapped bars are needed in apartments, with taller toilets.

Otillia Keller said that more electrical receptacles were needed in the Community Room at White Oak Manor.

Jessica Heath said additional phone lines and jacks were needed in apartments for Internet access and to have choice of where phone will be hooked up.

Zella Dillard suggested that carpet be replaced in apartments at Kennedy Towers. She said it is puckering in several apartments. Sharon said to be sure and call in work orders for maintenance to take care of this when it happens.

Sharon said that all 4 high rise buildings would be having work done on their elevators this year as a result of the Capital Fund for 2001. She explained that Schnute Apartments would be having their kitchen cabinets, countertops, sinks and faucets, as well as locks and handles on their apartment doors, replaced in the fall and that White Oak Manor would be receiving the same the fall of 2002.

She said that roofs would be replaced at Caldwell Homes and Fulton Square, to coincide with the renovation to be done on the exteriors at Fulton Square and Terrace Gardens beginning in the spring of this year.

Sharon said that EHA would be constructing 24-unit senior citizen building at Cherry and Governor Streets this year. She said the architect is preparing plans and specifications at this time.

Sharon said that EHA was now installing electronic controls on front doors of each high rise building to allow better accessibility for handicapped persons.

It was decided by all that the next meeting would be held on April 30, 2001 at 9:30 A. M. at Kennedy Towers. The purpose will be to discuss the Agency Plan and Capital Fund work items.

Meeting was adjourned at 10:50 A. M.

Cindy Collins, Erie – explained Admissions and that sometimes applications are mailed.

Small amounts of money come to the elderly high rise buildings for the purpose of security. Approximately 16-32 hours per week is distributed among the four high rise buildings for patrol by the police (the police should be walking during this time). The police do not have set schedules that they work for EHA every week. The police do not have a set schedule intentionally, so as not to establish a routine time at each location.

Mamie Gold asked who takes care of scheduling the Police Walking Patrol. Barb reported that Robin Maglinger is the Coordinator for all Walking Patrol through the Drug Elimination Grant.

Barb recommended that at each Resident Council Meeting, the residents who participate in the walking patrol should report back to the Resident Council updates on issues they are experiencing while on duty (i.e. trimming trees for security measures, lights that are burned out etc.).

The current grant notice of fundability is \$238,850 these monies are to be used to eliminate drugs and drug activities. As a result of funding, the DEP Pride Office was able to hire Howard Harper, Executive Director of PRIDE. Howard's assistant is Linda Schindler, Assistant Grant Writer and Director of Substance Abuse and Linda's assistant is Rhonda Ford.

Cindy Collins requested that the Resident Walking Patrol be provided proper clothing so they can be easily identified while on duty (i.e. shirts, jackets, flashlights etc.). Additionally, Cindy suggested that the Police Patrol walk the properties while on duty, instead of driving.

RE: Comments on Agency Plan

Dear Sue:

I would like to thank you for reviewing the Agency Plan and responding with questions. Let me answer them as well as I can.

- Fulton Square Laundromats in family section: This is a work item that has been identified as a need for the residents living in the family section at Fulton Square who do not have washers and dryers and for various reasons, are unable to secure them.
- Window Treatment, Terrace Gardens: Window treatment would consist of mini- blinds being installed at each window.
- Laundromats, Terrace Gardens: Work items to be done in laundromats at Terrace Gardens would largely be determined by the needs of the residents who will be using them. To be considered would be such items as floor tile, wall repair and painting, ceiling repair and painting, plumbing, electrical, heating and air conditioning upgrades, expansion of laundry rooms, additional laundry rooms, etc. Recommendations from the residents who use them is the most useful information we can obtain to determine what we will do.

- Bathroom Heaters, Terrace Gardens: It is our pleasure to finally correct this long-standing problem.
- Reduce evictions due to violations of criminal law by 2004: I spoke with Mike Bean, Director of Asset Management, and he said this goal would be accomplished through the initial screening process of identifying applicants with a history of criminal activity.

I hope this response to your comments is satisfactory. If you have any further questions or comments, please let me know and I will be happy to address them. Thank you again for taking the time to review the Agency Plan.

Sincerely,

SHARON L. HAPPE
Director of Special Programs

1.0 FAIR HOUSING

It is the policy of the Evansville Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, age, sexual orientation, creed, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Evansville Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Evansville Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available in the Management Office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Evansville Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them the appropriate housing discrimination contact phone numbers and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Evansville Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Evansville

Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Evansville Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 QUESTION TO ASKING GRANTING THE ACCOMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Evansville Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Evansville Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Evansville Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Evansville Housing Authority's business is housing. If the request would alter the fundamental business that the Evansville Housing Authority conducts, that would not be reasonable. For instance, the Evansville Housing Authority would deny a request to have the Evansville Housing Authority do grocery shopping for a person with disabilities.

2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Evansville Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is they need; however, the Evansville Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Evansville Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Evansville Housing Authority's programs and services, the Evansville Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Evansville Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Evansville Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Evansville Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The Evansville Housing Authority will endeavor to have bilingual staff or access to people/agencies who speak languages other than English in order to assist non-English speaking families. The following languages shall be covered:

French, Russian, Spanish, German & Latin

4.0 FAMILY OUTREACH

The Evansville Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in the following manner:

Evansville Courier & Press (General Newspaper)
Our Times (Minority Media)
Channel 7 Public Service Announcements
Radio
Maturity Journal

To reach a person, who cannot or do not read the newspapers, the Evansville Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with area churches. The Evansville Housing Authority will also try to utilize public service announcements.

The Evansville Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

The Evansville Housing Authority will have in each of its Management Offices a copy of our Policies and Procedures for review upon request which include:

- A. Income Limits for Admissions

- B. Excess Utility Charges
- C. Utility Allowance Schedule

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at the Management Offices of:

BUCKNER TOWER
717 Cherry Street

CALDWELL HOMES
736 Cross Street

FULTON SQUARE
1328 Dresden

KENNEDY TOWER
315 S.E. MLK. JR. BLVD

ERIE HOMES
370 Canal Street

SCHNUTE APARTMENTS
1030 W. Franklin Street

WHITE OAK MANOR
509 N. St. Joseph Ave.

Applications are taken to compile a Waiting List. Due to the demand for housing in the Evansville Housing Authority jurisdiction, the Evansville Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Evansville Housing Authority will verify the information.

Applications may be made in person any of the above listed communities. Applications may be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Evansville Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Evansville Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 428-8566.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

If the family is determined to be preliminary eligible they will be so notified in writing and advised of the bedroom determination which appears to best meet the family's needs, consistent with the Evansville Housing Authority's established Occupancy Standards and advised of approximately how long it will be before the Evansville Housing Authority anticipates the interview for a determination of final eligibility.

If the family is determined to be ineligible for the waiting list they will be so notified in writing with the reason for ineligibility and the family's right to request a review of the decision should they disagree. This notice will include the procedure and time frame to be followed by the family in making such a request.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Evansville Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application or applicant interview. The full application takes place when the family *nears* the top of the waiting list. The Evansville Housing Authority will ensure that verification

of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

An applicant head of household who is not yet age 18 will not be considered eligible for the waiting list nor for occupancy. However, if there are co-heads of household and at least one of the co-heads is an "adult" (i.e., age 18+) the family will not be determined ineligible for program participation if they are otherwise eligible. Such families must still meet the definition of family (i.e., traditional or non-traditional).

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Evansville Housing Authority screening criteria in order to be admitted to public housing.

occupancy before 10/1/81, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.

2. To be eligible for admission to developments units that became available on or after 10/1/81, the family's annual income must be within the very low-income limit set by HUD, unless HUD grants an exception. This means that without a HUD exception, the family income cannot exceed 50 percent of the median income for the area.
3. Income limits apply only at admission and are not applicable for continued occupancy.
4. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Evansville Housing Authority.

C. Citizenship/Eligibility Status

1. To be eligible each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).

 - a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the noncitizen rule)

- c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members (six) 6 years of age and older must provide a Social Security number prior to admission. Verification will be completed through the provision of a valid Social Security card issued by the Social Security Administration or other forms of verification deemed acceptable by the Authority. Acceptable alternate forms of verification will include: benefit award letters, payroll records, driver's license and INS letters/documents. This list may be periodically amended. Supervisory staff may authorize the use of other forms of verification on a case-by case basis.

Failure of the family member to comply with result in a determination of ineligibility and the family will be notified accordingly.

E. Signing Consent Forms

- 1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.

- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Evansville Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Evansville Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Evansville Housing Authority will consider objective and reasonable aspects of the family's background, including but not limited to the following:
 - 1. History of meeting financial obligations, in general, and rent obligations in particular;

Where the individual has lived outside the local area, the Evansville Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
4. A home- Visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered

The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the

decision within 10 business days of the denial. The Evansville Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Evansville Housing Authority who will be known as the impartial arbiter and may be the person who made or approved the decision under review or subordinate of that person. The applicant must be given the opportunity to present written or oral objections to the Evansville Housing Authority's decision. The arbiter will conduct the informal review and decide the issue. The arbiter for the Evansville Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published as described in Section 4.0. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published as stated in Section 4.0.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file, unless determined to be inactive;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the Evansville Housing Authority and the applicant will be documented in the applicant file.

9.3 PURGING THE WAITING LIST

The Evansville Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Evansville Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.4 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Evansville Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Evansville Housing Authority will be sent a notice of termination of the process for eligibility.

The Evansville Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists

for missing an appointment, the Evansville Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Evansville Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Evansville Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Evansville Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Evansville Housing Authority will select families based on the following preferences within each bedroom size category:

- A. **Elderly/Disabled Family** (100 points)
- B. **Displaced person(s)**: Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster or otherwise formally recognized pursuant to Federal Disaster Relief Laws. (75 points)
- C. **Working Family**: Applicants with an adult family member enrolled in a **employment training program, currently working 20 hours a week**, or attending school on a full-time basis. (25 points)
- D. **Victims of Domestic Violence**. (25 points)
- E. **All other applicants**.

The date and time of application will be noted and utilized to determine the sequence within the above-described preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated as Elderly Only Housing: The Kennedy Tower, Buckner Tower, Schnute Apartments and White Oak Manor have been approved by HUD as being designated for elderly only. In filling vacancies in these development, first priority will be given to elderly families. If there are no elderly families on the lists, next priority will be given to the near-elderly. If there are no near-elderly, units will be offered to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated for Disabled Only Housing: The Fulton Terrace Gardens, Caldwell Terrace Gardens and Bellemeade Line have been approved by HUD as being designated for persons with disabilities only. In filling vacancies in these developments, first priority will be given to disabled families. If there are no disabled families on the list, next priority will be given to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families.

In determining bedroom size, the Evansville Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom.
- B. Children of the opposite sex, both under the age of 6 will share a bedroom.
- C. Adults and children will not be required to share a bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Evansville Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for two (2) or until the family size changes, whichever may occur first.

- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Evansville Housing Authority will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

10.3 SELECTION FROM THE WAITING LIST

The Evansville Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is Evansville Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Evansville Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis can be found in **Appendix 1**.

10.5 DECONCENTRATION INCENTIVES

The Evansville Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

When the Evansville Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Evansville Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Evansville Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Evansville Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the Evansville Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Evansville Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family may be allowed to receive a second offer. If the second offer is rejected the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Evansville Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit is established for all families and the near-elderly as **\$150.00, and \$75.00** for all elderly households. The Evansville Housing Authority may allow for one-half of the required

deposit and the remainder to be paid at a rate of not less than \$20.00 per month until the balance is paid in full if evidence of family financial hardship is demonstrated.

Security Deposits do not earn interest. The Evansville Housing Authority instead agrees to fund, annually, recognized Resident Councils activities in an amount based on the number of units in each development.

The Security Deposit will be returned, less any applicable charges, to the tenant after moveout, if the following conditions are met:

- a) There is no unpaid rent and/or charges for which the resident is liable under the lease or as a result of breaching the lease.
- b) The dwelling unit and all equipment are left clean, and all trash and debris have been removed by the family.
- c) There is no breakage or damage beyond that expected from normal wear and use.
- d) There was proper notice given under the lease and all keys issued have been returned to the management office when the family vacates the dwelling unit.
- e) All obligations under the lease have been fully performed.

The Security Deposit may not be used to pay charges during the tenant's occupancy. **The Evansville Housing Authority will also assess a reasonable pet deposit for the keeping of pets covered under the Evansville Housing Authority "Pet Policy."**

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the Evansville Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Evansville Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or

prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - 2. If the amount of welfare is reduced due to an act of **fraud by a family member** or because of any family member's **failure to comply** with requirements to participate in an economic self-sufficiency program or work activity, the amount of **rent required to be paid by the family will not be decreased.** In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 - 3. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted as income.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;

4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
 - i. Is authorized by a Federal, State or local law;
 - ii. Is funded by the Federal, State or local government;
 - iii. Is operated or administered by a public agency; and

- iv. Has as its objective to assist participants in acquiring employment skills.
 - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
 - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any family self-sufficiency program.
 - c. Families who are or were, within 6 months, assisted under a State TANF program.
12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

15. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:
- a. The value of the allotment of food stamps
 - b. Payments to volunteers under the Domestic Volunteer Services Act of 1973
 - c. Payments received under the Alaska Native Claims Settlement Act
 - d. Income from submarginal land of the U.S. that is held in trust for certain Indian tribes
 - e. Payments made under HHS's Low-Income Energy Assistance Program
 - f. Payments received under the Job Training Partnership Act

The Evansville Housing Authority will not provide exclusions from income in addition to those already provided for by HUD.

11.3 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;
- C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.
- D. For any elderly or disabled family:
 - 1. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;
 - 2. That has disability expenses greater than or equal to 3% of annual income, an allowance for disability assistance expenses computed in accordance with paragraph C, plus an allowance for medical expenses that equal the family's medical expenses;
 - 3. That has disability assistance expenses that are less than 3% of annual income, an allowance for combined disability assistance expenses and medical expenses that is equal to the total of these expenses less 3% of annual income.
- E. Child care expenses.

12.0 VERIFICATION

The Evansville Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Evansville Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Evansville Housing Authority will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Evansville Housing Authority has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Evansville Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Evansville Housing Authority will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Evansville Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Evansville Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Evansville Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Evansville Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least six (6) years of age must provide verification of their Social Security number. New family members at least six (6) years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the

first regular reexamination after turning six (6).

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Evansville Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Evansville Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Evansville Housing Authority will verify and update all information related to family circumstances and level of assistance.

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination.

Likewise, when a child turns six (6), their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income **reexamination process every three years**, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent **may request** to have a reexamination and return to the formula based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

13.2 THE FORMULA METHOD

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

The family will pay the greater of the total tenant payment or the minimum rent of **\$25.00** but never more than the flat rent.

In the case of a family who has qualified for the income exclusion at Section 11.2(H)(11),

upon the expiration of the 12-month period described in that section, an additional rent benefit accrues to the family. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received.

13.3 MINIMUM RENT

The Evansville Housing Authority has set the minimum rent at \$25.00. However if the family requests a hardship exemption, the Evansville Housing Authority will immediately suspend the minimum rent for the family until the Evansville Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program;
 2. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 3. When the income of the family has decreased because of changed circumstances, including loss of employment;
 4. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 5. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement

in accordance with the Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists. Reexams should be conducted every 90 days.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Evansville Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its condition, amenities, services, and neighborhood. The Evansville Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. The Evansville Housing Authority has to option to continue with the Flat Rent figures or adjust them according. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the recertification date for each affected family (for more information on flat rents, see Section 15.3).

The Evansville Housing Authority will post the flat rents at each of the developments and at the central office and are incorporated in this policy upon approval by the Board of Commissioners.

13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other

than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Evansville Housing Authority will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Evansville Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Evansville Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The Evansville Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Evansville Housing Authority will review the

actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's formula or flat rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Evansville Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant.

For Evansville Housing Authority paid utilities, the Evansville Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Evansville Housing Authority will be billed to the tenant monthly.

Families with high utility costs are encouraged to contact the Evansville Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

13.8 PAYING RENT

Rent and other charges are due and payable on the first (1st) day of the month. All rents should be paid at the Development Offices. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by the fifth (5th) of the month, a Notice of Lease Termination and Eviction for Non-Payment of Rent (**14 Day Notice to Vacate**) will be issued to the tenant. In addition, a \$20.00 late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$25.00 for processing costs. If the tenant has tendered a check for payment which is returned for insufficient funds the EHA may refuse to accept such form of payment in the future.

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight (8) hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 years of age or older
- B. Family members who are blind or disabled
- C. Family member who is the primary care giver for someone who is blind or disabled
- D. Family members engaged in a work activity
- E. Family members who are exempt from work activity under Part A Title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- F. Family members receiving assistance under a State program funded under Part A Title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

The Evansville Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Evansville Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Evansville Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin

upon the effective date of their first annual reexamination on or after October 1, 1999. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Evansville Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

14.5 THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Evansville Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work. Time sheets are due in by the last day of the month.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Evansville Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the administrative grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.

14.7 OPPORTUNITY FOR CURE

The Evansville Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the recertification of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Evansville Housing Authority shall take action to terminate the lease.

15.0 RECERTIFICATIONS

At least annually, the Evansville Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size. Families with an unstable income such as a business owner, temporary worker or those with zero income, shall be on a 90 day reexamination cycle.

15.1 GENERAL

The Evansville Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The

letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Evansville Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Evansville Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent
- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income **reexamination process every three years**, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the formula-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.

2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.
- F. The dates upon which the Evansville Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their recertification date, Evansville Housing Authority will send a reexamination letter to the family offering the choice between a flat or a formula rent. **The opportunity to select the flat rent is available only at this time.** At the appointment, the Evansville Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Evansville Housing Authority representative, they may make the selection on the form and return the form to the Evansville Housing Authority. In such case, the Evansville Housing Authority will cancel the appointment.

15.4 THE FORMULA METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Evansville Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

The family will pay the greater of the total tenant payment or the minimum rent of

\$25.00, but never more than the flat rent.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the recertification date with a thirty (30) days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the recertification date.

If the family caused the delay, then any increase will be effective on the recertification date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, all information involving the residents' income will be reviewed and verified.

Families are required to report any increase in income or decreases in allowable expenses between annual reexaminations. The **increases will not be computed until recertification.**

Families are required to report the following changes to the Evansville Housing Authority between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. All changes in income

In order to add a household member (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social

Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Evansville Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Evansville Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Evansville Housing Authority may schedule special reexaminations every ninety (90) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Evansville Housing Authority's deconcentration goal.
- F. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood. **(Not used for a Scattered Site transfer)**

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Evansville Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Evansville Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for two years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;
- D. The family is current in the payment of all charges owed the Evansville Housing Authority and has not paid late rent for at least one year;
- E. The family has passes housekeeping inspections and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers will be worked into new move-ins as quickly as possible, considering the workload of the Maintenance Department and the need to maintain a high level of occupancy.

Resident request for transfer must be made to the Property Manager and will be considered but due to the time and cost of renovating units they will normally not be granted unless compelling health reasons are present or the resident can show the move is necessary to meet the Occupancy Standards.

Required transfers will only be made within the same development or location, unless the required size does not exist. If the required size does not exist the Director of Management will review the case and may require the family to move to a different location, taking into account the needs and circumstances of the family. The development location will be based on vacancy rate of the chosen site.

The unit which the resident is leaving must be in good condition. The resident will be assessed for all damages. The resident will transfer at their own expense. No resident will be transferred whose unit shows a pattern of abuse or neglect.

Upon offer and acceptance of a unit, the family will execute all lease up documents and the family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both beyond the seven (7) days.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Evansville Housing Authority and the family rejects two offers without good cause, the Evansville Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Evansville Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per sleeping room.

- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Evansville Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Evansville Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Evansville Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Evansville Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Evansville Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Evansville Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE EVANSVILLE HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An Property Manager of the Evansville Housing Authority and the head of household will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Evansville Housing Authority file and a copy given to the family member. An authorized Evansville Housing Property Manager will inspect the premises at the time the resident vacates and will furnish a Request for Refund/Charges Due provided the resident turns in a Intent To Vacate. The resident's security deposit can be used to offset against any Evansville Housing Authority damages to the unit.

On a regularly scheduled basis, the Evansville Housing Authority shall conduct an inspection of the occupied unit. The written inspection report will serve as documentation in the determination of needed maintenance or repairs, to assess damage over and above the normal wear and use, and to determine that the family is maintaining the unit according to Authority standards. Failure to maintain the dwelling unit and premises in a safe, sanitary, and undamaged condition may result in lease termination. The appropriate two-day notice shall be given to the resident prior to the conduct of any inspection unless the resident is on a housekeeping addendum.

The series of inspections include but are not limited to Move-In, Annual, Preventative Maintenance, Housekeeping, Emergency, Pre-Move-out, Move-Out and Special Inspections.

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Evansville Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, age, sexual orientation, creed, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Evansville Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Evansville Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Evansville Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Evansville Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Evansville Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Evansville Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Evansville Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Evansville Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Evansville Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Evansville Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Evansville Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Evansville Housing Authority's business is housing. If the request would alter the fundamental business that the Evansville Housing Authority conducts, that would not be reasonable. For instance, the Evansville Housing Authority would deny a request to have the Evansville Housing Authority do grocery shopping for the person with disabilities.
2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Evansville Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Evansville Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Evansville Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Evansville Housing Authority's programs and services, the Evansville Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests will be borne by the Evansville Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Evansville Housing Authority will seek to have the same entity pay for any restoration costs.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.4 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS & PARTICIPANTS

The Evansville Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English to assist non-English speaking families. The following languages will be covered:

**French, Russian, Spanish, & German
May provide others as available.**

1.5 FAMILY/OWNER OUTREACH

The Evansville Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons, who cannot or do not read newspapers, the Evansville Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Evansville Housing Authority will also try to utilize public service announcements.

The Evansville Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The Evansville Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. Owners and managers participating in the Section 8 Program will participate in making this presentation. The briefing is intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities under the program guidelines: Emphasis is placed on quality screening and ways the Evansville Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Evansville Housing Authority staff.

The Evansville Housing Authority will particularly encourage owners of suitable units located outside of low-income or minority concentration to attend. Targeted mailing lists will be developed and announcements mailed.

1.6 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

1.7 PROCEDURE POLICY

The Leased Housing Department of the Housing Authority for the City of Evansville will utilize the standard operating procedure and administrative practices as approved by the Evansville Housing Authority's Board of Commissioners. The EHA will continue to implement new practices as mandated by the U. S. Department of Housing and Urban Development. These regulations and practices are available for public review for the EHA's administrative offices located at 500 Court Street, Evansville, IN 47708.

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also by any available minority media.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 ***TAKING APPLICATIONS***

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. Applications will be accepted only during advertised opening times and places.

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Evansville Housing Authority jurisdiction, the Evansville Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The Evansville Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

Applications may be made in person at the advertised location on advertised days.

Family members may apply for a client if they are handicapped, or unavailable.

The completed application will be dated and time stamped upon its return to the Evansville Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Evansville Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **812-428-8507**.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition and family unit size, racial or ethnic designation of the head of household, income category, and information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the families pre-application, the Evansville Housing Authority will make a preliminary determination of eligibility. The Evansville Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Evansville Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Evansville Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Evansville Housing Authority will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Section 8 Program.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file, unless determined to be inactive;
- B. All applications will be maintained in order of preference and then in order of date and time of application; and
- C. Any contact between the Evansville Housing Authority and the applicant will be documented in the applicant file.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be within 2 months of being offered assistance, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Evansville Housing Authority must notify the family in writing of this determination, and give the family the opportunity for an informal review.

Once the preference has been verified the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Evansville Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Evansville Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.6 PURGING THE WAITING LIST

The Evansville Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Evansville Housing Authority to update the information regarding address, family composition, income category and preferences.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Evansville Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
or
- C. The applicant does not meet either the eligibility or screening criteria for the program.

- J. Have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The Evansville Housing Authority may waive this requirement if:
 - 1. The person demonstrates to the Evansville Housing Authority's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3. The person has otherwise been rehabilitated successfully; or

- N. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).
- O. Have a family member who has been convicted of rape, murder and criminal confinement (Denied for life).

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Evansville Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Evansville Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Evansville Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Evansville Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 *INFORMAL REVIEW*

If the Evansville Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Evansville Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Evansville Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 *WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS*

The Evansville Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Evansville Housing Authority will use the assistance for those families.

5.2 *PREFERENCES*

The Evansville Housing Authority will select families from the waiting list based on the following preferences.

- A. **Involuntarily Displaced:** Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster, or otherwise formally recognized pursuant to the Federal Disaster Relief Laws. Victims of domestic violence, verified by documentation. (125)

- B. **Sub-standard Housing:** persons living in crowded or condemned homes. This includes homelessness or exceeding subsidy standards. (50)
- C. **50% for rent:** Client is paying more than 50% of their gross income for rent and utilities. (50)
- D. **Working:** Families in which the Head or Spouse is receiving wages from employment. (50)
- E. Tenants in the Evansville Housing Authority Public Housing Program who are required to move and who cannot be placed in another public housing unit. (10)
- F. All other applicants who do not meet the definitions in the other preference categories by time and date. (10)

5.3 SELECTION FROM THE WAITING LIST

Applicants will be selected from the waiting list based on a points and ranking system as outlined in Section 5.2. Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C, and so forth.

The date and time of application will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the Evansville Housing Authority retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Evansville Housing Authority will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Evansville Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Ordinarily, children of the same sex may share a bedroom.
- B. Children of the opposite sex, both under the age of six (6) will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster–adults and children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom (CFR 982.316).

The Evansville Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.

The family unit size will be determined by the Evansville Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller

size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING/ORIENTATION

When the Evansville Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing/orientation explaining how the program works. In order to receive a voucher the family is required to attend the briefing/orientation. If they cannot attend the originally scheduled briefing/orientations, they may attend a later session. If the family fails to attend two briefings/orientations without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing/orientation, the Evansville Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing/orientation due to a disability may request a reasonable accommodation such as having the briefing/orientation presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Evansville Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Evansville Housing Authority's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families; and
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income.

6.2 PACKET

During the briefing/orientation, the Evansville Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the voucher and the Evansville Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Evansville Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard and the utility allowance schedule;
- D. How the Evansville Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how portability works;
- F. The HUD-required tenancy addendum;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;
- H. A statement of the Evansville Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Evansville Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses.;
- I. The Evansville Housing Authority's subsidy standards, including when the Evansville Housing Authority will consider granting exceptions to the standards;
- J. The HUD brochure on how to select a unit ("A Good Place to Live");
- K. The HUD-required lead-based paint brochure;
- L. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form and the location of how and where to submit the information;
- M. A list of landlords or other parties known to the Evansville Housing Authority who may be willing to lease a unit to the family or help the family find a unit;
- N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the Evansville Housing Authority that may be available;
- O. The family's obligations under the program;

- P. The grounds upon which the Evansville Housing Authority may terminate assistance because of the family's action or inaction;
- Q. Evansville Housing Authority informal review/hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- R. The Evansville Housing Authority owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program.

6.3 *ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY*

Beginning August 12, 1999, the Evansville Housing Authority will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 21.0 Transition to the New Housing Choice Voucher Program.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefings/orientation, the Evansville Housing Authority will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a proposal to lease and the request for approval of the tenancy form. The family will submit the proposal to lease and the request form to the Evansville Housing Authority. The Evansville Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Evansville Housing Authority will schedule an appointment to inspect the unit within fifteen (15) days after the receipt of inspection request from the caseworker. The Evansville Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

Upon request by the new landlord, the Evansville Housing Authority will provide the prospective owner with briefing/orientation and information regarding the program. Information will include Evansville Housing Authority and owner responsibilities for screening and other essential program elements. The Evansville Housing Authority may provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner.

6.4 *TERM OF THE VOUCHER*

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Evansville Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts may be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Evansville Housing Authority may grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Evansville Housing Authority will grant an extension allowing the family the full 120 days search time. If the Evansville Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Evansville Housing Authority is taking action on their request. A family may not submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. The client must provide EHA with written documentation from the initial Landlord stating that the client is no longer interested in the unit.

6.5 APPROVAL TO LEASE A UNIT

The Evansville Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Evansville Housing Authority and passes HQS;
- C. The lease is approvable and includes the language of the tenancy addendum;
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income;
- F. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Evansville Housing Authority; and
- G. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Evansville Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Evansville Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Evansville Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income;
- C. The landlord and tenant sign the lease to include the HUD required addendum;
and
- D. The Evansville Housing Authority approves the leasing of the unit.

When the unit is approved for tenancy the Evansville Housing Authority will prepare the contract and the HUD required tenancy addendum. Upon the signing of the contract by the Landlord and the lease addendum by both the Landlord and tenant the contract will be executed and the first Housing Assistance Payment will be issued. Please note that the Evansville Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Evansville Housing Authority will not pay housing assistance to the owner.

6.6 EVANSVILLE HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD. The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;

- E. The owner has a history or practice of renting units that fail to meet State or local codes; or
- F. The owner has not paid State or local real estate taxes, fines, or assessments.
- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by tenants, Evansville Housing Authority employees or owner employees; or
 - 2. residences by neighbors;
- H. Other conflicts of interest under Federal, State, or local law.

6.7 *INELIGIBLE/ELIGIBLE HOUSING*

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The Evansville Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing

- B. Group homes
- C. Shared housing
- D. Single room occupancy housing

The Evansville Housing Authority will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals
- E. House boats

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease by written documentation, or if the Housing Authority has terminated the HAP contract. The Evansville Housing Authority will issue the family a new voucher if the family does not owe the Evansville Housing Authority or any other Housing Authority money, has not violated a Family Obligation, has not moved or been issued a certificate or voucher within the last 12 months, and if the Evansville Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived. The first letter of referral of good standing will be used for portable/moves.

7.1 WHEN A FAMILY MAY MOVE

For families already participating in the Certificate and Voucher Program, the Evansville Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated and 30 day written notice is given to the EHA and the Landlord;
- B. The owner has given the tenant a 30 day written notice to vacate, with a copy to the EHA, and has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant; or
- C. The tenant has given a 30 day written notice of lease termination with a copy to the EHA.(if the tenant has a right to terminate the lease on notice to the owner).

7.2 PROCEDURES REGARDING FAMILY MOVES

Families considering transferring to a new unit will be required to meet with the caseworker and review an orientation packet. All families who are moving, including any families moving into or out of the Evansville Housing Authority's jurisdiction, will be required to attend a mover's briefing/orientation prior to the Evansville Housing Authority entering a new HAP contract on their behalf.

This briefing/orientation is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income;
- E. Portability requirements and opportunities;
- F. The need to have a reexamination conducted within 120 days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper 30 day written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Evansville Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Evansville Housing Authority a copy of the written notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Evansville Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Evansville Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 *GENERAL POLICIES OF THE EVANSVILLE HOUSING AUTHORITY*

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the Evansville Housing Authority at the time the family first submits its application for participation in the program to the Evansville Housing Authority may lease a unit anywhere in the jurisdiction of the Evansville Housing Authority or outside the Evansville Housing Authority jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the Evansville Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Evansville Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Evansville Housing Authority.

Families participating in the Voucher Program may not be allowed to move more than once in any 12-month period and under no circumstances will the Evansville Housing

Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Evansville Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

If a family has moved out of their assisted unit in violation of the lease, the Evansville Housing Authority will not issue a voucher, and will terminate assistance in compliance with Section 17.0, Grounds for Termination of the Lease and Contract. (Refer to section 2.3 – H of this document)

8.2 INCOME ELIGIBILITY

A. Admission

A family must be income-eligible in the area where the family first leases a unit with assistance in the Voucher Program.

B. If a portable family is already a participant in the Initial Housing Authority's Voucher Program, income eligibility is not re-determined prior to porting.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.

B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

A. When the Evansville Housing Authority is the Initial Housing Authority:

1. The Evansville Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.

2. The Evansville Housing Authority will determine whether the family is income-eligible in the area where the family wants to lease a unit (if applicable).

3. The Evansville Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority.
4. The Evansville Housing Authority will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family.
5. The Evansville Housing Authority will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and related verification information.

B. When the Evansville Housing Authority is the Receiving Housing Authority:

1. When the portable family requests assistance from the Evansville Housing Authority, the Evansville Housing Authority will within ten (10) calendar days inform the Initial Housing Authority whether it will bill the Initial Housing Authority for assistance on behalf of the portable family, or absorb the family into its own program. When the Evansville Housing Authority receives a portable family, the family will be absorbed if funds are available and a voucher will be issued.
2. The Evansville Housing Authority will issue a voucher to the family. The term of the Evansville Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's voucher. The Evansville Housing Authority will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the Evansville Housing Authority during the term of the Evansville Housing Authority's voucher.
3. The Evansville Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Evansville Housing Authority's subsidy standards.
4. The Evansville Housing Authority will within ten (10) calendar days notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.
5. If the Evansville Housing Authority opts to conduct a new reexamination, the Evansville Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.
6. In order to provide tenant-based assistance for portable families, the Evansville Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At

any time, either the Initial Housing Authority or the Evansville Housing Authority may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.

C. Absorption by the Evansville Housing Authority

1. If funding is available under the consolidated ACC for the Evansville Housing Authority's Voucher Program when the portable family is received, the Evansville Housing Authority will absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the Evansville Housing Authority's Tenant-Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
 - a. As the Initial Housing Authority, the Evansville Housing Authority will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
 - b. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

To determine annual income, the Evansville Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Evansville Housing Authority subtracts out all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

B. Annual income includes, but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment

is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
6. Welfare assistance.
 - a. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - b. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the

family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.

- c. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted.
- 7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- 8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

Annual income does not include the following:

- A. Income from employed children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses;
- D. Amounts received by the family that is specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and

benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiative coordination. No resident may receive more than one such stipend during the same period of time;
5. 9.4 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent
- B. \$400 for any elderly family or disabled family
- C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.
- D. For any elderly or disabled family:
 - 1. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;
 - 2. That has disability expenses greater than or equal to 3% of annual income, an allowance for disability assistance expenses computed in accordance with paragraph C, plus an allowance for medical expenses that equal the family's medical expenses;

10.0 VERIFICATION

The Evansville Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's

certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Evansville Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Evansville Housing Authority will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the Evansville Housing Authority has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Evansville Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Evansville Housing Authority will send a request form to the source along with a release form signed by the applicant/participant via first class mail.

10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/ eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as Social Security card, birth certificate, military ID or military DD 214 Form.)

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Evansville Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Evansville Housing Authority also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Evansville Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible non-citizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Evansville Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Evansville Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security Number they will be required to sign a statement to this effect. The Evansville Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within sixty (60) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Evansville Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

After August 12, 1999, the Evansville Housing Authority will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. Certificates currently held will continue to be honored until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete (see Section 21.0 for additional guidance).

11.2 RENT REASONABLENESS

The Evansville Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If 60 days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Evansville Housing Authority or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Evansville Housing Authority will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Evansville Housing Authority will consider the location, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Evansville Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Evansville Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 *MAXIMUM SUBSIDY*

The Fair Market Rent (FMR) or Payment Standard published by HUD (requested by the Evansville Housing Authority and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the Certificate Program, the FMR/exception rent limit is the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete.

For the Voucher Program, the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the payment standard may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

HUD requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR. The Evansville Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Evansville Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Evansville Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 - 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- C. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- D. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the **next annual reexamination**.

11.4.3 Area Exception Rents

The following may be considered on a yearly basis:

- A. In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment

standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types.

- B. When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.
- C. The Evansville Housing Authority chooses not to allow exception rents for the 2001-2002 service year.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

- 1. 10% of monthly income
- 2. 30% of adjusted monthly income
- 3. Minimum rent (\$25.00)
- 4. The welfare rent

Plus any rent above the payment standard.

B. Minimum Rent.

The Evansville Housing Authority has set the minimum rent as \$ 25.00. However, if the family requests a hardship exemption, the Evansville Housing Authority will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

- 1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program;

- b. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment;
 - d. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 - e. When a death has occurred in the household or immediate family.
2. No hardship. If the Evansville Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
 3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.
 4. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
 5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Merged Vouchers

1. The payment standard is set by the Evansville Housing Authority between 90% and 110% of the FMR or higher or lower with/without HUD approval.
2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.

3. No participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly-adjusted income.

D. Section 8 Preservation Vouchers

1. Payment Standard

- a. The payment standard is the lower of:

- i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.

- b. If the dwelling unit is located in an exception area, the Evansville Housing Authority will use the appropriate payment standard for the exception area.

- c. During the HAP contract term, the payment standard for the family is the higher of :

- i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.

- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:

- i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.

2. The Evansville Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:

- a. The payment standard minus the total tenant payment; or
- b. The gross rent minus the total tenant payment.

E. Manufactured Home Space Rental: Section 8 Vouchers

1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for tenant paid utilities.
3. The participant pays the rent to owner less the HAP.
4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

F. Rent for Families under the Non-citizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;
2. The family was granted continuation of assistance before November 29, 1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The Evansville Housing Authority will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Evansville Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).
3. The prorated tenant rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Evansville Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Evansville Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Evansville Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and

any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Leased Housing Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most currently revised utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the Evansville Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Evansville jurisdiction.

11.8 CHANGE OF OWNERSHIP

The Evansville Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Evansville Housing Authority's rent payment or the address as to where the rent payment should be sent.

In addition, the Evansville Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Evansville Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The Evansville Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Evansville Housing Authority will use regulations from HUD, Federal and local law as well as manufacturers requirements. These regulations may be referred to in the 1999 Section 8 Admin Plan. All regulations applied will be done so in a manner which promotes safe and decent housing.

The Evansville Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. In cases of emergency, notice may not be required. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and calls to reschedule the inspection within seven (7) days, the inspection will be rescheduled. If the family misses two inspections, the Evansville Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated. Excessive rescheduling will not be tolerated.

12.1 TYPES OF INSPECTIONS

There are several types of inspections the Evansville Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to ensure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the EHA receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e. HUD, needing to view the unit.

- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- G. Quality Control Inspection - Supervisory inspections on at least 5% of the total number of units that were under lease during the Housing Authority's previous fiscal year.

12.2 OWNER AND FAMILY RESPONSIBILITY

A. Owner Responsibility for HQS

1. The owner must maintain the unit in accordance with HQS.
2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Evansville Housing Authority will take prompt and vigorous action to enforce the owner obligations. The Evansville Housing Authority's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
3. The Evansville Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Evansville Housing Authority and the Evansville Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within 30 days. The EHA may approve extension of the deadline for corrections of defects.
4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the Evansville Housing Authority may abate or terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;

- b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.
- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-base paint: A type of paint identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm^2), or 0.5 % by weight or 5000 parts per million (PPM).
- g. Clearance Test: A test involving testing for the settled dust for lead contamination also hazard control work and ensuring that fine particles of lead in dust have been removed.
- h. Minimal Amount of Deterioration: An amount no more than 20 sq. ft on exteriors, no more than 2 sq. ft. on interiors, and no more than 10 % of trim areas of a unit.

- j. Lead-based Paint Hazard: Any deteriorated lead-base paint; lead-base paint on friction surfaces, impact surfaces and accessible (chewable) surfaces; and dust and soil that is contaminated with lead above specified standards. The friction, impact and/or chewable surfaces must show sign of abrasion, damage or teeth marks to be considered hazardous.

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Base Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-base paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part), must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Authority may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-base paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.
- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority

notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.

- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.
- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and

- iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the housing authority may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph k of this Section.
- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
 - i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.
 - iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint

spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.

- iv. During exterior treatment soil and playground equipment must be protected from contamination.
- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a certificate or voucher to move.
- o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards

prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.

3. Lead-base Paint Hazard Control

Lead-base paint hazard control may include the following:

- Stabilization of any deteriorated paint, including correction of any moisture leaks or other obvious causes of paint deterioration, as well as repainting (paint stabilization is not required if the paint is tested and found not to be lead-base paint);
- “Clearance” following paint stabilization to ensure that there has been satisfactory cleanup of dust, paint chips and other debris (clearance includes scientific testing of settled dust for lead); and
- Ongoing maintenance of the paint to ensure that the housing remains safe.

Another set of requirements may include:

- A risk assessment to identify lead-based paint hazards,
- Interim control measures to eliminate any hazards that are identified,
- Clearance, and
- Ongoing maintenance and periodic reevaluation to ensure that lead-based paint hazards do not reappear.

4. Lead-base Paint Exclusions

The following properties are not to be included in the lead-base paint hazard control requirements.

- Housing built after January 1, 1978 (when lead paint was banned for residential use)
- Housing exclusively for the elderly or people with disabilities, unless a child under age 6 is expected to reside there
- Zero bedroom dwellings, including efficiency apartments, single-room occupancy housing, dormitories, or military barracks

- Property that has been found to be free of lead-base paint by a certified lead-base paint inspector
- Property where all lead-base paint has been removed
- Unoccupied housing that will remain vacant until it is demolished
- Non-residential property
- Any rehabilitation or housing improvement that does not disturb a painted surface

Also, emergency repair actions needed to safeguard against imminent danger to human life, health or safety, or to protect property from further structural damage are exempted.

5. HQS Requirements of Included Units

HQS requirements regarding included units in the lead-base paint regulations are as follows:

- Visual assessment.
- Paint stabilization.
- Notice to occupants.
- Ongoing LBP maintenance.
- Response to EBL child.

6. Exits must be free of debris.
7. At the discretion of the Inspector or the Leased Housing Director, the EHA may require additional maintenance/service for issues that effect the health and the well-being of the family and the community.

8. Tripping hazards inside or outside of the unit are not permitted.

9. General Rule of Inspection:

If an appliance or other device is provided for the unit at the time of the initial lease, it must be in proper working order and in compliance with manufacturers instructions as well as HUD, Federal, Local and State laws.

Where necessary, the EHA will gain approval for the use of acceptability criteria which are based on federal, state and local codes, or national standards that satisfy the purpose of HQS. These include but are not limited to: HUD Housing Inspection Manual – Section 8 Existing Housing Program, The City of Evansville Council of American Building Officials regulations guide.

12.5 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

The Evansville Housing Authority will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the Evansville Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given 10 (ten) but no more than 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed on the program until the unit meets the HQS requirements.

Annual Inspections will be conducted on all leased housing units. The client and landlord will be sent notification of the time and date within a reasonable timeframe.

After the annual inspection is completed, the client and landlord will be sent a letter listing the required repairs and the time and date of the follow-up inspection. The follow-up inspection will be scheduled no earlier than thirty (30) days from the original annual inspection.

If the unit passes the annual inspection, no follow-up inspection is required.

Landlords are requested to be present at all annual inspections.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item list below), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given ten (10) days but no more than 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Evansville Housing Authority will abate payment and terminate the contract in accordance with Sections 12.7 and 17.0(B)(3).

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Evansville Housing Authority will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0(B)(3).

C. Time Frames for Corrections

1. Emergency repair items must be corrected within 24 hours.
2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be completed within 72 hours.
3. Non-emergency items must be completed within 10 days of the initial inspection.
4. For major repairs, the owner will have up to 30 days to complete.

D. Extensions

At the sole discretion of the Evansville Housing Authority, extensions of up to 30 days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 60 days after the initial inspection date, the Evansville Housing Authority will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate

extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.6 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be corrected within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety
- M. Smoke detectors not working properly or not present.

12.7 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within the required timeframe, the rent for the dwelling unit will be abated.

The initial abatement period will not exceed 7 days. If the corrections of deficiencies are not made within the 7-day timeframe, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected, the Evansville Housing Authority will end the abatement the day the unit passes inspection. Rent will resume the following day and be paid the first day of the next month.

For tenant caused HQS deficiencies, the tenant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the Evansville Housing Authority will send a 30 day written notice of termination to both the tenant and the owner. The tenant will be given the opportunity to request an informal hearing.

13.0 OWNER CLAIMS FOR DAMAGES, UNPAID RENT, AND VACANCY LOSS AND PARTICIPANT'S INSUEING RESPONSIBILITIES

This Section only applies to HAP contracts in effect before October 2, 1995. Certificates have a provision for damages, unpaid rent, and vacancy loss. Vouchers have a provision for damages and unpaid rent. No vacancy loss is paid on vouchers. No Damage Claims will be processed unless the Evansville Housing Authority has performed a move-out inspection and it is required in the lease that EHA do so. Either the tenant or the owner can request the move-out inspection. Ultimately, it is the owner's responsibility to request the move-out inspection if he/she believes there may be a claim.

Damage claims are limited in the following manner:

- A. In the Certificate Program, owners are allowed to claim up to two (2) months contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease.
- B. In the Voucher Program, owners are allowed to claim up to one (1) month contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease. There will be no payment for vacancy losses under the Voucher Program.
- C. No damage claims will be paid under either program effective on or after October 2, 1995.

13.1 OWNER CLAIMS FOR PRE-OCTOBER 2, 1995, UNITS

In accordance with the HAP contract, owners can make special claims for damages, unpaid rent, and vacancy loss (vacancy loss can not be claimed for vouchers) after the tenant has vacated or a proper eviction proceeding has been conducted.

Owner claims for damages, unpaid rent, and vacancy loss are reviewed for accuracy and completeness. Claims are then compared to the move-in and move-out inspections to determine if an actual claim is warranted. No claim will be paid for normal wear and tear. Unpaid utility bills are not an eligible claim item.

The Evansville Housing Authority will make payments to owners for approved claims. It should be noted that the tenant is ultimately responsible for any damages, unpaid rent, and vacancy loss paid to the owner and will be held responsible to repay the Evansville Housing Authority to remain eligible for the Section 8 Program.

Actual bills and receipts for repairs, materials, and labor must support claims for damages. The Evansville Housing Authority will develop a list of reasonable costs and charges for items routinely included on damage claims. This list will be used as a guide.

Owners can claim unpaid rent owed by the tenant up to the date of HAP termination.

In the Certificate Program, owners can claim for a vacancy loss as outlined in the HAP contract. In order to claim a vacancy loss, the owner must notify the Evansville Housing Authority immediately upon learning of the vacancy or suspected vacancy. The owner must make a good faith effort to rent the unit as quickly as possible to another renter.

All claims and supporting documentation under this Section must be submitted to the Evansville Housing Authority within thirty (30) days of the move-out inspection. Any reimbursement shall be applied first towards any unpaid rent. No reimbursement may be claimed for unpaid rent for the period after the family vacates.

13.2 PARTICIPANT RESPONSIBILITIES

If a damage claim or unpaid rent claim has been paid to an owner, the participant is responsible for repaying the amount to the Evansville Housing Authority. This shall be done by either paying the full amount due immediately upon the Evansville Housing Authority requesting it or through a Repayment Agreement that is approved by the Evansville Housing Authority.

If the participant is not current on any Repayment Agreements or has unpaid claims on more than one unit, the participant shall be terminated from the program. The participant retains the right to request an informal hearing.

14.0 RECERTIFICATION

14.1 ANNUAL REEXAMINATION

At least annually the Evansville Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Evansville Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The

letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Evansville Housing Authority will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 day notice of the amount. If the new rent is a reduction and the delay

is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Evansville Housing Authority taking action to terminate the family's assistance.

14.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Evansville Housing Authority

between regular reexaminations. These changes will trigger an interim reexamination.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Family break-up

In circumstances of a family break-up, the Evansville Housing Authority will make a determination of which family member will retain the certificate or voucher, taking into consideration the following factors:

1. To whom the certificate or voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Evansville Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Evansville Housing Authority will make determinations on a case by case basis.

The Evansville Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.3.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for

applicants. The Evansville Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Evansville Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Evansville Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Evansville Housing Authority may schedule special reexaminations every 60 days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner (within ten (10) business days from the date of the change), the change will be effective the first of the month after the rent amount is determined.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE EVANSVILLE HOUSING AUTHORITY

The Housing Authority may at any time terminate program assistance for a participant, because of any of the actions or inaction by the household:

- A. If the family violates any family obligations under the program.

- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the Evansville Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Authority has ever terminated assistance under the Certificate or Voucher Program for any member of the family.
- F. If any member of the family commits drug-related criminal activity, or violent criminal activity.
- G. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- H. If the family currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.
- I. If the family has not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- J. If the family breaches an agreement with the Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority. (The Housing Authority, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority. The Housing Authority may prescribe the terms of the agreement.)
- K. If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.
- L. If the family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel.
- M. If any household member is subject to a lifetime registration requirement under a State sex offender registration program.

- N. If a household member's illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the Evansville Housing Authority to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The Evansville Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The Evansville Housing Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

16.2 INFORMAL REVIEW FOR THE APPLICANT

A. Informal Review for the Applicant

The Evansville Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Evansville Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The Evansville Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Evansville Housing Authority subsidy standards.
2. A Evansville Housing Authority determination not to approve an extension or suspension of a certificate or voucher term.
3. A Evansville Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A Evansville Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.

5. A Evansville Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the Evansville Housing Authority.

C. Informal Review Process

The Evansville Housing Authority will give an applicant an opportunity for an informal review of the Evansville Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the Evansville Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the Evansville Housing Authority decision.
3. The Evansville Housing Authority will notify the applicant of the Evansville Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In

determining whether to terminate assistance for these reasons the Evansville Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the Evansville Housing Authority provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The Evansville Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following Evansville Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and Evansville Housing Authority policies:

B. When a Hearing is not Required

The Evansville Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

- 1. Discretionary administrative determinations by the Evansville Housing Authority.
- 2. General policy issues or class grievances.
- 3. Establishment of the Evansville Housing Authority schedule of utility allowances for families in the program.
- 4. A Evansville Housing Authority determination not to approve an extension or suspension of a certificate or voucher term.
- 5. A Evansville Housing Authority determination not to approve a unit or lease.
- 6. A Evansville Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the Evansville Housing Authority will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)

7. A Evansville Housing Authority determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the Evansville Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c), of this Section, the Evansville Housing Authority will notify the family that the family may ask for an explanation of the basis of the Evansville Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Evansville Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:

The family will be allowed to copy any such document at the family's expense. If the Evansville Housing Authority does not make the document(s) available for examination on request of the family, the Evansville Housing Authority may not rely on the document at the hearing.
 - b. The Evansville Housing Authority will be given the opportunity to examine, at the Evansville Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The Evansville Housing Authority will be allowed to copy any such document at the Evansville Housing Authority's expense. If the family does not make the document(s) available for

examination on request of the Evansville Housing Authority, the family may not rely on the document at the hearing.

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the Evansville Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.
- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the Evansville Housing Authority hearing procedures.

4. Evidence

The Evansville Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The Evansville Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the Evansville Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Evansville Housing Authority hearing procedures.

- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Evansville Housing Authority determines that it is not bound by a hearing decision, the Evansville Housing Authority will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Evansville Housing Authority will consider evidence of whether the household member:

- 1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
- 2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
- 3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the Evansville Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Evansville Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Evansville Housing Authority after the first year of the lease. The length of the notice that is required is stated in the lease (generally 30 days).

2. By the owner.

a. The owner may terminate the lease during its term on the following grounds:

- i. Serious or repeated violations of the terms or conditions of the lease;
- ii. Violation of Federal, State, or local law that impose obligations on the tenant in connection with the occupancy or use of the unit and its premises;
- iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons residing in the immediate vicinity of the premises;

- iv. Any drug-related criminal activity on or near the premises;
- v. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.

b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.

c. The owner may only evict the tenant by instituting court action. The owner must give the Evansville Housing Authority a copy of any owner eviction notice to the tenant at the same time that the owner gives the notice to the tenant.

d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

3. Termination of the Lease by mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Automatic termination of the Contract

a. If the Evansville Housing Authority terminates assistance to the family, the contract terminates automatically.

- b. If the family moves out of the unit, the contract terminates automatically.
- c. The contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with lease and State and local law.

3. Termination of the HAP contract by the Evansville Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.
- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. The unit is larger than appropriate for the family size or composition under the regular Certificate Program.
- d. When the family breaks up and the Evansville Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
- e. The Evansville Housing Authority determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- f. The owner has breached the contract in any of the following ways:

Board of Commissioners Chairman Jack Buttrum called the Public Hearing to order at 4:30 P. M. Chairman Buttrum then turned meeting over to Executive Director Paul Fletcher.

Mr. Fletcher explained the Annual Report and 5-Year Plan to those in attendance. He said that each year the Annual Report must be done and a public hearing must be conducted. He said to keep in mind that this plan was not set in concrete but was changeable. He then invited comments from the audience.

Steve Culley, Indiana Legal Services Organization took the floor. He presented a list of questions. They are as follows, with comment:

- How is Self-Sufficiency Program working? Ken Colbert responded that there are 40 slots in FSS program and EHA has 40 participants. Participants must be employed. Steve questioned if a person on Section 8 gets a job, can they participate in program. Ken said if there is an opening and they otherwise qualify.
- Steve Culley asked about "work disregards". He referred to Section 14.2, Interim re-exams, of the Section 8 Administrative Plan. It states that participants do not have to report changes in income other than at recertification time. Ken said changes in income have been reported in the past but Paul Fletcher responded that we are now heading in the direction of only reporting during recertification. He said reporting changes in income at other times of the year is a disincentive to finding jobs.
- Steve Culley requested that EHA be consistent between public housing and Section 8 programs as to the time limits as pertains to Tenant Screening/Crime and Drug Related Activity. EHA agreed to take a look at this issue.
- Steve Culley asked if minimum rents had been established. Mike Bean answered that yes, they had.
- Tracy Kinney introduced herself as the Interim Executive Director of HOPE of Evansville and said she looks forward to working with EHA. She said the housing choice vouchers were a good thing.
- Debra Switzer, Habitat of Evansville, inquired about assisted living. She thinks it is a good idea and looks forward to EHA doing a project. Paul Fletcher said there are several models nationwide that we will look at for people to "Age in place".
- Fulton Square resident Carmen Ladson said she works for RMC (Resident Management Corporation) and was at meeting to "see what was going on with EHA". She said she is a veteran and is looking forward to buying a home. Mike Bean said he would speak with her

after meeting and give all the information she would need to begin the process.
