5-YEAR PLAN
PHA FISCAL YEARS 2000 - 2004
[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction (selection of the choices below)

The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

_____ The PHA's mission is: (state mission here)

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own,

PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.

Quantifiable measures: Expand the supply of assisted housing families served or PHAS scores

Objectives:

_____ Apply for additional rental vouchers:

_____ Reduce public housing vacancies:

Leverage private or other public funds to create additional housing opportunities: This HOPE program-transitional housing has become a reality. The ministerial association in our city has as one of its mission programs in addition to the Morrisett Center. The association has purchased this home with the donation of a church member to be used as transition housing for someone who has been made homeless due to fire, flood or some catastrophe. The qualifications for entering this program have been set up by a committee of the association. The housing authority will be a source for this project. This will be a short term, immediate help type of housing-but needed. The Morrisette Center houses the Madison County Division of Family and Children satellite office in Elwood. A food pantry. A satellite office of the county Salvation Army. This is almost a one stop shop for help. Our office and the township trustee's office are just down the street which not too much traveling has to be done.

_____ Acquire or build units or developments

Other (list below) Expand to communities for quality bedroom housing

The new administration has asked me not to expand the program beyond the amount we now have.

Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections) voucher unit inspections has been a big issue with us. This being addressed as a no. 1 priority.

 Implement public housing site-based waiting lists:
 Convert public housing to vouchers:
 Other: (list below)

HUD Strategic Goal: Improve community quality of life and economic vitality

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.
(1) Strategies
Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Select all that apply
- Employ effective maintenance and management policies to minimize the number of public housing units off-line
 - Reduce turnover time for vacated public housing units
 - Reduce time to renovate public housing units
 - Seek replacement of public housing units lost to the inventory through mixed finance development
 - Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
 - Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
 - Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
 - Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
 - Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
 - Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
 - Other (list below) We have gone to other localities to get quality affordable

housing. Funding still is a major problem.

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance. This is being done.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below) To promote and encourage adult education for better skills in the work market.

B. Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Affirmatively market to local non-profit agencies that assist families with disabilities Salvation Army and Job Source do help with handicapped services. Owners will build ramps etc. to make units handicapped accessible.
- Other: (list below) Two apartments in Elwood Arms are total handicapped accessible and these can be used.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below) Again we do not have certain areas of poverty. Landlords will rent to HUD participants in all areas of the community. Our greatest problem is what the general population conceives as a HUD tenant. We are trying to change this idea, but some things cannot be changed.
