Deconcentration Policy : Taken from P.21 of ACOP, Section 10.4

It is Housing Authority of Pikeville's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority of Pikeville will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered towards lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income level of families in each of our developments, the income level of census tracts in which our developments are located, and the income level of families on our waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

Deconcentration Questions:

Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule?

Yes

Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments?

No

Resident Advisory Committee(RAC) Narrative:

The Housing Authority of Pikeville formed a Resident Advisory Committee (RAC) by sending out memo's asking residents to be involved in the process. The following residents are members of the RAC:

Dorothy Sykes	Hames Park
Jewell Fraganeno	Hames Park
Mae Fields	Myers Towers
Verlin Sullivan	Myers Towers
Lisa Yates	Section 8 Voucher
Linda Branham	Fairview Court

Sean Gilbert, Executive Director, also attended all meetings.

Meetings were held in. The RAC reviewed the Annual Plan and liked the direction of the Plan. No comments were received.

A public hearing was scheduled for December 10, 2001.

ROSS and EDSS grant program reports are applicable and on display in the main office.

Resident Community Service Policy Narrative:

We require all adult family members to contribute eight (8) hours of community service per month or to participate in an economic self-sufficiency program. There are a variety of exemptions. The Housing Authority posts volunteer opportunities and monitors progress at annual recertifications. All non-compliant tenants are given an opportunity to cure if it is determined they have not been compliant. All lease changes have been made and policy approved as part of our ACOP.

Pet Policy Narrative:

Residents are allowed a domesticated animal as a pet. No animal may exceed thirty (30) pounds and must be neutered. A refundable security deposit in the amount of \$250 or one (1) month's rent, whichever is greater is required.

Statement of Progress in Meeting 5 - Year Plan Mission and Goals:

The HAP is meeting its 5 - Year Plan Mission and Goals. We are very close to being a high performer and our waiting list has increased in size from this time last year. Our crime levels are no higher than surrounding areas and we are screening stringently to decrease evictions due to violations of criminal law. Therefore, we appear to be making good progress towards meeting our mission and goals.

Resident Membership on Governing Body:

Dorothy Sykes

Definition of Substantial Deviation from 5 - Year Plan:

A substantial deviation would be a policy that would change the direction of the HAP or change the direction of the organization in an adverse relationship to our mission and/or our goals.

Significant Amendment or Modification of the Annual Plan:

We will define "Significant Amendment or Modification" of the Annual Plan as:
