- Other: (list below)

Other PHA Goals and Objectives: (list below)

The Agency has undergone several changes in FY01 that will affect its overall goals and strategy. The Agency has a new executive director as well as a finance manager. It has also employed an administrative assistant and an additional part time Section 8 HQS inspector. Many new goals and initiatives have been set by the current administration. The first primary goal has been to increase Section 8 utilization to 100%, that goal has been accomplished. The poor SEMA Prating for each of the authorities that are now combined was due to total under utilization. With that very basis of the agency now under control, it can move on toward goals of homeownership and single family home construction.
