5-YEAR PLAN
PHA FISCAL YEARS 2002 - 2006
[24 CFR Part 903.5]

A. Mission

To promote and maintain affordable rental and home-ownership housing opportunities that are well-designed and consistent with market standards, cost effective to maintain, and provide a residential environment for households and individuals of low and moderate income that is supportive of household economic development, household independence and integrated in all senses of the term.

B. Goals

1. **Continue to strive to meet local housing needs, through community partnerships:**

A. It is a goal of the Peabody Housing Authority to continue to evaluate the housing needs of its community on a periodic basis through its continued involvement with community leaders and planners. The Peabody Housing Authority will seek funding available through State, Federal and private sources, which would provide rental assistance or affordable homeownership opportunities. The Authority will review and consider any and all housing initiatives, endeavors or partnerships presented by other public and private entities as they are presented, to determine if they are appropriate and consistent with the City of Peabody's and Authority's goals and objectives.

2. **Increase voucher payment standards and encourage more landlords in Peabody to participate in the Section 8 Program**

A. The Authority will utilize a voucher payment standard between 90 - 110% in order to provide a wider housing choice for participants in Peabody. The Authority will also research its options to obtain permission from HUD to enter into HAP agreements at up to 120% of the payment standard in one or more of the census tracts in the community.

B. The Authority will work with real estate agents, the Chamber of Commerce, lending institutions and other local organizations to encourage landlords to participate in the Section 8 Program.

C. Establish a Shared Housing Program as permitted under Section 8 Program Regulations which permits the Authority to provide rental assistance at the bedroom level. This should assist elders and certain individuals with a disability in finding and/or remaining in supportive housing situations.

3. Develop a Section 8 Voucher Homeownership Program:

- A. The Authority will begin efforts to develop a partnership with local lending institutions subject to Community Reinvestment Act (CRA) requirements to design a program whereby participants in the PHA's Section 8 Program can enter a "First time Home Buyer's
- B. The Authority will identify other housing agencies in the area with which it can partner to obtain home-ownership counseling and other services to assist employed Section 8 Program participants to qualify for a mortgage as a first time home-owner.
- C. Seek funds in conjunction with the City to promote homeownership opportunities for low and moderate-income households.

4. Apply for additional rental vouchers:

- A. The Peabody Housing Authority will apply for additional rental vouchers under the Section 8 Program, as funds become available through the Department of Housing & Urban Development (HUD) and consistent with community need as demonstrated by waiting list and other demographic data.

5. Seek opportunities to acquire and develop small scale rental housing for low and moderate-income households in Peabody

- A. Partner with an existing local entity whose goals include the development of small scale rental housing (two to six unit) for low income individuals which can directly develop housing suitable for Section 8 households.
- B. Obtain permission from HUD to establish as Project-based Voucher Program pursuant to 24 CFR 983 for up to 20% of the agency's current portfolio of Section 8. This program permits the conversion of tenant-based rental subsidies to unit-based rental subsidies. These rental subsidies can be made available on a competitive basis to local developers who are interested in having a low income component to their project or be used by the Authority's non-profit and/or its partners for housing developments to be owned and operated by the Authority and/or its partners.

6. Ensure Equal Opportunity in Housing

- A. The Authority will use its role in the community to inform local landlords and businesses of the importance of diversity in housing and how to avoid unintentional discrimination under all applicable nondiscrimination requirements, such as the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1937, and Title II of the Americans with Disability Act.
- B. The Authority will work with the City and other community organizations to increase the supply of wheelchair accessible housing both for rental and home-ownership opportunities

and/or provide a better match between actual need and current supply. The key objective is to assist those with physical limitations to remain in the community and participate in meaningful ways.

**Annual PHA Plan
PHA Fiscal Year 2002**

[24 CFR Part 903.7]

i. Annual Plan Type:

The Peabody Housing Authority is submitting a Streamlined Plan as a Section 8 Only agency.

Summary of the Prior Annual PHA Plan Accomplishments

In lieu of an Executive Summary, this section is intended to serve as the Progress Report on Peabody Housing Authority goals as described in the past year's Annual and Five Year Plan.

This past year has seen one major accomplishment. The PHA has successfully leased up 75 Section 8 Mainstream Vouchers for individuals with a disability.

The Authority has also focused its attention on program management issues including SEMAP and the issue of program utilization. Planning around methods to increase utilization in Peabody have occurred and will continue as long as the number of subsidies used outside of Peabody remains at a high level (roughly 1/3 of the program). In the coming fiscal year, this issue will remain a high priority. In addition, continued long term planning on Section 8 Home-ownership program issues is anticipated.

PROJECT BASED SECTION 8 ADDENDUM

INTRODUCTION

On October 27, 2000, the President signed into law the Fiscal Year 2001 Department of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act (Pub. Law 106-377, 114 Stat. 1441) (“Appropriations Act”) Sections 232 of the Appropriations Act substantially revises the provisions of the U.S. Housing Act of 1937 that govern the authority of a PHA to designate a portion of its available tenant-based voucher funds for project-based assistance (see U.S.C. 1473F(O)(13) (as amended by “Section 232” of the Appropriation Act). The Conference Report on the Appropriations Act stated that the statutory changes to the project-based voucher program are intended to make project-basing of voucher assistance more flexible.

The Addendum to the Peabody Housing Authority’s (PHA) Section 8 administrative plan is a statement of its interest to operate a Project-Based Assistance Program (PBA) and to provide information on how it intends to operate the PBA under the requirements of the new law. This Addendum also provides information to eligible families, owners and other interested members of the public.

This Addendum is based on Section 232 and HUD’s initial Guidance Notice, dated January 8, 2001, identifying which elements of the new project-basing law are effective immediately and states how the PHA is implementing the law pending issuance of revised program regulations. In the event of changes required to this addendum because of future rule making concerning the project-based voucher program, the PHAS will take all reasonable steps to comply with new rules without jeopardizing actions previously taken that are consistent with HUD’S Initial Guidance and Section 232.

PROVISIONS OF THE PHA’S PROJECT BASED ASSISTANCE PROGRAM

Except where this section specifies otherwise, the present project-based regulations at 24 CFR part 983 continue to apply to newly constructed and substantially rehabilitated housing and now also apply to existing housing. Upon determination of good cause and subject to statutory limitations, the PHA may seek a wavier from HUD for any provisions of the applicable project-based regulations in accordance with 5 CFR 8.110. Nothing in this addendum affects the rights of owners and participants under existing contracts in HUD’s Section 8 project-based certificate program.

Authorization To Provide Project-Based Vouchers For Existing Housing

Consistent with Section 232 and HUD Guidance. The PHA from time to time may enter into HAP contracts that attach project-based voucher assistance to existing housing units that fully meet the Housing Choice Voucher Program HQS (see 24 CFY 982.401) but that would not have qualified for project-basing as newly constructed or rehabilitated unit.

A housing unit will be considered an “existing unit” for purposes of the project-based voucher program if, at the time of the PHA’s written notice of selection of the project for project-based assistance, the unit required a maximum expenditure of less than \$1,000 per assisted unit (including the unit’s prorated share of any work to be accomplished on common areas or systems) to comply with the HQS.

Unit Selection Policy, Advertising, And Owner Application Requirements For Existing Housing With Assistance Attached To 25 Percent Or Fewer Of The Units In A Building

For existing housing developments in the project-based voucher program, which have assistance attached to no more than 25 percent of the development's units, the PHA shall advertise the availability of the project-based assistance. Such advertisements must meet standards comparable to those in 24 CFR 983.51(b); otherwise, section newspaper of general circulation that the PHA will accept applications for assistance for existing housing projects. The advertisement will be published once a week for three consecutive weeks; specify the number of units the PHA estimates that it will be able to assist under that funding the PHA is making available for this purpose; and state that only applications submitted in response to the advertisement will be considered. The PHA advertisement will also state the PHA's selection policies. In all cases, the PHA will maintain documentation of responses to advertisements or competitive proposals received in response to the PHA notice.

For Existing Housing Developments With More Than 25 Percent Project-Based Units (I.E., At This Time, For The Elderly And Special Populations Only, Since The Supportive Services Exception To The 25% Cap Is Not Implemented As Of Yet.) And For Newly Constructed Of Rehabilitated Units.

The PHA will establish policies for public advertisement and competitive selection of units to be assisted with project-based voucher assistance. 24 CFR 983.51 is applicable.

20 Percent Limit

The total cumulative number of project-based units, including units previously placed under HAP in the PHA's project based certificate program, will not exceed 20 percent of the baseline number of units in the

Consistency With PHA Plan

The PHA will submit as a required attachment to the PHA Plan template, or as an amendment to the PHA Plan, depending on the circumstances, a statement of the projected number of project-based units and general locations and how project basing would be consistent with their PHA Plans.

As with all programs that are covered by the PHA Plan, the PBA will be carried out in conformity with the nondiscrimination requirements specified in the PHA Plan regulations, and will affirmatively further fair housing as required by the PHA Plan regulations.

Consistency With The Goals Of Deconcentrating Poverty And Expanding Housing And Economic Opportunities

The PHA's PBA Program will be consistent with the goals of deconcentrating poverty and expanding housing opportunities. Until HUD issues further instructions, the PHA will implement the deconcentration of poverty requirements in Section 232 by requiring that all new project-based assistance agreements or HAP contracts be for units in census tracts with poverty rates of less than 20 percent, unless HUD specifically approves an exception.

Partially Assisted Building Requirement

The PHA will not enter into an agreement or HAP contract or other binding commitment to provide project-based voucher assistance for more than 25 percent of the units in any one building, except for single-family dwellings and projects for elderly families and disabled families. In accordance with existing program usage, single family dwellings refer to 1-4 family dwellings.

Family Choice To Move With Continued Assistance

The new law provided that assisted families may move from the assisted building, and retain federal housing assistance. For the continued assistance option, Section 232, similar to existing 24 CFR 983.206(d)(2), required for new HAP contracts that the owner permit the assisted tenants to move from the housing at any time after the family has occupied the dwelling unit with project-based voucher assistance for 12 months.

Consistent with the law, the PHA will provide the family with housing choice voucher assistance or such other tenant-based rental assistance that is subject to comparable income, assistance, rent contribution, affordability and other requirements. HUD will set the standards as to what may qualify as comparable assistance by regulation, but, for new HAP contracts incorporating this requirements, the PHA will use voucher assistance available under the ACC to provide tenant-based Assistance for the family. If no such assistance is available at the time the family moves, the PHA will give the family priority to receive the next available tenant-based voucher.

Vouchers under funding allocations targeted by HUD for special purposes (e.g. family unification, mainstream disabled) are not available for this purpose, since they are required to be used only for the targeted purpose.

Hap Contract Term

Consistent with the law, a HAP contract between the PHA and an owner of housing under this program may have a duration of up to 10 years (as determined by the PHA), subject to the future availability of sufficient appropriated funds under the PHA's consolidated ACC with HUD. Upon expiration of the HAP contract term and consistent with the law, the PHA may agree with the project-based housing owner to extend the HAP contract for such period as the PHA determines appropriate to expand housing opportunities (as well as an extension to assure long-term affordability of the housing, as provided under prior law). All HAP contract extensions must be contingent upon future availability of appropriated funds.

Rent Limits

The new law provides that the HAP contract shall establish gross rents (rent to owner plus the allowance for tenant-paid utilities) that do not exceed 110 percent of the established Fair Market Rent ("FMR") or any HUD-approved "exception payment standard" (i.e., a payment standard amount that exceeds 110 percent of the published FMR) for the area where the housing is located.

If a unit has been allocated a low-income housing tax credit under the Internal Revenue Code of 1986 at 26 U.S.C. 42, but is not located in a "qualified census tract" as defined in the law, the rent to owner may be established at any level that does not exceed the rent charged for comparable units in the same building that receive the tax credit but do not have additional rental assistance.

Within the limitations mentioned above, the initial rent to the owner may differ from payment standard in the payment standard schedule adopted for the PHA's tenant-based program. However, just as in the regular tenant-based program and the project-based program under prior law, the initial and adjusted rent to owner must be reasonable in relation to rents charged in the private market for comparable unassisted units (see 42 U.S.C. 1437 (f) (o)(19)(A)).

Rent Adjustments During The Term Of The Hap Contract

Section 232 provides that a housing assistance payments contract for project-based voucher assistance shall provide for rent adjustments and that the adjusted rent for any assisted unit shall be reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted local market and may

not exceed the maximum rent limits permitted under the statutory limitations summarized above, Determination of whether rent is reasonable in relation to comparable units shall be governed by 24 CFR 983.256.

The annual rent adjustment provisioned at 983.254 and the special rent adjustment provisions at 983.255 shall only be applicable if the HAP with the owner was executed before the effective date of this notice. These annual and special adjustment regulatory provisions so not apply to project-based assistance for existing housing pursuant to this notice, and not apply if the Agreement for newly constructed or rehabilitated housing was executed on or after the effective date of this notice.

Family Share Of Rent And Housing Assistance Payment

The housing assistant payment is calculated in accordance with 24 CFR 983.260 as the gross rent minus the total tenant payment. The family share is calculated in accordance with 24 CFR 983.261 by subtracting the amount of the HAP from the gross rent.

Tenant Selection

The PHA selection system for project-based units will comply with the requirements specified below, which in most respects (except for the income targeting provision) are a codification of present regulatory and contractual requirements.

Income Targeting: The requirements of 42 U.S.C. 1437n(b) and CFR 982.201(b) (2) govern the selection of eligible families for this program, and generally provide that not less than 75 percent of families admitted annually to the PHA's combined tenant-based and project-based voucher program shall be families whose incomes do not exceed 30 percent of the area median, as determined by HUD.

Applicants may be selected from the PHA waiting list. The PHA will only maintain a separate project-based waiting list if all PHA tenant-based assistance applicants who seek project-based housing can be placed on this list upon request and without penalty to any other application for assisted housing they may have pending. Subject to its waiting list policies and selection preferences specified in the PHA administrative plan, the PHA may place a family referred by an owner of project-based voucher units on its waiting list.

In cases where the owner presents a plan to administer the waiting list on their own, the PHA may approve the owner to maintain the waiting list. In the case of a group home where supportive services are offered, the PHA will allow the service provider to manage their own waiting list subject to review by the PHA. Any waiting list maintained by an owner is subject to the income targeting requirements as prescribed by HUD.

As in the current project-based program, the PHA will refer families to housing units from the waiting list according to its regular applicant selection policies. If an applicant does not rent a unit with project-based assistance or the owner turns an application down for admission to a project-based unit. The applicant will not be removed from the PHA's tenant-based assistance waiting list for the reason but must maintain its position on the list as though no offer of housing has been made.

Vacant units: The HAP contract will be in a form prescribed by HUD. The PHA may enter into such a contract that agrees to provide vacancy payments up to 60 days after a unit becomes vacant, in an amount not to exceed the rent to the owner as provided by the HAP contract on the day the family vacated. (Page 3610).

The PHA may only make such payments for a vacant unit if:

1. The vacancy was not the owner's fault, and
2. The PHA and owner take action to minimize the likelihood and length of any vacancy.

Reduction of Contract Units After Vacancy: Except for units for which and HAP was executed before the effective date of this notice. The new law supersedes 24 CFR 983.152(B) and (C). instead, the following provisions apply:

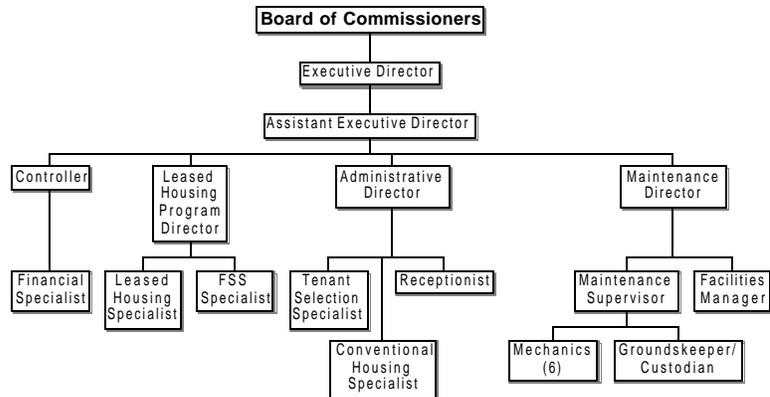

If no eligible family rents a vacant unit within 120 days (commencing on the first day on the month when the vacancy occurs, the PHA may terminate its commitment to make any additional housing assistance payments for the unit for the balance of the HAP contract Term. The PHA may use the amounts so saved to provide other voucher assistance.

Future Modifications To This Addendum

The PHA’s PBA Addendum will remain in effect until the new project-based voucher changes in law have been fully implemented through a new regulation.

In the event of changes required to this addendum because of future rulemaking concerning the project-based voucher program, the PHA will take all reasonable steps to comply with new rules without jeopardizing actions previously taken that are consistent with HUD’s Initial Guidance and Section 232
