C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

If the HRA proposes a change to its Mission Statement, or changes, revises, or otherwise significantly alters its established goals (in terms of actually abandoning the goal or significantly reducing its stated quantifiable measures), it will be considered to be a substantial deviation from the 5 Year Plan.

B. Significant Amendment or Modification to the Annual Plan:

If the HRA's Statement of Housing Needs changes, resulting in the identified strategies to meet these needs being altered or eliminated, and it is determined that such an action has the potential to negatively impact the delivery of one or more of the currently established HRA programs, then such a change would be considered to be a Significant Amendment or Modification to the Annual Plan and would "trigger" a full public hearing and HUD review prior to implementation.
