ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Sikeston Housing Authority (SHA) is a medium sized PHAS High-Performing agency located in Sikeston, Scott County, Missouri. The SHA manages 253 units of Public Housing and has an allocation of 288 units of Section 8 Housing Choice Vouchers.

The Sikeston Housing Authority currently manages 102 units of Section 8 Project Based Section 8 under two separate Management Contracts. The SHA sold to eligible families 32 homes in the Pin Oak Subdivision under a Section 5(h) Homeownership Program. An additional 35 homes were donated to the Business Research Institute, a local Community Housing Development Organization (CHDO). HUD in a Disposition Application approved the donation. BRI will sell the homes using their own approved Homeownership Plan.

The mission of the SHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment with out discrimination for very-low income families, low-income families, persons with disabilities or the elderly.

The SHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the SHA in the most cost effective means possible and provide the services and activities for our residents.

The SHA has assessed the housing needs of Sikeston and surrounding Scott County and has determined that it is currently and will continue for the next year to meet the housing needs of the Community to the extent that is practical for a medium sized agency. The SHA has an approved Deconcentration Policy and will continue to utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The State of Missouri has determined that the housing strategy of the Sikeston Housing Authority complies with the State of Missouri Consolidated Plan.

The SHA has updated all polices to comply with all QHWRA requirements. The SHA has established a minimum rent of \$50 for both the public housing program and the Section 8 program. The SHA's flat rent is based on the two bedroom Fair Market Rent (FMR) to determine its dollar value.

The SHA has conducted a physical needs assessment to determine its modernization needs and has developed an Annual and Five Year Action Plan to address its Capital Improvements.

On July 11, 2000, the SHA submitted a disposition application to the HUD Special Applications Center. The disposition plan was approved on February 12, 2001. The approved disposition plan allowed the SHA to donate 35 homes in the Pin Oak Subdivision to the Business Research Institute (BRI). BRI, a local minority-owned Community Housing Development Organization (CHDO), will be able to use less stringent guidelines to attract qualified buyers for homeownership. The SHA was able to sell 32 homes to eligible families in the Pin Oak Subdivision using a Section 5(h) Homeownership Plan. The Pin Oak Subdivision (MO8-5) was constructed in 1970/1971 under the Turnkey III program for homeownership.

The SHA did submit a Section 8 Homeownership Program Capacity Statement in the FY2001 PHA Annual Plan. Therefore, the SHA may at a latter date establish a Section 8 Homeownership Program.

In partnership with the local Department of Public Safety (DPS) the SHA has developed a safety and crime prevention program that adequately meets the needs of the residents. The SHA helps to fund a Community Oriented Police Program Sub-station (COPS) including office space for the Weed and Seed Program of Southeast Missouri.

The SHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing.

The SHA has included a copy of its most recent fiscal year audit report as part of the documentation made available for public review during the 45 days prior to submission of the SHA's Agency Plan to HUD on or before October 15, 2001.

Because the SHA is a PHAS High-Performing Agency (per the Management Assessment Subsystem), it is not required to respond to the following Annual Plan components:

2. Grievance Procedures
3. Designation of Public Housing
4. Homeownership

ATTACHMENT A BRIEF STATEMENT ON PROGRESS IN MEETING THE 5-YEAR PLAN MISSION AND GOALS

In cooperation with the Sikeston Department of Public Safety, the Sikeston Housing Authority (SHA) is providing space in the Pin Oak Subdivision for a Community Oriented Police Program (COPS). Funding from the SHA includes utilities for office space as well as additional police protection for all the SHA's Developments. Also, the Sikeston Department of Public Safety has office space in the building for a Community Liaison Officer.

The City of Sikeston is a recipient of the national Weed and Seed Program. The Sikeston Housing Authority is providing office space to the Southeast Missouri Weed and Seed program in the Pin Oak Subdivision COPS Office Building.

In partnership with the City of Sikeston and the Southeast Missouri Weed and Seed Program the SHA is participating in an after school and computer training program for at-risk-children living in the Developments and elsewhere in the City. The SHA is providing the building rent and utility free in the Pin Oak Subdivision. The SHA purchased five computers for the program.

The Sikeston Housing Authority is working with Mission Missouri, Department of Family Services, and Weed and Seed of Southeast Missouri to identify areas to improve tenants employability and self-sufficiency. Mission Missouri has provided computer training over the past year to public housing and Section 8 residents.

The Sikeston Housing Authority is continuing a program called "Operation Stay in School – It Pay's." This program was started to assist parents to help keep their children in school. For any child going to school in grades 1 – 12 who does not miss a day of school, the SHA will provide to that child a \$50 saving bond.

The Sikeston Housing Authority will also continue a Scholarship Program. The scholarship is for \$500 and is offered on a competitive basis to a graduating high school senior living in public housing who intends to pursue additional education opportunities in an approved vocational training program or a four-year college or university.

The turnaround time in renting public housing has increased slightly over the past year. This increase is due to staff time necessary in preparing housing in the Pin Oak

Subdivision for sale. With the final sale of the Pin Oak it is anticipated turnaround time in public housing will begin to decrease. The Sikeston Housing Authority is presently spending the bulk of the Capital Fund Program on site improvements, which will help to increase the marketability of the public housing program.

The SHA is working with possible new/first time landlords in the Section 8 Program to increase the areas in which Section 8 residents can afford to rent a home. The Payment Standards are set at 100% of the Fair Market Rents.

The Sikeston Housing Authority staff closely monitors all programs to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and ensure accessible housing to persons with all types of disabilities regardless of the unit size required.

COMMENTS OF RESIDENT ADVISORY COMMITTEE ON THIS PHA PLAN

The committee was given a copy of the complete PHA FY2002 Annual Plan, the FY2002 CFP Annual Statement, the FY2000 P&E Report, and the FY1999 P&E Report. Each document was reviewed.

The committee expressed much support for the work item of upgraded security street lighting as outlined in the FY2002 CFP Annual Statement.

One committee member expressed concern about trees that were cut down around her development four or five years ago. This committee member felt that we should do more tree planting as well as plant more shrubs and flowers.

The full committee agreed to the documents reviewed as presented to them.
