### **REASONS FOR CHANGES IN 5-YEAR PLAN**

The Board of Commissioners has decided on the changes and all changes discussed with RAB Board, been on Public display, then introduced and discussed at Public Hearings. All changes approved by the Board of Commissioners.

The PHA new Director did not understand that a portion of CFP monies could be used in operations and audit. The Board seeing the tight budget made the changes to the Plan to include the above.

The Director made an error in preparing the 2001 Plan and did not get the proper amount of money needed for concrete work into the Plan.

The Maintenance Workshop of 2001, attended by our Maintenance person explained the problem the PHA was having with refrigerators. Minor repairs have been completed as needed and avoided the need to purchase new refrigerators, however we will need some in the very near future.

The Board of Commissioners decided that purchasing the empty lot adjoining Villers Drive would cause more expense for maintenance, (mowing, etc.) that the PHA could not afford at this time. Therefore the Environmental audit was also not necessary. The Board suggested more interior rehabilitation to make up the difference. The Board discussed all changes at Public hearings.

PHA is meeting Management, Marketability, Security, Maintenance and Fiscal goals and will strive to continue to improve. Landscaping, installation of central air conditioning, audits/reports completed on time, attending HUD/NAHRO training meetings, fence and security lights and extra assistance with grounds work are improvements accomplished.
