ii. Executive Summary of the Annual PHA Plan

[24CFRPart903.79(r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

OVERVIEW

The annual plan of this LHA has had few substantial changes since last year's submittal. Still, it represents a comprehensive look at the planned annual activities for July '02 through June '03, as well as mirroring what has actually occurred in the preceding fiscal year. Again, we have been cautious about recording planned activities for the coming year, without being absolutely certain that they have been initiated or will be within the reporting period.

HOUSING NEEDS

The housing needs reported herein were gathered from the same sources as the preceding PHA annual plans submitted, except that new information was used which was gathered in a PHEDEP Residents survey covering Oct. - Dec. 2001. However, the additional information did not significantly change our perception of housing needs in the Springfield Missouri area.

GENERAL GOALS OF THE HA

The two most basic goals of the HA remain to improve existing housing stock, and to increase our independent financial resources through

funding avenues available to us. As always, another annual goal is to successfully navigate the regulatory paths laid for us as a publicly funded entity, and to ensure that the taxpayer dollars we do receive each year are well spent.

CONCLUSION

The reporting required by QWHRA '98 and subsequent amendments and rules connected thereto continue to function as somewhat of a self-sounding board for our various departments and policymakers. We understand the value of such introspection, and continue to use it to the end of getting more value per dollar from taxpayer money we receive.

iii. Annual Plan Table of Contents
