**A. Substantial Deviation from the 5 -year Plan:**

The PHA does not have any specific plan to deviate from the original 5 -year plan. The order in which work was to be completed has changed somewhat to accommodate for the funds being spent in a more composed manner.

If such an occurrence would arise as to the need for emergency work, residents will be notified of any changes and approval will be sought from the HUD office.

**B. Significant Amendment or Modification to the Annual Plan:**

The only modification to the Annual Plan is to complete the remodeling of 66 units in the family housing complex as follows.

All bathroom and kitchen plumbing and fixtures replaced (new tubs, sinks, toilets, water lines) new flooring, floor coverings, kitchen cabinets, countertops and storage closets.

By completing the remodel of kitchens and bathrooms at the same time, the housing authority feels that it has in the long run saved money and time.

The funding for FY2002 will be used to fix the Elderly Housing complex. The only deviation from the original plan is that Subsidy funding received in January 2002 is to be used for the New carpet and painting of each unit at Project MO133001.

**BRIEF STATEMENT OF PROGRESS  
NEVADA HOUSING AUTHORITY**

The Housing Authority of the City of Nevada, MO is required to submit a brief statement of its progress in meeting the missions and goals as outlined in the 5 -year plan.

A “Pet Policy” was implemented and is now in effect for both housing complexes under its jurisdiction. (Chapman Estates and Fairground Estates.)

The “Community Service Policy” is in place and was effective January 1, 2001.

Our Mission remains the same: To promote decent, affordable housing, economic opportunities and a suitable living environment free from discrimination.

Our Goal to reduce vacancies in Public Housing and to improve our PHAS score, is to improve the turnaround time for readying units to rent and decrease the time in which it takes to lease up a vacant unit, through improved customer satisfaction.

The PHA continues to improve the Goal of Public Housing Security. Global Security Solutions has been patrolling the grounds at both the elderly and family housing complexes since May 1, 2001. New steel doors with dead -bolt locks and peepholes were installed in FY 2000 and 2001 at both complexes.

The PHA continues to encourage all residents to participate in self -sufficiency programs offered by the Division of Family Services, by encouraging participation through continued education or employment.

We will continue with our objective to apply our limited resources in an efficient productive manner to be sure that we are contributing to the quality of our community. We will continue to maintain program fiscal integrity through oversight and intervention by employing result -oriented personnel. We will continue to seek out problem solving partnerships, with residents, community and local government, and to recognize our residents as our ultimate customers.
