[24CFRPart903.79(r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Grundy County Public Housing Agency of Trenton, Missouri, located in the Green Hills Area of Northwest Missouri, despite a period of robust economic expansion, decent, safe, and affordable housing has decreased in the area because of affordability of the low -income (30% of the area median). Rent is rising on good housing stock leaving fewer homes to house assisted clients because of affordability and meeting H.Q. Standards.

Our one (1) year and five (5) year plan propose to ease this problem by joining forces and working with Green Hills Community Action Agency and other developers in applying for funding through all available sources such as: (1) Home Community Housing Development Organizations, (2) Missouri Housing Development Commission, (3) Emergency Shelter Grant Program and others. Our main goal is to do new construction for single family rental programs, new construction for multi -family rental programs, single family rentals and the rehab program and new construction for single family homeownership programs. By doing this we will be able to increase the availability of decent, safe, and affordable housing which would increase customer satisfaction, provide voucher mobility, create homeownership, increase units for clients who have disabilities and will also promote pride and self -sufficiency for our clients. This will also ensure equal opportunity in housing for all Americans.

## **A. Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals**

Major progress has been made the past year in improving the lease-up rate from a low of 76% to the present 95/96%. There are a number of factors involved in why and how this significant progress has occurred:

1) there has been some decline in the economic condition of the area over the past year; 2) rent rates have stabilized or slightly declined; 3) the number of affordable housing units are continuing to increase in the area with the completion of the Plaza Apartment Complex in Trenton and 3 single-family units in both the City of Gallatin and City of Princeton; 4) an aggressive public awareness campaign; 5) a focusing of staff effort toward providing stronger assistance to applicant families in completing the search for a unit after being issued a voucher; and 6) issuing additional vouchers as the eligible applicant pool expands because of plant lay-offs and increased unemployment rates.

Utilization of the 110% FMR allowance is continuing along with a quarterly newsletter to tenants and landlords. Also, additional plans are being made to hold Life-Skill Sessions with applicants and voucher holders on "Good Neighbor Policy" in order to encourage additional landlord participation.

Grundy County PHA will continue to support Green Hills Community Action Agency (GHCAA) in increasing the affordable housing stock in the area. GHCAA has completed the building of six (6) new single-family homes and have approval to construct eight (8) more along with the development of a thirty six (36) unit elderly multi-family complex. The agency already manages twenty (20) single-family and thirty-six (36) multi-family units of affordable housing in which over 60% are filled with voucher holders. Affordable housing units continue to be an agency priority as applications are submitted annually for additional funding. Also, support is given to other developers in continuing the effort to expand the eligible unit inventory.

Within the next few months, our lease-up rate should exceed the 95 - 98% rate. An extended effort on all avenues should allow for approximately full lease-up well into the future.
