ATTACHMENT F: RESULTS OF FIRST YEAR ACTIVITIES

PHAGOAL1: We continue to inspect all housing units annually. We have prioritized our needs for CIAP and CFP monies. We have tested apartments for LBP and asbestos.

PHAGOAL2: We have counseled various residents on homeownership and pledged our support if they choose to pursue homeownership. We do not believe it is feasible at this time to convert any of our rental units to home ownership.

PHAGOAL3: We have implemented flat and ceiling rents and our policy will allow a choice in rent selection. In our new lease and ACOP, preferences in housing will favor working families, homeless, elderly/handicapped and families with hardships.

PHAGOAL4: We continue to ensure Equal Opportunity in housing for all applicants regardless of their needs.

PHAGOAL5: Improving the physical condition of the units and grounds is a constant process. We will upgrade major systems and in the future install air conditioning in units.

PHAGOAL6: The PHA works closely with the city and county law enforcement agencies and obtains arrest information on any tenant for necessary appropriate action. Management and maintenance attend training seminars to improve related skills. PHA assesses and changes/updates policies as needed.

ATTACHMENT G: SUBSTANTIAL DEVIATION POLICY

Policy Defining A Substantial Deviation and Change in the Agency Plan

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, the Board of Commissioners and the US Department of Housing and Urban Development of any "substantial deviation" or "significant amendment" in the Agency's Annual Plan and in the 5-Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Commission and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

Therefore, the Housing Authority hereby defines a "substantial deviation" as any deletion or addition of any modernization work item that is greater than \$25,000; the addition or deletion of any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A "significant amendment" would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items not included in the current Annual Plan that is greater than \$25,000.

The Executive Director is assigned the responsibility of making the required notification to all interested and affected parties as described above of any "substantial deviation" or "significant amendment" to the Annual and Five-Year Plans as well as notification to the public of any material change, that is not defined above, that, in his or her opinion, should be made known to the public as good business practice.

Adopted this _____ day of _____, 2001

ATTACHMENTH:PETPOLICY

The Housing Authority is in the process of reviewing its current policy and is determining the changes that may be needed to comply with the final rule of July 10, 2000.

The current Pet Policy has reasonable requirements contained therein. However, the PHA is determining which, if any, changes may need to be made based upon the final rule that was published July 10, 2000.

The Pet Policy is currently an addendum to the dwelling lease, and the PHA will be soon incorporating its provisions into the Admissions and Continued Occupancy Policy when it is updated.

The reasonable requirements include:

- Limitation on the number of pets,
- Evidence that the pet is neutered or spayed,
- Evidence of inoculation
- Under the control of an adult member of the household when outside the dwelling unit,
- Prohibits animals considered 'dangerous' by the housing authority,
- Requires a reasonable pet security deposit, and
- Prohibits breeding of pets for commercial purposes.
