4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

Since there is no specific local municipal consolidated plan, the WHA utilized the U.S. Census Dataset, Comprehensive Housing Affordability Strategy, to determine the need for Haywood County, North Carolina. Through advertising in local media and with mailings to local churches and organizations, the WHA hopes to reach families in need of affordable housing. These measures will facilitate an increase in the waiting list. By identifying families who meet target characteristics according to need, the waiting list will facilitate meeting their needs, and with a quick turnaround time for vacant units, the WHA will achieve its goals and plans. Also, minority race and ethnic groups will be encouraged to apply for fair housing under the plan.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A “substantial deviation” has been defined by the WHA as major changes in the social, political, or economic conditions of Haywood County, North Carolina which would cause a change in the goals and objectives that affect our services to residents and/or our overall mission.

B. Significant Amendment or Modification to the Annual Plan:

A “significant amendment or modification” to the Annual Plan will be necessary when a condition arises causing the Waynesville Housing Authority’s immediate financial or social status to be sufficiently affected so current year goals and objectives cannot be met.
