RESIDENT MEMBERSHIP ON THE GOVERNING BOARD

The Chatham County Board of Commissioners appoints all members of the Chatham County Housing Authority's Board of Commissioners. The Chatham County Housing Authority (CCHA) had Consuelo Barr appointed as Resident Board Member on April 11, 2000 by the Chatham County Board of Commissioners. Ms. Barr married and left the program in August of 2000; however, she is still a member of the CCHA Board. We have been looking for another Resident Board Member that would be the Resident Board Member for their entire term on the Board. We have made a request to the Chatham County Board of Commissioners to have Christina Phillips, an FSS participant, appointed to the Chatham County Housing Authority's Board as the Resident Board Member. She was appointed to the Board on January 22, 2002..

ADMISSIONS POLICY FOR DECONCENTRATION

DECONCENTRATION POLICY

The Chatham County Housing Authority is a Section 8 only PHA. It is our policy to provide for deconcentration of poverty and encourage income mixing by bringing lower income families into higher income areas.

The Chatham County Housing Authority will affirmatively market our program to all eligible income groups. Very low income families will not be steered toward very low income neighborhoods, but will be encouraged to move to higher income areas with more opportunity.

The Chatham County Housing Authority will affirmatively market our program to owners of property in neighborhoods that offer opportunity, low crime rates, and family incomes of at least a low to median income level.

Families will be encouraged to move to neighborhoods or areas that will give them the greatest access to these opportunities. At Voucher briefings the family will be encouraged to consider these neighborhoods, given tips on how to find units in these areas, and briefed on interviewing skills that will be helpful with the owners/property managers in these areas.

Each year we will review the progress we have made in helping families move to these areas. We will then take marketing efforts to improve in areas the data indicates weakness, for ex. more aggressive marketing to owners.

Section 8 Homeownership Capacity Statement

In implementing the Section 8 Homeownership Program, the PHA will require each family to pay a minimum down payment of at least three percent of the purchase price and at least one percent of the purchase price must come from the family's personal resource.

STATEMENT OF PROGRESS IN MEETING THE 5 -YEAR PLAN MISSION AND GOALS

Our mission is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

Our goals and what we accomplished for the past year were:

To work toward lease-up and use of our budget authority ó we were able to accomplish 99% utilization of budget authority.

To provide staff training ó this is an ongoing process through staff meetings, workshops, and training (3 staff members have received NAHRO training during the past 2 years).

To standardize voucher briefings and mobility counseling ó we will continue to work on voucher briefing to make them more informative and user friendly. We have purchased an overhead projector and whiteboard to use to illustrate points and clarify information. Our briefings are now conducted in groups, followed by a one-on-one follow-up to ensure that the family has the skills needed to make maximum utilization of their voucher. Our mobility counseling works as we have a significant number of families use portability.

To conduct outreach efforts to potential voucher landlords by contacting at least 10 new landlords per year ó we have added 49 new owners since July 1, 2001.

To develop a voucher homeownership program ó we are still working on the development of this program. We are part of the Chatham County Affordable Housing Coalition and are working with this group to develop housing that will be affordable and available to make the homeowner option viable due to the high cost of local housing. We have been working closely with Chatham County Habitat for Humanity and of the 33 Habitat homeowners, 21 are former voucher holders and we have had one family qualify for a Habitat house in Orange County due to location of her job.

To research Project Based Vouchers ó after researching project based vouchers we feel that at the present this is not an option we should pursue. Our voucher holders want the option of moving to the unit of their choice throughout the county.

To evaluate our preferences and modify our Administrative Plan if needed to help families get faster access to a voucher; also, to update the Plan as we

develop programs and evaluate existing operating procedures. We will continue to evaluate our Administrative Plan and make the necessary changes as needed.

Total with the local Domestic Violence/Rape Crisis non-profit about developing a transitional housing program for women coming out of the domestic violence shelter. We discussed this option and found we needed to work on an informal basis due to budget constraints. However, we give priority to women in the domestic violence shelter and Domestic Violence supplies support in the form of group and individual counseling.

To expand referral programs with the local Job Link group and other support service agencies. Through referrals and with the help of agency staff we have helped several families get scholarships for school, with interview skills, resume writing, getting their GED, child care assistance, financial counseling, homeownership counseling, homeownership through Habitat for Humanity and we have had one FSS graduate during the past year.
