PROGRESS IN MEETING FIVE - YEAR MISSION AND GOALS Attachment A nc164a03

Johnston County HAPP is meeting its Mission of assisting eligible families in securing housing offering good living conditions in safe, low poverty neighborhoods at affordable costs and which adequately meet the needs of all family members including those with special needs. Only approximately five families insisted on moving to high poverty areas in the past year and we continue to have a small number of Section 8 families already leasing in high poverty areas by their own choice.

Johnston County HAPP did not find it necessary to actively market its program in 2001 because enough landlords are making their units available to HAPP tenants. During the 2001-2002 year 134 additional landlords began participating in HAPP.

HAPP began publishing its newsletter on a quarterly basis in June, 2001. Only positive response has been received from both tenants and landlords.

A Good Housekeeping Program was started by HAPP in 2001. Residents who keep their house and yard clean and neat and show pride in their home are recognized with a small token (ex: a refrigerator magnet) and a letter from HAPP congratulating them. It was an instant favorite with residents. As we go into the second year we will be able to better measure its success when we see if more tenants receive the award this year.

As many as four HAPP families have purchased Habitat homes in the past two years. Several have been able to purchase mobile homes, become self-sufficient and leave the program.

The agency participated in the Human Services Training Program this year. All human service agencies in the county presented their program information, exchanged ideas and ways to serve our populations. Ways to assist them in income areas, housekeeping, health and welfare, budget training, food preparation, etc. were emphasized.

HAPP continues to post job opportunities in its office. It refers to Job Link Training and temporary employment agencies. The HAPP Director continues to serve as Johnston County's contact person for information regarding how to file Fair Housing Complaints. We continue to have a representative on the Dominitory Home Board as well as the Emergency Food and Shelter Board.

Johnston County HAPPI is emphasizing this year “tenant integrity”. Every effort is being made by staff, in person and in writing, to inform tenants of their responsibility to report income changes timely. Also, any repayment agreements allowed are being strictly adhered to and Voucher terminations carried out when necessary.

JOHNSTON COUNTY HOUSING ASSISTANCE PAYMENTS PROGRAM

“Substantial Deviation” and “Significant Amendment or Modification” Attachment C nc164c03

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7(r)(2) states that a PHA must identify the basic criteria the PHA will use for determining:

- A. A substantial deviation from its Five -Year Plan; and
- B. A significant amendment or modification to its Five Year Plan and Annual Plan.

Notice PIH99 -51 states that PHAs must define the terms “Substantial Deviation” and “Significant Amendment or Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- A. Change to rent or admissions policies or organization of the waiting list;
- B. Additions of non -emergency work items (items not included in the current Annual Statement or Five -Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- C. Additions of new activities not included in the current PHDEP Plan; and
- D. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

MINIMUM RENT EXCEPTION PROCEDURE

Attachment D

nc164d03

The PHA recognizes that in some circumstances even the minimum rent may create financial hardship for families. The PHA will review all relevant circumstances brought to the PHA's attention regarding financial hardship as it applies to the minimum rent. The following section states the PHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD has defined circumstances under which a hardship could be claimed. (24 CFR 5.630)

Following is the minimum rent exception process:

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State, or local assistance, including a family with a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act, and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

The family would be evicted as a result of the imposition of the minimum rent requirement;

The income of the family has decreased because of changed circumstances, including loss of employment, death in the family, or other circumstances as determined by the PHA or HUD

Suspension of Minimum Rent

The PHA will grant the minimum rent exception to all families who request it, effective the first of the following month.

The minimum rent will be suspended until the PHA determines whether the hardship is

Covered by statute

Temporary or long term

"Suspension" means that the PHA must not use the minimum rent calculation until the PHA has made this decision.

During the minimum rents suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of suspension.

Temporary Hardship

If the PHA determines that the hardship is temporary a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

*The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period.

Long Term Duration Hardships [24CFR 5.616(c)(3)]

If the PHA determines that there is a qualifying long-term financial hardship, the PHA will exempt the family from the minimum rent requirements for as long as the hardship continues. The exemption from minimum rents shall apply from the first day of the month following the family's request for exemption.

Retroactive Determination

The PHA will reimburse the family for any minimum rent charges which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.
