PetPolicy

Residents of the Long Branch Housing Authority (LBHA) have the right to own common household pets subject to the reasonable requirements of the LBHA. Among those reasonable requirements are that the pet be registered with the LBHA. Registration includes:

- having the pet licensed and inoculated.
- the resident has entered into a Pet Agreement with the LBHA.

The Pet Policy limits the kind of pet, the number and weight of the pet(s) and mandates a pet deposit of \$50.00. The policy also limits the behavior of the pet and the conditions for the removal of the pet from the premises of the LBHA.

Implementation of Public Housing Resident Community
Service Requirements

The Long Branch Housing Authority (LBHA) will implement a community service program for non-exempt individuals in public housing using the following guidelines:

- Non-exempt individuals will be identified and briefed in writing on their community service responsibilities prior to October 1, 2001.
- A Cooperation Agreement has been entered into with the local TANF agency which allows for the exchange of information.
- Fulfillment of the individual's responsibility will be verified at the time of re-examination. Non-compliant individuals will be required to enter into an agreement to make-up all time not spent in fulfillment of service during the next twelve-month period following re-examination.
- The policy lists a wide variety of acceptable activities that qualify as community service.
- In all other respects, the LBHA's community service policy will operate in accordance with 24 CFR 960.600. The community service program will begin on October 1, 2001.
- The LBHA understands that it has been precluded from enforcing the community service requirement in its fiscal year beginning July 1, 2002.
