- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

If he/she rejects the second offer he/she shall be moved to the bottom of the waiting list.

Those who expressed such an interest will be offered the unit first, in the order of date/time stamp on the applications.

All visitors are also required to sign a visitor's log book, upon entering and departing the building.

The Authority maintains basic records documenting the nature and extent of security and crime problems that occur within all three of the Public Housing Projects through "Incident Reports". These reports are made a part of the residents' files as appropriate. Incidences occurring in public spaces and common areas are generally reported to the appropriate Police Department for their action, where necessary.

These "Incident Reports" are always reviewed by the Executive Director, Affordable Housing Operations Director, and Property Manager.

HAGC developments 204-3 and 204-4 are high-rise structures for the elderly and disabled. Each development has 100 one-bedroom units. They are not general occupancy developments and a conversion assessment is not required per 24 CFR 972.200(a)(4).

NJ 204-1 is 62 2, 3, and 4 bedroom scattered site single-family homes. These units were acquired through the public housing acquisition without rehabilitation program. The units were purchased in existing neighborhoods in four of the municipalities in Gloucester County. The units are indistinguishable from the other middle income homes in their neighborhoods.

The Consolidated Plan Gloucester County identifies a shortage of housing that is affordable to low income residents. This subject is also discussed in the Housing Needs section of this plan. There is some production of affordable housing in the County but it is not sufficient to satisfy the demand. The conversion of NJ 204-1 to tenant based assistance would result in a reduction of the amount of affordable housing available in Gloucester County. Therefore, one of the three necessary conditions for a voluntary conversion is not met; i.e., 24 CFR 972.200(c)(3).

3. Yes No: Has the PHA included descriptions of asset management activities in the **optional** Public Housing Asset Management Table?

HOUSING AUTHORITY OF GLOUCESTER COUNTY

REQUIRED ATTACHMENT TO THE 2002 ANNUAL PLAN

IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE REQUIREMENTS

In accordance with the Quality Housing and Work Responsibility Act, Section 512, the Authority shall require each non-exempt, adult Public Housing resident to a) contribute a minimum of 8 hours of community service per month or b) participate in an economic self-sufficiency program for at least 8 hours per month. This requirement shall be implemented through a lease addendum.

The Authority shall notify all family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Authority shall verify, annually, as applicable, the exempt status of Public Housing residents. The Authority will accept similar forms of 3rd party verification as used for income determination and admission purposes. Also, Public Housing residents may claim exemption during the year, between annual reexaminations, but only upon written notification to the Authority.

The Authority will refer, those adult Public Housing residents, who do not meet one of the criteria above for exemption, to the Gloucester County Volunteer Center. The Gloucester County Volunteer Center acts as a clearinghouse for residents within Gloucester County to offer their time or services to organizations in need of volunteers. It is the intention of the Authority that residents provide services to their own communities. The term "community" is intended to mean the smallest geographic area in which the Public Housing resident's dwelling unit is located.

The Authority encourages adult Public Housing residents to utilize the Volunteer Center to fulfill their obligation, as described above. Residents who choose not to utilize the Volunteer Center may fulfill their requirement by other means, but only upon the written approval of the Authority. The Authority will also accept participation in self-sufficiency activities to satisfy part or all of the resident's Community Service requirement. The Authority shall consider activities that are designed to encourage, train, or facilitate economic independence as valid activities to fulfill the requirement. The Authority will refer interested residents to the Gloucester County Board of Social Services to participate in an economic self-sufficiency activity. In no case will the Authority consider political activity to fulfill the Community Service requirement.

The Authority will monitor the appropriateness of the service and/or participation in an economic self-sufficiency activity and confirm the resident's participation through a letter of participation on official letterhead, signed by a duly authorized representative of the organization from where the service was performed, which indicates the number of hours fulfilled and a brief description of what was performed. In this manner, the organization is certifying the services that were provided by the adult Public Housing resident.

Letters or other appropriate documentation must be submitted to Authority no later than 30 days prior to the expiration of the lease term in order to determine if the resident has fulfilled the community service requirement, in accordance with the Quality Housing and Work Responsibility Act, Section 512. Such determinations shall be made in accordance with the principles of due process and on a nondiscriminatory basis.

If it is determined that an adult Public Housing resident is not in compliance with the above requirement, the Authority shall notify the non-compliant resident and the head of household, in writing, of the following:

1. of such noncompliance;
2. that the determination is subject to administrative review through the Authority's grievance procedure; and
3. that the family's lease will not be renewed unless the noncompliant family members enter into an agreement to cure such noncompliance. The Authority may not renew or extend the family's lease upon expiration of the lease term and shall take such action as is necessary to terminate the tenancy of the family, unless the noncompliant family members enter into an agreement with the Authority, before the expiration of the lease term, which provides that the residents will cure any noncompliance and lease violations by participating in an economic self-sufficiency program or by contributing to community service as many additional hours as necessary to comply with the lease and the Act.

A Notice to Quit and Demand for Possession will be sent to residents who fail to complete their community service requirement or to enter into an agreement as described in #2 above. If a resident enters into an agreement and does not fulfill the requirements of the agreement within the next lease term, as specified in the agreement, a Notice to Quit and Demand for Possession will be sent at the end of the lease term. The Authority will not enter into a second agreement with residents who failed to comply with the first one. Continued noncompliance with the Community Service requirements will result in eviction of the entire family unless the noncompliant family member is no longer a part of the household (removed from the lease).

PET POLICY

The Authority's Pet Policy provides for the ownership of pets defined as follows:

1. Domesticated, short-haired dogs not exceeding 25 pounds in weight and meeting other requirements of the Policy.
2. Domesticated declawed cats not exceeding 13 pounds in weight and meeting other requirements of this Policy.
3. Fish in approved tank not exceeding 20 gallons of water.
4. Domesticated, caged, small birds in approved cage.
5. No other living creature shall be construed as a pet.

Prior to placing a pet into residency in any Public Housing unit, tenant must file an application for a Pet Permit. A Pet Permit will be issued after all initial conditions of this Policy have been met (such as renter's insurance, municipal registration, proper inoculations, etc.) Applications will be processed on a first-come, first-served basis.

A \$5.00 per month pet service fee will be assessed for each dog or cat for the purpose of offsetting additional maintenance and service costs. Pet service fee is due the first of each month. Prior to issuance of Pet Permit, applicant agrees to post a pet security deposit of \$100.00 for each cat or dog. Said security deposit will be applied to damages caused by the pet upon tenant vacating apartment together with assessment to tenant for any deficiency in the amount of the deposit as applied to specific damages.

Upon petition by two (2) or more neighboring residents alleging complaint against the pet owner for non-compliance of Pet Policy, tenant agrees to a hearing on said infraction by the Executive Director, or his designee, and to abide by determination of said hearing including removal of pet within 72 hours if removal of pet is decision of the Executive Director, or his designee, at the hearing.

Damages caused by pet as determined by inspection shall be repaired/replaced by management at full repair/replacement cost at time of discovery of damage. Tenant will be billed for full repair cost at time of repair.

Upon determination by the Authority, the following conditions may be considered cause for revocation of a pet permit:

1. Pet has caused damage to apartment/house, common areas, personal property or persons.
2. Pet has bitten, scratched or caused injury to any person.
3. Pet makes animal sounds that are generally annoying to tenants, neighbors or Housing Authority management. For example: Barking dog or loud meowing cat.
4. Pet defecates or urinates in apartment/house, common areas or grounds.
5. Pet is found out of control of tenant: a) dog off leash; b) cat running loose; c) bird not caged.
6. Upon expiration of municipal animal license, unless renewed.
7. Upon expiration of inoculation unless current inoculation status is recertified.
8. Upon any determination by Director that pet is a danger and hazard to the health and safety of tenants, management, employees and/or guests of Housing Authority.

HOUSING AUTHORITY OF GLOUCESTER COUNTY

REQUIRED ATTACHMENT TO 2002 ANNUAL PLAN COMPONENT 10 (B) VOLUNTARY CONVERSION INITIAL ASSESSMENTS

a. How many of the PHA's developments are subject to the Required Initial Assessments?

Only Project NJ 204-1, of HAGC's three Public Housing Projects, is subject to the Required Initial Assessment.

b. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and /or disabled developments not general occupancy projects)?

HAGC operates three Public Housing Projects. Two of the three Projects do not require an initial assessment based on an exemption. HAGC developments NJ 203-4 and NJ 204-4 are high-rise structures for the elderly and disabled. Each development has 100 one-bedroom units. They are not general occupancy developments and a conversion assessment is not required per 24 CFR 972.200(a)(4).

c. How many Assessments were conducted for the PHA's covered developments?

One assessment was conducted for the PHA's covered development, Project 204-1.

d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

No developments are considered appropriate for conversion based on the Required Initial Assessment.

The conversion of NJ 204-1 to tenant based assistance would result in a reduction of the amount of affordable housing available in Gloucester County. Therefore, one of the three necessary conditions for a voluntary conversion is not met; i.e., 24 CFR 972.200 (c)(3).

e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments:

N/A – HAGC has completed the required initial assessment for Project NJ 204-1.
