PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. A. Substantial Deviation from the 5-year Plan:

A change in the PHA mission or a strategic goal will be considered a substantial deviation from the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Changes in or additions to the PHA mission; strategic goals; strategy for addressing needs; or policies governing eligibility, selection, and admission will be considered a significant amendment or modification to the PHA's 5-year and annual plan.

Eighteen members of the Resident Advisory Boards submitted comments on the Annual Plan. Those comments are summarized later in this document.

Although Attachment B requires that members be listed here, no such listing is provided since a large proportion of the members of the Resident Advisory Boards submitted their comments anonymously. In addition, it is the policy of this PHA not to release names of Section 8 tenants to the public.

Names of Resident Advisory Board members are on file and will be released to appropriate HUD official only with assurance that such names will not be made public or posted in any document or vehicle that is accessible to the public.

disabilities should be goals of the program.

- The goals are fine, but I feel they need more help in the office and doing the paper work.

5. Fair Housing **15** **0** **3**

Staff should take extra measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.

- Mixed feelings on this.
- Any family that needs help should get in if they qualify for it.

6. Preferences **15** **0** **3**

In providing assistance to applicants, preferences should be given to residents of the community, the elderly, and the disabled.

- Unless a family has an emergency situation.

7. Home Ownership **11** **2** **5**

Considerations should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house.

- As long as it is something moderate.

8. Additional Comments made by Members:

- Program is well organized. Staff very helpful.
- I think the retired (on Social Security) and the ones on disability income should receive more help because the income is fixed and it doesn't allow for a lot of leeway for doing a life. As for me, because the light bill is in my name I get cut all the way around. I don't think that is just right. (My thoughts)

With one exception, members of the Resident Advisory Board that offered opinions generally agreed with the policies in the plan. There was disagreement on program size with eleven of eighteen responses stating that they thought the size of the program should be increased.

Policies concerning the program mission, quality of service, self-sufficiency, fair housing, and preferences were endorsed by all respondents.

Policies endorsed by the membership of the Resident Advisory Board will continue to be stressed in the Annual Plan. Because of the strong interest expressed by members of the Resident Advisory Board in a homeownership program, analysis of the viability of joining an existing homeownership program will be considered.

Required Attachment D: Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals

- A Resident Advisory Board has been established and its membership has commented on the contents of the annual plan.
