C. Strategy for Addressing Needs

The HA will continue to attempt to maintain its high lease -up rate in the Section 8 Program. If eligible, the HA will apply for additional Section 8 Housing Vouchers and will secure any opt -out Voucher that are available as well. However, continued increased program requirements (e.g. lead based paint) may substantially impact the HA's efforts in these areas by taking away valuable staff time and negatively impacting the HA's continued emphasis on increasing lease -up and funding utilization. The HA will also attempt a homeownership program and also operate a successful Mainstream Program for individuals with disabilities.

(1) Strategies

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off -line

- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed financed development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease -up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

- Maintain or increase section 8 lease -up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease -up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed -finance housing
- Pursue housing resources other than public housing or Section 8 tenant -based assistance.
- Other: (list below)

**Attachment_ C : Comments of Resident Advisory Board and
PHA Response**

Attached you will find the comments received from the Resident Advisory Board and documentation of their meeting of April 29, 2002. The HA has taken all of the RAB comments into consideration; however, no changes were necessitated to the plan by the comments received from the Resident Advisory Board.

All members of the Delaware Resident Advisory Council received, via United Parcel Service, a complete copy of the Delaware MHA's proposed FY2002 annual and five-year plans, including supporting documentation of the organizational chart, the latest PHA audit and the Section 8 Administrative Plan.

Following receipt of the documents and review time, the members of the Delaware MHA Resident Advisory Council met on Monday, April 29, 2002, at 3:00pm at the Authority leasing offices in Delaware, Ohio.

Attending the meeting were members Mrs. Laurel Labadie, and Mr. Tyrone Parker. Others attending were Mrs. Theresa Kauble, Delaware MHA Director.

The Director, Mrs. Kauble, welcomed the members, explained the purpose of this Resident Advisory Council meeting and explained the differences between the Section 8 Existing and Public Housing Programs.

Ms. Kauble said the Authority is very interested in receiving input from participants on how to improve Authority operations and services.

Ms. Kauble reviewed with the Council the proposed annual and five-year plans, explaining the plan provisions, implications and Authority goals, mission, objectives and strategies as outlined in the plan.

Members had favorable comments about the Authority and its operations, and following lengthy discussion, indicated that if they had any additional comments, they would submit them in writing to the Authority.

Following discussion, the Director thanked members for their comments and the meeting was adjourned at approximately 3:45pm.

Attachment D: Community Service Requirements

The Delaware MHA has none, and administers no, Public Housing units. As such, the HA is not subject to the Public Housing Resident Community Service Requirements.

However, the Delaware HA has entered into a cooperative agreement with the Delaware County Department of Job and Family Services (the local TANF [welfare] agency) to assist the HA and TANF agency in verifying compliance with various components of programs operated by each agency.

A copy of the Memorandum of Understanding is included with the original hardcopy .

Attachment E: Progress in Meeting the 5 -Year Plan Mission and Goals

The Delaware MHA is working diligently to maintain its lease-up rate in its Section 8 Housing Choice Voucher Programs, as mandated by the U.S. Department of Housing and Urban Development.

In addition, the Delaware MHA has been consulted and has lent its support to various low-income tax credit projects built, and proposed, for Delaware County in a continuing effort to provide as great a housing opportunity as possible for low to moderate income Delaware County residents.

The HA will also attempt to obtain as many additional Housing Choice Vouchers as possible in the near future, and will continue to apply for Section 8 Mainstream Housing Vouchers when they become available.

In addition, the Authority will apply for a Section 8 Homeownership Program, which we feel, would be advantageous to the Delaware community and the low-income families the Authority serves.
