The Housing Authority of Marion staff and Commissioners feel that great progress is being made in meeting its mission and goals set forth in its initial 5 year plan in that we have maintained a status of high performer.

The Housing Authority has adopted several policies over the last few years that promote and encourage self-sufficiency, such as deferring rent increases for qualified residents that transition from welfare to work. We have also established flat rents, based on current FMR to assist in keeping rents lower which will encourage employment and self-sufficiency.
