**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Jackson Housing Authority (JHA) has been designated as a high performer for the past 7 years. Currently, JHA operates 1027 units of Low Rent Public Housing, and has 928 Section 8 vouchers.

During the past fiscal year, JHA continued to keep its vacancy rate down to a minimum. With the high demand in this area for low income housing, JHA continues to serve clients and to fulfill their need for housing. There remains still a large number of families that are on the waiting list for both low rent and Section 8 housing. Notice has been given to the public that Section 8 applications will no longer be taken effective April 1, 2002. Closing of the Section 8 waiting list was necessary due to the number of applicants requesting this program. Although, JHA was awarded additional vouchers, the demand cannot be met at this time. An application was sent to HUD requesting additional voucher funding in an effort to meet these needs.

With the elimination of the PHDEP funding, JHA is earnestly seeking ways to continue the programs and policing that has been provided by this grant. Through PHDEP, the Authority has experienced a reduction of crime rate in its developments due to the establishment of the Community Crime Reduction Units. Another component of the grant funded activities for the Boys & Girls Club in the effort of curtailing illegal drug use and abuse by targeting children and youth in public housing.

A ROSS application will be submitted again to secure funding to continue the accomplishments of the Social Services program. The continuation of this program will benefit the public housing residents who have the desire to become self-sufficient and homeowners. JHA will implement a Section 8 Homeownership program beginning October 1, 2002.

The Authority contracted with a firm for the provision of a Comprehensive Asset Management Plan. The Asset Management Plan has just recently been completed, and the recommendations are in the process of being examined. It is yet to be determined whether a HOPE VI Revitalization grant application will be developed and submitted for Parkview Courts.

JHA will search for new opportunities to expand affordable housing in the Jackson and Madison county area.

### **ATTACHMENT tn007a04**

The Jackson Housing Authority (JHA) has adopted the income targeting goals established in the Quality Housing and Work Responsibility Act. In order to reach these goals, the JHA has established the following policies to promote deconcentration in the JHA public housing developments:

1. The JHA will advertise in local papers the income ranges eligible to live in public housing to inform higher income persons of their eligibility for public housing.
2. If necessary, the JHA will skip lower-income families on the waiting list in order to serve a family who is in a higher income category.
3. The JHA will utilize both ceiling rents and flat rents (when authorized) as a means to attract families of higher incomes.
4. The JHA will utilize its Housing Incentive (HI) Program as an inducement for higher income persons to live in public housing.

**Dwelling Lease Addendum  
Pet Ownership in Public Housing  
Jackson Housing Authority (JHA)**

As applicable, Section 526 of the Quality Housing and Work Responsibility Act of 1998 (Public Law 105-276, 112 Stat. 2451, 2568 (the Public Housing Reform Act of 1998) added new section 31 (captioned Pet Ownership in Public Housing to the United States Housing Act of 1937). Section 31 establishes pet ownership requirements for tenants of public housing other than federally assisted rental housing for the elderly or persons with disabilities. Section 227 of the Housing-Rural Recovery Act of 1983 (12 U.S.C. 1701r-1) (the 1983 Act) covers pet ownership requirements for the elderly or persons with disabilities. This rule does not alter or affect these regulations in any way, nor would the regulation in Section 227 of the 1983 Act apply in any way to Section 31 of the 1937 Act. Section 31 of the 1937 Act is being implemented by adding a new subpart G to 24 CFR Part 960. The following policies must be complied with for pet ownership in JHA:

1. Pet ownership: A tenant may own one common household pet or have one common household pet present in the dwelling unit of such tenant, subject to the following conditions:
  1. Common household pets are defined as dog, cat, fish. No other animals are permitted.
  2. Each Head of Household may own one pet.
  3. If the pet is a dog or cat, it must be neutered/spayed, and cats must be declawed. Evidence of neutering/spaying can be provided by a statement/bill from veterinarian and/or staff of the humane society. The Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 15 pounds (fully grown).
  4. If the pet is fish, the aquarium must be twenty gallons or less, and the container must be placed in a safe location in the unit. The Tenant is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and nonhazardous manner.
  5. If the pet is a dog, it shall not weigh more than 25 pounds (fully grown).
  6. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by a statement/bill from veterinarian or staff of the humane society.
  7. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose or chained outside, and if the pet is taken outside it must be taken outside on a leash and kept off other Tenant's lawns.
  8. All authorized pets must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not under the control of an adult. Pets which are unleashed, or leashed and unattended, on JHA property will be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to

reclaim the pet and at the expense of the Tenant. Also, if a member of the JHA staff has to take a pet to the Humane Society the Tenant will be charged \$50 to cover the expense of taking the pets to the Humane Society.

9. Pets may not be left unattended for more than twenty-four consecutive hours. If it is reported to JHA staff that a pet has been left unattended for more than a twenty-four (24) consecutive hour period, JHA staff may enter the unit and remove the pet and transfer the pet to the Humane Society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Tenant.
10. Pets, as applicable must be registered by JHA staff prior to execution of the lease addendum. The pet will be photographed at the following location, and the Tenant agrees to transport the pet to the stated location:\_\_\_\_\_.

**Note:**

**Also, any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet and must be removed from JHA property.**

2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of to avoid any unpleasant and unsanitary odor from being in the unit. Tenants taking pets outside must remove any solid waste generated by the pet and dispose of it properly (see Paragraph 5 below).
3. Prohibited Animals: Animals that are considered vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, Rottweiler, Doberman Pincher, Pit Bulldog, and/or any animal that displays vicious behavior. This determination will be made by a JHA representative prior to the execution of this lease addendum.
4. Pets shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. The Sector Coordinator will terminate this authorization, if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make other arrangements for the care of the pet.

If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other Tenants, or create a problem in the area of cleanliness and sanitation, the Sector Coordinator will notify the tenant, in writing, that the animal must be removed from the Public Housing Development. The written notice will contain the date by which the pet must be removed and this date must be complied with by the Head of Household. This date will be immediate if the pet may be a danger or threat to the safety and security of other tenants. The Tenant may request a hearing, which will be handled according to JHA's established grievance procedure. Provided, however, the pet must be immediately removed from the unit upon notice during the hearing process if the cause is because of safety and security.

5. The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the grounds of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible

waste by the pet it must be disposed of in a plastic bag, securely tied and placed in the garbage. If the JHA staff is required to clean any waste left by a pet, the Tenant will be charged \$25 for the removal of the waste.

- 6. The Tenant shall have canine pets restrained so that maintenance can be performed in the apartment. The Tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Tenant shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained will be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the JHA staff has to take a pet to the Humane Society the Tenant will be charged an additional \$50 to cover the expense of taking the pet to the Humane Society. The housing authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.

## **STATEMENT OF PROGRESS IN MEETING THE 5-YEAR PLAN MISSION AND GOALS**

### MISSION

Since the inception of the PHA 5-Year Plan, the Jackson Housing Authority has continued in its mission of providing quality housing and supporting services for low and moderate income persons to promote upward mobility and a better standard of living.

### GOALS

#### EXPAND THE SUPPLY OF ASSISTED HOUSING

JHA has expanded the supply of assisted housing by applying for additional rental vouchers and has been awarded an additional 257 housing choice vouchers since the initial FY 2000-2004 PHA 5 Year and Annual Plan was submitted to HUD. This has been a positive step in the effort of helping low to moderate income families to obtain affordable housing. JHA has also reduced the public housing vacancy rate from 2.64% when the original draft plan was constructed in March 2000 to a rate of 0.98% for the last draft plan in March 2002. The Authority made a concerted effort to purchase a HUD 202 property with 138 units that was in foreclosure, but was unable to gain that asset. JHA has prepared an Asset Management Plan, which outlined other possible acquisition opportunities.

#### IMPROVE THE QUALITY OF ASSISTED HOUSING

JHA has maintained a high-performer status in the area of public housing management since the inception of the plan, and has improved voucher management bringing the SEMAP score from 96 to 130. Renovation of public housing units continues to greatly improve the quality of housing. Funding has been awarded each year through the Capital Fund Program, which has allowed the Authority to continue the modernization of its public housing developments. There has not been any disposition or demolition of public housing, nor has a HOPE VI application yet been submitted. JHA has not yet had to provide replacement public housing. Replacement vouchers were granted for the above mentioned HUD 202 property. An Asset Management Plan has been prepared for JHA, and at this time, an implementation strategy has been drafted. The 89 efficiency units at McMillan have not been converted to 59 one-bedroom units. However, the plan has proposed other action for this development.

#### INCREASE ASSISTED HOUSING CHOICES

The Authority conducts outreach efforts to potential voucher landlords to broaden the availability of housing to voucher holders by encouraging voucher holders to look for units in non-impacted areas of the city. Voucher payment standards were increased to 110% FMR. A voucher homeownership program is scheduled to begin with the upcoming fiscal year. Homeownership for public

housing residents is still a realistic goal as the Homebuyer Incentive Program continues to provide the needed assistance to help them become self-sufficient.

PROVIDE AN IMPROVED LIVING ENVIRONMENT

The goal of providing an improved living environment has been quite challenging. The Authority continues to contract police services and other programs that will enhance the quality of life for tenants living in public housing. JHA works at mixing low and higher income tenants within the developments, and pursue alternative funding sources for resident programs.

PROMOTE SELF-SUFFICIENCY AND ASSET DEVELOPMENT OF ASSISTED HOUSEHOLDS

The Authority has implemented a Social Services program to assist the clients with all areas of their needs such as counseling, personal finance, employment, parenting and obtaining other needed services. This department has been very successful in their efforts.

ENSURE EQUAL OPPORTUNITY AND AFFIRMATIVELY FURTHER FAIR HOUSING

JHA has and will continue to provide fair housing and equal opportunity information and training to applicants, residents and the community. Through the JHA Community Development Block Grant department, an Impediment to Fair Housing Study is funded along with other housing counseling services.
