1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

1. The revised Admissions and Continued Occupancy Policy (ACOP) and Lease have been implemented to comply with the de-concentration and income mix requirements; thereby, encouraging higher income families in the developments. The Resident Board member is not elected. In addition, the Housing Authority has established a Resident Advisory Board that has been involved in the development of the Agency Plans.
6. The Housing Authority is providing decent, safe, and sanitary housing through the effective and efficient utilization of operating funds. The Housing Authority will continue utilization of a pest control contractor to reduce and eliminate pests, including cockroaches.
7. The Housing Authority does not have a HUD funded Drug Elimination Grant. However, the Housing Authority has a partnership with the local law enforcement agency to implement crime prevention activities that promotes crime prevention through a partnership with the local law enforcement agency.
8. The Resident Advisory Board consists of six members. They represent the five sites of the development and the Section 8 program.

Mission and Goal Progress:

The PHA has responded to the Resident Services and Satisfaction Survey (attachment tn059a01).

Efforts to improve management functions are included in the amendments to the ACOP and Lease.

All capital funds have been obligated and expended in accordance with the FY 2001 Agency Plan. Extraordinary maintenance activities have been undertaken with operating budget funds.

Security improvements continue with the police department. The ACOP permits police officers to reside in the developments.

Increasing the number and percentage of employed persons in the developments is being accomplished by a preference for working families included in the revised ACOP.

Based on the PHA's rental register the goals to ensure equal opportunity in Housing for all Americans are being met. The Housing Authority's racial composition of whites to minorities exceeds the racial composition in Lewis County
