The PHA's mission is: (state mission here)

**B. Goals**

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

**HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.**

XX PHA Goal: Expand the supply of assisted housing

Objectives:

Apply for additional rental vouchers:

Reduce public housing vacancies:

XX Leverage private or other public funds to create additional housing opportunities:

XX Acquire or build units or developments

Other (list below)

The Housing Authority started a Non-profit Corporation in order to leverage resources and create additional housing. Through this process, the Housing Authority has afforded additional families the opportunity of homeownership. It is the intent of the Housing Authority to continue leveraging resources, acquiring houses, and affording residents the opportunity of homeownership.

Further the Housing Authority through the Non-Profit Corp. has acquired several houses which are leased under the Section 8 Voucher Program. This not only increases the housing stock from which applicants may chose, but also provides the Non-profit Corp. a means of income to continue as a player in the financial leveraging market.

- PHA Goal: Improve the quality of assisted housing  
Objectives:
  - XX Improve public housing management: (PHAS score)
  - XX Improve voucher management: (SEMAP score)
  - XX Increase customer satisfaction:
  - XX Concentrate on efforts to improve specific management functions: (list; e.g., public housing finance; voucher unit inspections)
  - XX Renovate or modernize public housing units:
    - Demolish or dispose of obsolete public housing:
    - Provide replacement public housing:
    - Provide replacement vouchers:
    - Other: (list below)

The Housing Authority is awaiting the PHAS Advisory Scores in order to establish baseline improvement data.

  - XX Implement voucher homeownership program:
  - XX Implement public housing or other homeownership programs:

    - Convert public housing to vouchers:
    - Other: (list below)

As described above, through the avenue of Non-Profit Corp's, the Housing Authority is implementing homeownership programs as funds allow. Considering voucher payment standards, the Housing Authority annually updates the Fair Market Rents in accordance with published HUD guidelines.

**HUD Strategic Goal: Improve community quality of life and economic vitality**

- XX PHA Goal: Provide an improved living environment

Objectives:

- XX Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
- XX Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
- XX Implement public housing security improvements:
- XX Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
- Other: (list below)

To the maximum extent possible, the Housing Authority promotes deconcentration and income mixing; however, the limited job market and economic conditions within the jurisdiction often hinder upward mobility.

The continued Drug Elimination Grants have allowed the Housing Authority to address security issues and curtail crime and drug related activity within the developments. The Police Department continues to provide monthly reports for all service calls to Housing Authority properties. In the continued efforts to promote safe and secure housing, the Housing Authority and the PD have teamed up. A police substation has been established and the relationship between the Housing Authority and the Police Department now has a stronger bond. Long term goals include assisting the Police Department in all viable ways to ensure the continued working relationship. \$43,000 dollars subsidy will be allocated in the Low Rent program.

The elderly residents at our two elderly sites continue to utilize the community services. They have made comments that imply that they are still using facilities such as adult day care centers, senior citizen centers, home health agencies and the local transportation department. The Housing Authority continues to further strengthen the cooperative arrangements with the various agencies in order to prevent premature institutional confinement.

**HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals**

- XX PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- XX Increase the number and percentage of employed persons in assisted families:
- XX Provide or attract supportive services to improve assistance recipients' employability:
- XX Provide or attract supportive services to increase independence for the elderly or families with disabilities.
- Other: (list below)

The Housing Authority implemented a scholarship program in association with the DE program. It is the intent to continue awarding scholarships throughout the next several years or as funding permits. RHA hopes to continue various educational programs such as Camp Genesis, Memberships to the local boys and girls Club and Intersession Camps and other drug prevention programs.

During the next several years we hope to reduce the number of resident students dropping out of school while at the same time increasing the number of residents students attending institutions of higher education. In association with the School Districts goals, the RHA hopes to assist in promoting attendance .

With respect to the supportive services for elderly and families with disabilities, approximately 25% of the Housing Authority's residents require these services. The Housing Authority wishes to continue the cooperative efforts with the Nueces County Community Action Agency, the Adult Day Care Center, The Nueces County Senior Citizens Center, the Care "B" transportation system as well as St. Anthony's Social Services, a faith based organization. Based on resident comments, the Housing Authority believes that the level of supportive services is satisfactory; however, maintaining the current level is also essential.

### **HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans**

- XX PHA Goal: Ensure equal opportunity and affirmatively further fair housing  
Objectives:
  - XX Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:
  - XX Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:
  - XX Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:
  - Other: (list below)

The Housing Authority actively promotes through written policies as well as through practices. Through staff development programs, the Housing Authority's employees and commissioners will obtain a heightened awareness of affirmative action issues and measures to ensure equal housing opportunities. Further the grievance procedure afford any resident the right

to a due process except for criminal and drug related activities that threatens the health and safety of other residents or employees.

### RASS Certification:

RHA has reviewed the RASS results and based on the information, the following areas will be addressed:     **Security and Neighborhood Appearance:**

With respect to safety, RHA will implement a Neighborhood Watch program at the different sites, install additional security lights and request additional police patrol. We hope that with incorporating these changes, we will be able to change the score when assessed next year. This area will be addressed by using operating funds and CFP 1406 funds. We plan to have this addressed and completed by December 2002.

With respect to Neighborhood Appearance, RHA will be landscaping the areas and redoing the driveways, which will add additional parking spaces and tenants will not have to park on the lawns. This area will be addressed by using operating funds and CFP 1406 funds. We plan to have this addressed and completed by December 2003.
