Attachment F: EXPLANATION OF PHA RESPONSE TO COMMENTS OF RESIDENT ADVISORY

The Crowell Housing Authority met with the advisory board and a committee of 5 tenants on March 25, 2002 at 5:00 p.m.

1. Rosalie McGreger brought up the concern of the tenants over the cracked walls of the Apartments. It was discussed and decided that management should have someone to look at them and decide if they could be fixed or not. The walls are cracked because of the slab foundations that are cracking because of the drought periods followed by the exceptionally rainy weather last year.
2. Irene Baylor suggested that the tenants be encouraged to beautify their yards by watering the grass and planting flowers.
3. There was a general discussion over the dilapidation of the over all complex. It was explained that within the next five years there should be some visible abatement of this problem.
4. Diane Hall asked about the problem with roaches. It was discussed and decided that the tenants should be encouraged to do their part in trying to control these pests by keeping their habitation clean in addition to the exterminator coming every month.
5. There was some concern over pets. Pets should be allowed only if they meet the required size standard and if the tenant is willing to pay their pet deposit.
6. Lat rent payments was also discussed and agreed that tenants should not be allowed to get behind.
