Required Attachment F: INITIAL VOLUNTARY CONVERSION ASSESSMENT

(Not eligible for Conversion)

PHA: **Housing Authority of the City of Kyle**

DEVELOPMENT NAME: Charles Young Homes

We have reviewed the subject development's operation as public housing, considered the implications of converting the public housing to tenant-based assistance, and concluded that the development **does not meet the necessary conditions for voluntary conversion**. Our analysis indicates that conversion of the development:

1. Will be more expensive than continuing to operate the development (or portion of it) as public housing;
2. Would not principally benefit the residents of the public housing development to be converted and the community; and
3. Would adversely affect the availability of affordable housing in the community.
