ii. Executive Summary

[24CFR Part 903.79(r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The MHA programs consist of 68 Low -Rent units under three construction projects 34 units built in 1976, 10 units built in 1980, and 24 units built in 1984. We also have a Section 8 (New Construction) program consisting of 52 one bedroom units built in 1979 and 44 vouchers.

The MHA has the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect while providing adequate and affordable housing. The MHA has extended its role beyond housing assistance and has developed and will continue developing programs as deemed feasible which will provide economic self - sufficiency to the families it serves.

The MHA has no vacancy problems and has a good number of working families residing in Public Housing units with a good economic and racial mix. We use ceiling rents, minimum rents to meet those goals.

The MHA has three primary sources of funding: operating funds, Capital Funds, and PHDEP grants. With these funds, we provide quality housing and opportunities for self - sufficiency for our clients.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5 -year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5 -year Plan:

A. Significant Amendment or Modification to the Annual Plan:

The housing Authority will consider the following to be changes in its agency plan necessary and sufficient to require a full review by the Resident Advisory board before a corresponding change in the Agency Plan can be adopted:

- 19. Any alteration of the PHA's mission statement
- 20. Any change or amendment to a stated Strategic Goal
- 21. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met.
- 22. Any introduction of a new Strategic Goal or a new Strategic Objective
- 23. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year.

In defining the above, the Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are "significant amendments or modification" to the Agency Plan:

- 1. Changes to rent or admission policies or organization of the waiting list
- 2. Addition of non -emergency work -items (items not included in the current Annual Statement or 5 -Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
- 3. Addition of new activities not included in any PHA DEEP Plan.

4. Any change with regard to demolition or disposition, designation, home ownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD.
