B. Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: (provide name here) **STATE OF WASHINGTON**

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)
 - The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
 - The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
 - The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
 - Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)

Of the six general priority areas identified in the Washington State Consolidated Plan the PHA activities are consistent with five. Because of staffing and resource constraints we are unable to assist homeowners, but instead are concentrating on rental assistance programs. However, the PHA will be reviewing the feasibility of HUD's Section 8 Housing Choice Voucher Homeowner Program through partnership with a non-profit. The activities we are undertaking to be consistent with the Consolidated Plan are:

- 1. Continuing to apply for additional Federal and State Rental Assistance Programs.**
- 2. Seek mixed-financing to purchase upcoming pre-sale and opt-out HUD and Rural development units as they become available.**
- 3. Seek state supported technical assistance, pre-development grants and loans, and funding in our quest to purchase upcoming pre-sales and opt-out HUD and Rural development units as they become available (i.e., Impact Capital and Housing Trust Fund)**

With these actions we address the following priorities in the Washington State Consolidated Plan:

- Increase the availability and affordability of housing for renter households earning 80% or median income or less, with an emphasis on the very low income of 30% or less.**
- Provide a continuum of housing and services for the homeless people.**
- Provide a continuum of housing and related services for people with special needs, i.e., elderly, disabled, and agricultural workers**

- **Increase the capacity and skills of local organizations to identify and undertake housing development activities and assist local governments to identify and use flexible and on-going options to fund housing programs and implement local housing policies.**
- **Provide leadership in housing regulation and policy development to increase access to affordable housing throughout the state.**

Other: (list below)

3. PHA Requests for support from the Consolidated Plan Agency

Yes **X No**: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

- 1. Provide tenant based rental assistance through HOME, targeting very low-income, homeless, and special needs populations.**
- 2. Develop and/or preserve an additional 750 units, annually, of housing through acquisition, new construction, and rehabilitation programs funded by Housing Trust Fund, Community Development Block Grant and HOME programs. Sixty percent of the units will be targeted for households below 50% of the area median income and 40% will be targeted fo households earning 50-80% of the median income.**
- 3. To track the status of federally assisted units in danger of conversion, identify qualified purchasers to preserve the units and provide financing when appropriate.**
- 4. Tax Credit Options available through the Washington State Finance Housing Commission to preserve existing housing.**
- 5. Funding for Washington Community Development Loan Fund and the Housing Trust Fund.**

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan: NONE

B. Significant Amendment or Modification to the Annual Plan: NONE

ATTACHMENT D: Definition of “Substantial Deviation” and “Significant Amendment or Modification” to the Agency Plan:

A Housing Authority is required to identify in its Annual Plan the basic criteria that will be used to determine what constitutes a “substantial deviation” from the Five Year Plan and/or a “significant amendment or modification” to either the Five Year Plan or the Annual Plan.

After approval of the Agency Plan, a Housing Authority may not “substantially deviate” from its Five Year Plan or implement any amendment or modification which is a “significant amendment or modification to the Five Year Plan until:

- The amendment or modification has been adopted at a duly called meeting of the Housing Authority Board of Commissioners; and
- Notification of the amendment or modification is submitted to HUD and approval is received from HUD.

The Okanogan County Housing Authority considers a “substantial deviation” or “significant amendment or modification” as a discretionary change in the plan or policy of the Housing Authority that fundamentally alters the mission, goals, objectives or plans of the Agency and which will require the formal approval of the Board of Commissioners. Specifically, the following will be considered to constitute a substantial deviation or significant amendment or modification:

- A material change in the policies regarding the manner in which tenant rent is calculated.
- A material change in the admissions policies with respect to the selection of applicants from or organization of the waiting list.
- Any change with regard to homeownership programs not previously identified in the Agency Plan.

An exception to this definition will be made only to the extent that the modification is the result of changes in HUD regulatory requirements; such changes will not be considered a substantial deviation or significant amendment or modification to either the Five Year or Annual Plans.
