### **C. Criteria for Substantial Deviation and Significant Amendments**

#### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan: and**

#### **B. Significant Amendment or Modification to the Annual Plan:**

**The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:**

#### **19. Any alteration of the PHA's Mission Statement**

20. Any change or amendment to a stated Strategic Goal
21. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met
22. Any introduction of a new Strategic Goal or a new Strategic Objective
23. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year

**In defining the above, the Housing Authority intends by “Strategic Goal” and “Strategic Objective” specifically those items in its Five Year Plan and any change in the above items will be considered a “substantial deviation” from the plan. Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are “significant amendments or modification” to the Agency Plan:**

- 1) Changes to rent or admissions policies or organization of the waiting list
- 2) Additions of non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund
- 3) Additions of new activities not included in any PHDEP Plan
- 4) Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

**An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD**

# VOLUNTARY CONVERSION OF PUBLIC HOUSING DEVELOPMENTS REQUIRED INITIAL ASSESSMENT

## HOUSING AUTHORITY OF Des Arc, AR

As required by 24 CFR part 972-Conversion of Public Housing to Tenant-Based Assistance, we have:

1. Reviewed each development's operation as public housing;
2. Considered the implications of converting the public housing to tenant-based assistance; and
3. Concluded that the conversion of the development may be:
  - Appropriate because removal of the development would meet the necessary conditions for voluntary conversion; or
  - Inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion.

**Necessary conditions for voluntary conversion:**

- Not to be more expensive than continuing to operate the Development (or portion of it) as public housing;
- Principally benefit the residents of the public housing Development to be converted and the community; and
- Not adversely effect the availability of affordable housing in the community

**EXAMPLE:**

Development Number	Development Name	Development Exempted?	Exemption Reason	Conversion Appropriate?
KY005-01	Anytown Towers	YES	Elderly/Disabled High Rise	N/A
KY005-02	Downtown Homes	NO	N/A	NO

Please complete this table for all developments of your PHA and attach a short narrative as documentation of your reasoning with respect to each covered development.

Development Number	Development Name	Development Exempted?	Exemption Reason	Conversion Appropriate?
AR040	Des Arc Housing Auth	NO	N/A	NO

It is the conclusion of the Housing Authority of City of Des Arc, Arkansas that it would not be in the best interest of the community, the current tenants or the authority to convert from the current public housing program to a Voucher Program.

## **Statement of Progress**

The Des Arc Housing Authority has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment from discrimination through the utilization of FY 00/01/02 Capital Funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively.

Capital Funds have been utilized to provide modernization of our property and all future grants will continue that effort.

The Community Service Requirement has been suspended by HUD. It may be reinstated in fiscal year 2003. If so our ACOP and leases will be modified to reflect that change.

We are confident that the SHA will be able to continue to meet and accommodate all our goals and objectives in FY 2003.

## **Comments to Resident Survey Results**

The 2003 Capital Fund Budget has been changed to include landscaping in response to the tenants requests for a change in the appearance of the outside of the projects.
