Statement of Progress In Meeting the Mission and Goals in the PHA's Plan

The Housing Authority of the City of Parkin has worked toward success in achieving its mission and goals in the year 2002. Goals are either completed or on target for completion.

Modernization work items are being carried out and funds obligated. We are continuing and will continue to modernize our units and keep the grounds in good condition through the Modernization Programs funded by HUD.

We are improving the quality of life by improving our physical inspections through training programs.

To ensure compliance with the Public Housing Reform Act of 1998, every policy has been reviewed and updated as needed. Most significant was the update to the Admissions and Occupancy Policy.

VOLUNTARY CONVERSION OF PUBLIC HOUSING
DEVELOPMENTS
REQUIRED INITIAL ASSESSMENT

As required by 24 CFR part 972 – Conversion of Public Housing To Tenant Based Assistance, we have:

1. Reviewed each development's operation as public housing;
2. Considered the implications of converting the public housing to tenant based assistance; and
3. Concluded that the conversion of the development may be inappropriate because removal of the development would not meet the necessary conditions of voluntary conversion.
