**A. Substantial Deviation from the 5 -year Plan:**  
and

**B. Significant Amendment or Modification to the Annual Plan:**

The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

19. Any alteration of the PHA's Mission Statement
20. Any change or amendment to a stated Strategic Goal
21. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met
22. Any introduction of a new Strategic Goal or a new Strategic Objective
23. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year

In defining the above, the Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan. Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are "significant amendments or modification" to the Agency Plan:

- 1) Changes to rent or admissions policies or organization of the waiting list
- 2) Addition of non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund
- 3) Addition of new activities not included in any PHDEP Plan
- 4) Any change with regard to demolition or disposition, designation, home ownership programs or conversion activities

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD

# **Augusta Housing Authority**

## **Statement of Progress**

The Augusta Housing Authority has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment from discrimination through the utilization of FY00/01 Capital Funds and the proper application of four public housing policies.

We are continuing to address public housing vacancies very aggressively.

Capital Funds have been utilized to provide modernization of four property and all future grants will continue that effort.

The Community Service Requirement has been reinstated by HUD. Our ACOP and leases will be modified to reflect that change.

We are confident that the AHA will be able to continue to meet and accommodate all our goals and objectives in FY2002.
