**C. Criteria for Substantial Deviation and Significant Amendments**

**1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

**A. Substantial Deviation from the 5-year Plan: NONE**

**B. Significant Amendment or Modification to the Annual Plan: NONE**

**DEFINITION OF “SUBSTANTIAL DEVIATION” AND “SIGNIFICANT AMENDMENT OR MODIFICATION” [903.7]**

The Greene County Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

1. Any alteration of the PHA’s Mission Statement.
2. Any change or amendment to a stated Strategic Goal.

3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met.
4. Any introduction of a new Strategic Goal or new Strategic Objective.

In defining the above, the Greene County Housing Authority intends by “Strategic Goal” and “Strategic Objective” specifically those items in its Five Year Plan and any change in the above items will be considered a “substantial deviation” from the plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are “significant amendments or modifications” to the Agency Plan:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Any change with regard to homeownership programs.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

## Attachment D

### **STATEMENT OF PROGRESS IN MEETING THE MISSION AND GOALS OUTLINED IN 5-YEAR PLAN**

It is the continuing mission of the Greene County Housing Authority to promote and provide adequate and affordable housing that is safe and sanitary; to promote economic opportunity; and to promote and provide a suitable living environment free from discrimination.

On July 22-25, 2002, the U.S. Department of Housing & Urban Development, Little Rock Field Office conducted a Section 8 Management Assessment Program (SEMAP), Rental Integrity Monitoring (RIM), and Technical Assistance Review of the Greene County Housing Authority. Several deficiencies were identified – Management procedures, RIM addressed rental income calculation errors and documentation for files, and HQS deficiencies. Some deficiencies were identified with HUD reporting requirements and HA internal monitoring requirements.

After receipt of the letter from HUD stating the results of their review, we have made policy changes at the Greene County Housing Authority as follows:

1. Internal staff training sessions.
2. Procedure for participants who claim to have zero income or unstable income.

Central AC units have been installed.

The HA sent one employee to a training seminar on HQS Inspections. This employee will cross train other employees. In March, 2003, the HA will send two employees to a training seminar on Section 8 Occupancy. These two employees will cross train other employees

In the coming year, our Section 8 FSS Coordinator will meet with other Housing Authorities who administer Section 8 FSS Programs in an attempt to find a way to promote the FSS program to Section 8 participants who are currently uninterested.

We are confident that the Greene County Housing Authority will be able to meet and accommodate all our goals and objectives in FY 2003.
