CITY OF DOUGLAS HOUSING AUTHORITY

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Douglas Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Douglas Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Douglas Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Douglas Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Douglas Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Douglas Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Douglas Housing Authority housing programs and related services. When such accommodations are granted if they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Douglas Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Douglas Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

A. Is the requestor a person with disabilities? For this purpose, the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Douglas Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Douglas Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Douglas Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Douglas Housing Authority's business is housing. If the request would alter the fundamental business that the Douglas Housing Authority conducts, that would not be reasonable. For instance, the Douglas Housing Authority would deny a request to have the Douglas Housing Authority do grocery shopping for the person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Douglas Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Douglas Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Douglas Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Douglas Housing Authority's programs and services, the Douglas Housing Authority retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR NON-ENGLISH SPEAKING PERSONS AND PARTICIPANTS

The Douglas Housing Authority will endeavor to have bilingual staff or access to people who speak English and Spanish.

1.6 FAMILY/OWNER OUTREACH

The Douglas Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons, who cannot or do not read newspapers, the Douglas Housing Authority will distribute fact sheets to the broadcasting media, community service agencies, library and school bulletin boards and at City Hall. The Douglas Housing Authority will also try to utilize public service announcements.

The Douglas Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The Douglas Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. Owners and managers participating in the Section 8 Program may participate in making this presentation. The briefing is intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities under the program. Emphasis is placed on quality screening and ways the Douglas Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Douglas Housing Authority staff.

The Douglas Housing Authority will encourage owners of suitable units located outside of low-income or minority concentration to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

Persons needing assistance with the Application process may receive help in person at the Douglas Housing Authority, 425 Tenth Street, Douglas, AZ 85607 ~~on~~ between 9:00 a.m. and Noon each Tuesday.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Douglas Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **520.364.8458**.

The application process involves two phases. Phase 1 is the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition, income information, birth dates, and Social Security numbers all household members, and information establishing any preferences to which they may be entitled. Phase 1 may result in the family's placement on the waiting list.

Upon receipt of the families pre-application, the Douglas Housing Authority will make a preliminary determination of eligibility. The Douglas Housing Authority will notify the family in writing of the date and time of placement on the waiting list, waiting list placement number and the approximate amount of time before housing assistance may be offered. If the Douglas Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

Applicants must report changes to their application including changes address in family composition, income, or preference factors. Changes must be reported in writing by the Head of Household. The applicant's file will be annotated and their place on the waiting list will be updated should that become necessary.

Phase 2 is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. Verification of all preferences, eligibility, will be done in Phase 2 of the application process. The family's final eligibility for admission into the Section 8 Program is determined in Phase 2.

4.3 ORGANIZATION OF THE WAITING LIST - TENANT AND PROJECT BASED

The waiting list(s) will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of preference and then in order of date and time of application;
- C. Any contact between the Douglas Housing Authority and the applicant will be documented in the applicant file and/or computer software.

Note: The tenant based waiting list cannot be maintained by bedroom size under current HUD regulations. **The exception to this is the Mod-Rehab Section 8 Project Based Assistance Program.**

4.4 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be within two (2) months of being offered assistance, the family will be asked to complete a full application and present Social Security Number information, original birth certificates, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms and all other required information. Applicant files will be pulled from the waiting list for eligibility certification and will be placed on pending Status. The Douglas Housing Authority must notify the family in writing of its determination, and give the family the opportunity for an informal review.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Douglas Housing Authority will allow the family to reschedule an appointment for good cause but no more than twice. When a good cause exists, the Douglas Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list. Examples of good cause include but are not limited to the following: 1) documentation of hospitalization; 2) documentation of family illness, and 3) death in the immediate family that requires out of town travel.

4.6 PURGING THE WAITING LIST

The Douglas Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Douglas Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests, in writing, that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments or refuses offered housing; or
- C. The applicant does not meet either the eligibility or screening criteria for the program.
- D. Properly addressed letters to applicant are returned by the post office.

4.8 GROUNDS FOR DENIAL

The Douglas Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a history of criminal activity (a three year period) by any household member involving crimes of physical violence against persons or property, and drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff, or cause damage to the property.
- F. Currently owes rent or other amounts to any housing authority in connection with the public housing or Section 8 Programs.

- G. Have committed fraud, bribery, or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- H. Have a family member who was evicted or terminated from assisted housing within the past three years;
- I. Have a family member who was evicted from assisted housing within five years of the projected date of admission because of drug-related criminal activity involving the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell, distribute a controlled substance as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. 802;
- J. Have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The Douglas Housing Authority may waive this requirement with documentation or statement from a third party if:
 - 1. The person has successfully completed a supervised drug or alcohol rehabilitation program; or
 - 2. The person is participating in a supervised drug or alcohol rehabilitation program.
- K. Have engaged in or threatened abusive or violent behavior towards any Douglas Housing staff or residents;
- L. Have a family household member who has been terminated under the Section 8 Program during the last three years;
- M. Have a family member who has been convicted of manufacturing or producing methamphetamine (speed) (Denied for life);
- N. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Douglas Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the time frame specified. The Douglas Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Douglas Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Douglas Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 INFORMAL REVIEW

If the Douglas Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Douglas Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within ten (10) business days of the denial. The Douglas Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Douglas Housing Authority will use the assistance for those families.

5.2 PREFERENCES

Consistent with the Douglas Housing Authority Agency Plan, based on local needs and priorities, all income eligible families will be afforded equal preference for housing assistance by the Douglas Housing Authority.

5.3 SELECTION FROM THE WAITING LIST

Families will be selected from the waiting list on a first-come, first-served basis according to the date and time of the family's application for housing assistance.

In the case of Mod-Rehab Project Based Assistance, the bedroom size and then date and time of application will be utilized to determine selection from the waiting list.

If necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the Douglas Housing Authority retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, the Douglas Housing Authority will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

When an applicant is offered assistance and refuses the offer, he/she loses his/her placement on that particular waiting list. If the applicant is on another waiting list, the position on that list is not affected.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Douglas Housing Authority will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons and relate to the number of bedrooms on the voucher, not the family’s actual living arrangements. The Unit size on the voucher remains the same as long as family composition remains the same, regardless of the actual unit size rented. The PHA will consider factors such as family characteristics including sex age or relationship. Consideration will also be given for medical reasons and the presence of a live-in aide.

Generally, the PHA assigns one bedroom to two people within the following guidelines but will not require adults and children to share a room:

- A. Separate bedrooms for persons of the opposite sex (other than adults who have a spousal relationship and children under the age of 6 years.)
- B. Foster children will be included in determining unit size only if they will be in the unit for more than 6 months.
- C. Live-in aides will generally be provided a separate bedroom at intake. No additional bedrooms are provided for the aide’s family

- D. Space will not be provided for a family member, other than a spouse, who will be absent most of the time, such as a member who is away in the military.
- E. A single pregnant woman with no other family members must be treated as a two person family.

The Douglas Housing Authority may grant exceptions from the subsidy standards if the family requests and the PHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members.

The PHA may grant an exception upon request and documentation for an accommodation for persons with disabilities. Circumstances may dictate a larger size than the subsidy standards permit when persons cannot share a bedroom because of a need, such as a: verified medical or health reason or elderly persons or persons with disabilities who may require a live-in aide. Requests based on health related matters must be verified by a doctor and must state why a larger size unit than that allowed by the guidelines is necessary.

The PHA will not issue a larger voucher due to additions of family members other than by birth, adoptions, marriage or court awarded custody. When a family qualifies for a larger unit the PHA will do so at the next annual reexam providing funding is available.

The members of the family residing in the unit must be approved by the PHA. The family must obtain approval of any additional family members before the new family member occupies the unit except for additions by birth, adoption or court ordered custody, in which case the family must inform the PHA within 30 calendar days. The above referenced guidelines will apply.

The family unit size will be determined by the Douglas Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

The PHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom on the Voucher. The PHA's subsidy standards for determining voucher size shall be applied in a manner consistent with Fair Housing guidelines

The assignment of bedroom sizes (as described above) applies only to the initial occupancy, and does not apply to continued occupancy. During the initial term of the lease, as a result of additions to or decreases in the family size; the subsidy standard will not be changed except at annual re-exam/re-certification. Such determination may only be made by the Director or authorized designee.

6.1 BRIEFING

When the Douglas Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing (allowing ten (10) business days notice) explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they cannot attend the originally scheduled briefing and provide prior written notice, they may attend a later session. If the family fails to attend the second scheduled briefing, they will be dropped from the waiting list and denied admission. Applicants arriving more than 10 minutes late to a briefing will not be briefed. Applicants will not be scheduled for more than two briefings.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families; and

- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income.

6.2 PACKET

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the voucher and the Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard and the utility allowance schedule;
- D. How the Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how portability works;
- F. The HUD-required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;
- H. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses. Upon request, the Housing Authority will also supply any factual information or third party verification relating to the applicant's history as a tenant or their ability to comply with material standard lease terms or any history of drug trafficking, drug-related criminal activity or any violent criminal activity;
- I. The Housing Authority's subsidy standards, including when and if the Housing Authority will consider granting exceptions to the standards;
- J. The HUD brochure on how to select a unit ("A Good Place to Live");
- K. The HUD-required lead-based paint brochure;

- L. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
- M. A list of vacant units submitted by owners/agents who may be willing to lease a unit to the family or help the family find a unit;
- N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the Douglas Housing Authority that may be available;
- O. The family's obligations under the program;
- P. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction;
- Q. Douglas Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- R. The Douglas Housing Authority owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program.

6.3 *ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY*

Beginning October 1, 1999, the Douglas Housing Authority will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 21.0 Transition to the New Housing Choice Voucher Program.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Douglas Housing Authority will issue the voucher. At this point, the family begins their search for a unit. When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a proposed lease; the HUD required tenancy addendum and the request for approval of the tenancy form. The family will submit the proposed lease and the request form to the Housing Authority during the term of the voucher. The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within 15 business days after the receipt of inspection request from the family and owner. The 15 business day period is suspended during any period the unit is unavailable for inspection. The Housing

Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Authority will upon request provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with standard material lease terms.

6.4 TERM OF THE VOUCHER

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant two extensions of the term, but the initial term plus any extensions will never exceed 120 calendar days from the initial date of issuance. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 30 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority may grant an additional 30 day extension beyond the 120-day period.

Upon submittal of a completed request for approval of tenancy form, the HA will suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case, the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

6.5 APPROVAL TO LEASE A UNIT

The Douglas Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the language of the tenancy addendum;
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income.
- F. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- G. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income.
- C. The landlord and tenant sign the lease to include the HUD required addendum;
and
- D. The Housing Authority approves the leasing of the unit.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Authority will not pay housing assistance to the owner.

6.6 DOUGLAS HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD. The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;

- E. The owner has a history or practice of renting units that fail to meet State or local codes; or
- F. The owner has not paid State or local real estate taxes, fines, or assessments.
- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by tenants, Douglas Housing Authority employees or owner employees; or
 - 2. surrounding residents and/or neighbors;
- H. If the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the Douglas PHA determines that approving the unit would provide reasonable accommodation for a family member with disabilities.
- I. Other conflicts of interest under Federal, State, or local law.

6.7 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space;
- G. Units owned by family members; and
- H. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

- I. Manufactured/Mobile Homes constructed prior to June 15, 1976.

The Douglas Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The Douglas Housing Authority will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured/Mobile housing - Post June 15, 1976
- D. Manufactured/Mobile home space rentals

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

In the tenant and/or project based program, participating families are not allowed to move to another unit or change programs until the initial 12 month lease has expired and proper notice has been given to the landlord and the PHA, or if the Housing Authority has terminated the HAP contract with an owner.

The Douglas HA may issue a new voucher if the family does not owe the Douglas HA-or any other Housing Authority or landlord money in connection with a Section 8 program, has not violated a Family Obligation, has not moved and/or been issued a voucher within the last 12 months, **and** only if the Douglas HA has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement may be waived. Mutual termination of an existing lease will not be accepted except for ADA accommodation or other mitigating circumstances. In the case of Mod-Rehab project based assistance continued assistance is only applicable for transfers because of Over/Under housed families.

7.1 WHEN A FAMILY MAY MOVE

For families already participating in the Section 8 Program, the Douglas Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated;

- B. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant; or
- C. The tenant has given notice of lease termination (if the tenant has a right to terminate the lease on notice to the owner).

7.2 PROCEDURES REGARDING FAMILY MOVES

Families with tenant based assistance considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Douglas Housing Authority's jurisdiction, will be required to attend a mover's briefing prior to the Douglas Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income;
- E. Portability requirements and opportunities;
- F. The need to have a reexamination conducted within 120 days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

The following procedures relating to *reexaminations* and *anniversary dates* will apply for all Family Moves.

7.3 PROGRAM CHANGE

When a family has a Program Change due to an expiring Mod Rehab subsidy AND the recertification/verification is more than 120 days old; a new reexam must be conducted. The anniversary date and contract term for new unit AND the new program must be the same. This applies whether the tenant moves or stays in the same unit.

- A. Voucher Waiting List
Voucher Waiting List families must be treated as a new lease up and qualify for the voucher program even if they are already receiving Section 8 assistance through the Mod-Rehab program. This will result in a new anniversary date for the family.
- B. Coronado Courts—Mod Rehab
When a family is over/under housed in the Mod-Rehab program at Coronado Courts and is moving to a new unit, a reexam must be completed if the last recertification was more than 120 days before the move. A new contract will be generated, resulting in a new anniversary date for the family.

7.4 WHEN TO CONDUCT A NEW REEXAM FOR A FAMILY MOVE

In all cases of a transfer or program change, a new reexam **must be** completed if the family income or composition has changed since the last recertification (even if the last recertification/verification is less than 120 old). This will result in a new anniversary date for the family.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days or be less than 30 days. Mutual termination of an existing lease will not be accepted unless they are for ADA accommodation or other mitigating circumstances.

If the family moves from the unit before the initial term of the lease ends without approval of the owner and the Douglas Housing Authority it will be considered a serious lease violation and cause for termination from the program.

The family is required to give the Douglas Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Douglas Housing Authority will be considered a violation of Family Obligations and is cause for termination from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Douglas Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 GENERAL POLICIES OF THE DOUGLAS HOUSING AUTHORITY

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the Douglas Housing Authority at the time the family first submits its application for participation in the program to the Douglas Housing Authority may lease a unit anywhere in the jurisdiction of the Douglas Housing Authority or outside the Douglas Housing Authority jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the Douglas Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Douglas Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Douglas Housing Authority.

Families participating in the tenant based program will not be allowed to move more than once in any 12-month period and under no circumstances will the Douglas Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances, the Douglas Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

If a family has moved out of their assisted unit in violation of the lease, the Douglas Housing Authority will not issue a voucher, and will terminate assistance in compliance with Section 17.0, Grounds for Termination of the Lease and Contract.

8.2 INCOME ELIGIBILITY

A. Admission

A family must be income-eligible in the area where the family first leases a unit with assistance in the Tenant Based Assistance Program.

B. If a portable family is already a participant in the Initial Housing Authority's Tenant Based Assistance Program, income eligibility is not re-determined.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.

B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

A. When the Douglas Housing Authority is the Initial Housing Authority:

1. The Douglas Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
2. The Douglas Housing Authority will determine whether the family is income-eligible in the area where the family wants to lease a unit (if applicable).
3. The Douglas Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority.
4. The Douglas Housing Authority will, within ten (10) business days, notify the Receiving Housing Authority to expect the family.
5. The Douglas Housing Authority will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and related verification information.

B. When the Douglas Housing Authority is the Receiving Housing Authority:

1. When the portable family requests assistance from the Douglas Housing Authority, the Douglas Housing Authority will within ten (10) calendar days inform the Initial Housing Authority whether it will bill the Initial Housing Authority for assistance on behalf of the portable family, or absorb the family into its own program. When the Douglas Housing Authority receives a portable family, the family can be absorbed if funds are available and a voucher will be issued.
2. The Douglas Housing Authority will issue a voucher to the family. The term of the Douglas Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's voucher. The Douglas Housing Authority will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the Douglas Housing Authority during the term of the Douglas Housing Authority's voucher.
3. The Douglas Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Douglas Housing Authority's subsidy standards.
4. The Douglas Housing Authority will within ten (10) business days notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.
5. If the Douglas Housing Authority opts to conduct a new reexamination, the Douglas Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.
6. In order to provide tenant-based assistance for portable families, the Douglas Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the Douglas Housing Authority may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.

C. Absorption by the Douglas Housing Authority

1. If funding is available under the consolidated ACC for the Douglas Housing Authority's Voucher Program when the portable family is received, the Douglas Housing Authority can absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the Douglas Housing Authority's Tenant-Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
 - a. As the Initial Housing Authority, the Douglas Housing Authority will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
 - b. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

To determine annual income, the Douglas Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Douglas Housing Authority subtracts out all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), the Douglas Housing Authority believes that past income is the best available indicator of expected future income, the Douglas Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

B. Annual income includes, but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
6. Welfare assistance.
 - a. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

- ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
- b. Imputed welfare income.
- i. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Douglas Housing Authority by the welfare agency), plus the total amount of other annual income.
 - ii. At the request of the Douglas Housing Authority, the welfare agency will inform the Douglas Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Douglas Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Douglas Housing Authority will use this information to determine the amount of imputed welfare income for a family.
 - iii. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Douglas Housing Authority by the welfare agency).
 - iv. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
 - v. The Douglas Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.

- vi. If a participant is not satisfied that the Douglas Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Douglas Housing Authority denies the family's request to modify such amount, then the Douglas Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Douglas Housing Authority's determination of the amount of imputed welfare income. The Douglas Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may contest the decision in accordance with our informal review policy.
- c. Relations with welfare agencies
- i. The Douglas Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Douglas Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
 - ii. The Douglas Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, the Douglas Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

- iii. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Douglas Housing Authority shall rely on the welfare agency notice to the Douglas Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.
- 7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- 8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses;

4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiative coordination. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring, or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion. (effective 5.21.01)

9.5 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME

- A. If a Section 8 participant receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within thirty (30) days of receipt by the participant.
- B. The Douglas Housing Authority Director, or authorized designee, shall reconcile any difference between the amount reported by the participant and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the Douglas Housing Authority shall adjust the participant's rental contribution beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the participant had not previously reported the proper income, the Douglas Housing Authority shall do one of the following:
 - 1. Immediately collect the back over paid assistance paid by the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the participant from the program for failure to report income; or
 - 4. Terminate the participant from the program for failure to report income and collect the back over paid assistance paid by the agency.

9.6 COOPERATING WITH WELFARE AGENCIES

The Douglas Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency.
- B. To provide written verification to the Douglas Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

10.0 VERIFICATION

The Douglas Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible immigration status.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship/eligible non-citizen documentation is required. Verification of these items will include making copies of Birth Certificates, Immigration Documents, Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Douglas Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Douglas Housing Authority will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the Douglas Housing Authority has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Douglas Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/ eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as Social Security card, birth certificate, military ID or military DD 214 Form, immigration documents.)

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Douglas Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Douglas Housing Authority also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Douglas Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible non-citizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Douglas Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Douglas Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security Number they will be required to sign a statement to this effect. The Douglas Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within 90 days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

After October 1, 1999, the Douglas Housing Authority will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability.

11.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved at the time of annual renewal of the lease, when the tenant continues to reside in the same unit;
- B. If 60 days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Authority or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Housing Authority will consider the location, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base, the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The Fair Market Rent (FMR) published by HUD determines the maximum subsidy for a family.

For a regular tenancy under the Tenant Based Certificate Program, the FMR is the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete. For the Mod-Rehab Project Based program assistance the FMR is the maximum initial gross rent under the assisted lease.

For the Voucher Program, the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the payment standard may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

HUD requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR. The Douglas Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Douglas Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Douglas Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area; the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 - 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

1. 10% of monthly income
2. 30% of adjusted monthly income
3. Minimum rent
4. The welfare rent

Plus any rent above the payment standard.

B. Minimum Rent.

- a. ZERO minimum rent is effective immediately for new lease-ups and at the next annual recertification for existing families.

C. Section 8 Merged Vouchers

1. The payment standard is set by the Housing Authority between 90% and 110% of the FMR or higher or lower with HUD approval.
2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.
3. No merged voucher participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly-adjusted income.

D. Section 8 Preservation Vouchers

1. Payment Standard

- a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or

- ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
 - b. During the HAP contract term, the payment standard for the family is the higher of :
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
 - c. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
 - i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.
- 1. The Douglas Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

E. Manufactured Home Space Rental: Section 8 Vouchers

- 2. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
- 3. The space rent is the sum of the following as determined by the Housing Authority:

- a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for tenant paid utilities.
3. The participant pays the rent to owner less the HAP.
 4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

F. Rent for Families under the Non-citizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;
2. The family was granted continuation of assistance before November 29, 1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The Douglas Housing Authority will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Douglas Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

1. Determine gross rent for the unit. (Gross rent is contract rent plus any allowance for tenant paid utilities).
2. Determine Total Tenant Payment (TTP). (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)
3. Subtract TTP from Gross rent.
4. Multiply the amount determined in Step 3 by a fraction for which:
 - A. The numerator is the number of family members who have established eligible immigration status; and
 - B. The denominator is the total number of family members.
5. The amount determined in Step 4 is the prorated housing assistance payment for a mixed family.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and

type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner.

11.8 CHANGE OF OWNERSHIP

The Douglas Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Douglas Housing Authority's rent payment or the address as to where the rent payment should be sent.

In addition, the Douglas Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Douglas Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The Douglas Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Douglas Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family cannot be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the Douglas Housing Authority will only schedule one more inspection. If the family misses two inspections, the Douglas Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the Douglas Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e. HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.

- G. Quality Control Inspection - Supervisory inspections on at least 5% of the total number of units that were under lease during the Housing Authority's previous fiscal year.

12.2 OWNER AND FAMILY RESPONSIBILITY

A. Owner Responsibility for HQS

1. The owner must maintain the unit in accordance with HQS.
2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Douglas Housing Authority will take prompt and vigorous action to enforce the owner obligations. The Douglas Housing Authority's remedies for such breach of the HQS include termination, abatement of or reduction of housing assistance payments and termination of the HAP contract.
3. The Douglas Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Douglas Housing Authority and the Douglas Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or any Douglas Housing Authority approved extension).
4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the Douglas Housing Authority may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).

2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused defects, the family must correct the defect within no more than 30 calendar days (or any Douglas Housing Authority approved extension).
3. If the family has caused a breach of the HQS, the Douglas Housing Authority will take prompt and vigorous action to enforce the family obligations. The Douglas Housing Authority may terminate assistance for the family in accordance with 24 CFR 982.552.

12.3 HOUSING QUALITY STANDARDS (HQS) 24 CFR 982.401

This Section states performance and acceptability criteria for these key aspects of the following housing quality standards:

- d. The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.
- d. Elevators must be working and safe.

G. Interior Air Quality

1. Performance Requirement

The dwelling unit must be free of pollutants in the air at levels that threaten the health of the occupants.

2. Acceptability Criteria

The dwelling unit must be served by an approvable public or private water supply that is sanitary and free from contamination.

I. Lead-based Paint

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.
- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm^2), or 0.5 % by weight or 5000 parts per million (PPM).

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.

- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part), must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Authority may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.
- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.
- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).

- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.
- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the housing authority may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph k of this Section.

- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
- i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.
 - iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.
 - iv. During exterior treatment soil and playground equipment must be protected from contamination.

- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a voucher to move.
- o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.

- p. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

J. Access

1. Performance Requirements

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirements

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirements

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

- a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).
- b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992, (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA.

The Douglas Housing Authority will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the Douglas Housing Authority has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.
- B. Exterior doors must have screens for ventilation and to keep critters out.
- C. Adequate cooling is required due to extremely high Arizona temperatures and shall be, at minimum, a working swamp cooler for the unit.
- D. Adequate heat shall be considered to be 68 degrees.

- E. If space heaters are to be installed in sleeping rooms, they should be Vented; Listed; equipped with safety shutoff device and the heater must have a label and the input rating must not exceed 30 BTU's per cubic foot of room/space in which the heater is installed.
- F. In units where the tenant must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.
- G. A ¾" overflow pipe that meets code requirements must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

12.5 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

The Douglas Housing Authority will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 15 business days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the Douglas Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item list below), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Douglas Housing Authority will abate payment and terminate the contract in accordance with Sections 12.7 and 17.0(B)(3).

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Douglas Housing Authority will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0(B)(3).

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.
2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 10 days of the initial inspection.
4. For major repairs, the owner will have up to 30 days to complete.

D. Extensions

At the sole discretion of the Douglas Housing Authority, extensions of up to 30 days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 30 days after the initial inspection date, the Douglas Housing Authority will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.6 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking

- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety such as heating and cooling

12.7 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within in the required time frame, the rent for the dwelling unit will be abated.

If the corrections of deficiencies are not made within the specified time frame, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected, the Douglas Housing Authority will end the abatement the day the unit passes inspection. Rent will resume the following day and be paid the first day of the next month.

The Tenant is to be notified that their portion of the rent must still be paid to the landlord during any abatement period.

For tenant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The tenant is held to the same standard and time frames for correction of deficiencies as owners. If repairs are not completed by the deadline, the Douglas Housing Authority will send a notice of termination to both the tenant and the owner. The tenant will be given the opportunity to request an informal hearing.

13.0 OWNER CLAIMS FOR DAMAGES, UNPAID RENT, AND VACANCY LOSS AND PARTICIPANT'S ENSUING RESPONSIBILITIES

This Section only applies to HAP contracts in effect before October 2, 1995. In the case of the Mod-Rehab Program, no Damage Claims will be processed unless the Douglas Housing Authority has performed a move-out inspection. Either the tenant or the owner can request the move-out inspection. Ultimately, it is the owner's responsibility to request the move-out inspection if he/she believes there may be a claim.

Damage claims are limited in the following manner:

- A. In the Voucher Program, owners are allowed to claim up to one (1) month contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease. There will be no payment for vacancy losses under the Voucher Program.
- B. No damage claims will be paid under either program effective on or after October 2, 1995. The exception to this is the Mod-Rehab Project Based Section 8 program.

13.1 OWNER CLAIMS FOR PRE-OCTOBER 2, 1995, UNITS

In accordance with the HAP contract, owners can make special claims for damages, unpaid rent, and vacancy loss (vacancy loss can not be claimed for vouchers) after the tenant has vacated or a proper eviction proceeding has been conducted.

Owner claims for damages, unpaid rent, and vacancy loss are reviewed for accuracy and completeness. Claims are then compared to the move-in and move-out inspections to determine if an actual claim is warranted. No claim will be paid for normal wear and tear. Unpaid utility bills are not an eligible claim item.

The Douglas Housing Authority will make payments to owners for approved claims. It should be noted that the tenant is ultimately responsible for any damages, unpaid rent, and vacancy loss paid to the owner and will be held responsible to repay the Douglas Housing Authority to remain eligible for the Section 8 Program.

Actual bills and receipts for repairs, materials, and labor must support claims for damages. The Douglas Housing Authority will develop a list of reasonable costs and charges for items routinely included on damage claims. This list will be used as a guide.

Owners can claim unpaid rent owned by the tenant up to the date of HAP termination.

In the Certificate Program, owners can claim for a vacancy loss as outlined in the HAP contract. In order to claim a vacancy loss, the owner must notify the Douglas Housing Authority immediately upon learning of the vacancy or suspected vacancy. The owner must make a good faith effort to rent the unit as quickly as possible to another renter.

All claims and supporting documentation under this Section must be submitted to the Douglas Housing Authority within thirty (30) days of the move-out inspection. Any reimbursement shall be applied first towards any unpaid rent. No reimbursement may be claimed for unpaid rent for the period after the family vacates.

13.2 PARTICIPANT RESPONSIBILITIES

If a damage claim or unpaid rent claim has been paid to an owner, the participant is responsible for repaying the amount to the Douglas Housing Authority. This shall be done by either paying the full amount due immediately upon the Douglas Housing Authority requesting it or through a Repayment Agreement that is approved by the Douglas Housing Authority.

If the participant is not current on any Repayment Agreements or has unpaid claims on more than one unit, the participant shall be terminated from the program. The participant retains the right to request an informal hearing.

14.0 RECERTIFICATION

14.1 ANNUAL REEXAMINATION

At least annually, the Douglas Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Douglas Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment with ten (10) business days advance notice. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Douglas Housing Authority will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Douglas Housing Authority taking action to terminate the family's assistance.

14.2 INTERIM REEXAMINATIONS

Families are required to report only the following changes between regular reexaminations within 30 calendar days of the event. These changes will trigger an interim reexamination. During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

- A. Decreased Income expected to last at least 30 days.
- B. All income changes for families that declare zero income and/or changes of income source e.g. new job. Other changes (e.g. COLAS or promotions are dealt with at annual.
- C. A member has been added to the family through birth or adoption or court-awarded custody.
- D. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease.

Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status. The new family member will go through the screening process similar to the process for applicants. The Douglas Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease.

If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Douglas Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member.

In circumstances of a family break-up, the Douglas Housing Authority will make a determination of which family member will retain the voucher, taking into consideration the following factors:

- A. To whom the voucher was issued.
- B. The interest of minor children or of ill, elderly, or disabled family members.
- C. Whether the assistance should remain with the family members remaining in the unit.
- D. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Douglas Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Douglas Housing Authority will make determinations on a case by case basis.

The Douglas Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.3.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Douglas Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Douglas Housing Authority may schedule special reexaminations every 60 days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE DOUGLAS HOUSING AUTHORITY

The Housing Authority may at any time terminate program assistance for a participant, because of any of the actions or inaction by the household:

- A. If the family violates any family obligations under the program.
- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the Douglas Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Authority has ever terminated assistance under the Certificate or Voucher Program for any member of the family.
- F. If any member of the family commits drug-related criminal activity, or violent criminal activity.

- G. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- H. If the family currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.
- I. If the family has not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- J. If the family breaches an agreement with the Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority. (The Housing Authority, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority. The Housing Authority may prescribe the terms of the agreement.)
- K. If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.
- L. If the family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel.
- M. If any household member is subject to a lifetime registration requirement under a State sex offender registration program.
- N. If a household member's illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the Douglas Housing Authority to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The Douglas Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The Douglas Housing Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

16.2 INFORMAL REVIEW FOR THE APPLICANT

A. Informal Review for the Applicant

The Douglas Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Douglas Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The Douglas Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Douglas Housing Authority subsidy standards.
2. A Douglas Housing Authority determination not to approve an extension or suspension of a voucher term.
3. A Douglas Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A Douglas Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.
5. A Douglas Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.

6. General policy issues or class grievances.
7. Discretionary administrative determinations by the Douglas Housing Authority.

C. Informal Review Process

The Douglas Housing Authority will give an applicant an opportunity for an informal review of the Douglas Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the Douglas Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the Douglas Housing Authority decision.
3. The Douglas Housing Authority will notify the applicant of the Douglas Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members (inclusive of head of household and/or spouse) who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Douglas

Housing Authority will consider documented evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the Douglas Housing Authority provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The Douglas Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following Douglas Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and Douglas Housing Authority policies:
 - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Douglas Housing Authority utility allowance schedule.

- c. A determination of the family unit size under the Douglas Housing Authority subsidy standards.

2. In cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Douglas Housing Authority will give the opportunity for an informal hearing before the Douglas Housing Authority terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The Douglas Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

- 1. Discretionary administrative determinations by the Douglas Housing Authority.
- 2. General policy issues or class grievances.
- 3. Establishment of the Douglas Housing Authority schedule of utility allowances for families in the program.
- 4. A Douglas Housing Authority determination not to approve an extension or suspension of a voucher term.
- 5. A Douglas Housing Authority determination not to approve a unit or lease.
- 6. A Douglas Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the Douglas Housing Authority will

provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)

7. A Douglas Housing Authority determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the Douglas Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c), of this Section, the Douglas Housing Authority will notify the family that the family may ask for an explanation of the basis of the Douglas Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Douglas Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:

 - b. State that if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.

D. Hearing Procedures

The Douglas Housing Authority and participants will adhere to the following procedures:

1. Discovery
 - a. The family will be given the opportunity to examine before the hearing any Douglas Housing Authority documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the Douglas Housing Authority does not make the document(s) available for examination on request of the family, the Douglas Housing Authority may not rely on the document at the hearing.

- b. The Douglas Housing Authority will be given the opportunity to examine, at the Douglas Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The Douglas Housing Authority will be allowed to copy any such document at the Douglas Housing Authority's expense. If the family does not make the document(s) available for examination on request of the Douglas Housing Authority, the family may not rely on the document at the hearing.

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the Douglas Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.
- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the Douglas Housing Authority hearing procedures.

4. Evidence

The Douglas Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 10 business days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The Douglas Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the Douglas Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Douglas Housing Authority hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Douglas Housing Authority determines that it is not bound by a hearing decision, the Douglas Housing Authority will notify the family within 10 business days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Douglas Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the Douglas Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both at the end of the term. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Douglas Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Douglas Housing Authority after the first year of the lease. The length of the notice that is required is stated in the lease (generally 30 days).

2. By the owner.

a. The owner may terminate the lease during its term on the following grounds:

- i. Serious or repeated violations of the terms or conditions of the lease;
- ii. Violation of Federal, State, or local law that impose obligations on the tenant in connection with the occupancy or use of the unit and its premises;
- iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons residing in the immediate vicinity of the premises;
- iv. Any drug-related criminal activity on or near the premises;
- v. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;

- (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.
- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
 - c. The owner may only evict the tenant by instituting court action. The owner must give the Douglas Housing Authority a copy of any owner eviction notice to the tenant at the same time that the owner gives the notice to the tenant.
 - d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

B. Termination of the Contract

1. Automatic termination of the Contract

- a. If the Douglas Housing Authority terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. The contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with lease and State and local law.

3. Termination of the HAP contract by the Douglas Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.
- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. The unit is larger than appropriate for the family size or composition under the Program.
- d. When the family breaks up and the Douglas Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
