## **Section 8 PHA Project-Based Vouchers**

The Housing Authority of the City of Sacramento intends to implement project-based vouchers to the fullest extent permitted under the regulations. Potentially up to 1,092, or 20%, of the 5,461 City voucher increment could be project-based. An equal distribution of existing housing and new construction is anticipated. Project-basing will proceed as long as unused vouchers are available and will cease at such as full lease up is achieved. However, a minimal number of turnover vouchers may be used to help stimulate new construction that serves the affordable housing market.

Project-basing will take place City-wide, but targeted in areas where the poverty level is less than 20%, or, with appropriate HUD waivers, in established redevelopment areas where project-basing of vouchers helps to leverage additional re-investment in a particular neighborhood. A full spectrum of housing types will be sought, including SRO's and housing suitable for hard-to-house (large and disabled) families.

Project-basing is consistent with the goals stated in the PHA and Consolidated Plan , in that increased voucher utilization and supply of affordable housing will result. Project-basing of voucher is seen as a critical element of an aggressive lease up strategy that will help to make a wider variety of housing choice available to qualified low income households.

Project-based vouchers are seen as viable alternatives to tenant-based assistance. The apparent saturation of the local market is evidenced by the sub-50% success rate among newly issued voucher holders. It is necessary to expand the supply of affordable housing, and project-based vouchers provide an appropriate means to make more housing available to low income families. Project-basing helps to ensure that these units will be available for up to ten years.

SHRA believes the strategy of project-basing assistance will increase lease-up rates, housing choice, and the availability of affordable housing.

# PET POLICY

[24 CFR 5 Subpart C and 960 Subpart G]

## **INTRODUCTION AND STATEMENT OF VALUES**

### **Purpose**

To establish the Authority's policy for ownership of pets in elderly, disabled and family housing and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets. The Pet Policy is designed to protect both pet owners and non-pet owners, and to ensure the animals receive responsible care. The policy applies to all pets kept in Authority housing. The rules adopted are reasonably related to the legitimate interest of the Authority to provide a decent, safe and sanitary living environment for all Residents, to protect and preserve the physical condition of the premises, and to protect the financial interest of the PHA.

### **A. REGISTRATION OF PETS**

Pets must be registered with the PHA before they are brought onto the premises.

Registration must be updated annually, coordinated with the annual recertification date. Proof of license and inoculation must be submitted with the Resident's annual recertification documents.

### **B. ANIMALS THAT ASSIST PERSONS WITH DISABILITIES**

This policy does not apply to assistive animals that are used to assist, support or provide service to persons with disabilities, or to assistive animals that visit public housing developments. However, the Resident shall be liable for any damage done to the premises or facilities by the pet. To qualify for this exclusion, Residents or prospective Residents must certify in writing that a member of the household is a person with a disability; the animal has been trained to assist persons with that specific disability; and the animal actually assists the person with a disability (24 CFR 5.303). Verification of the need for reasonable accommodation must be provided by a licensed physician or attending health care professional and submitted on a *Verification of Need for Reasonable Accommodation* form. The Authority will consider all requests for reasonable accommodation. All other provisions of the *Lease* and *Pet Policy/Agreement* regarding the responsibilities of pet owners to control the animals, maintain the premises in a clean and sanitary condition and ensure that neighbors enjoy the premises in a safe and peaceful manner apply to all Residents.

### **C. ADVANCE PERMISSION, REGISTRATION, AND PET DEPOSITS**

Permission to keep a pet is granted at the Authority's sole discretion and is subject to the Resident's strict adherence to all aspects of the *Pet Policy/Agreement*. Any Resident who wishes

to keep a pet will first obtain the approval of the Authority, register the pet by complying with the requirements of the *Pet Policy/Agreement*, pay (or make arrangements to pay) a pet deposit for each dog or cat, and sign a *Pet Policy/Agreement*. The pet deposit for Elderly/Disabled families is the greater of \$50.00 or one month's rent. The pet deposit for all other families is the greater of \$200.00 or one month's rent.
