Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

This is a very expensive housing market where it is real hard to stay in place. Our efforts including building additional housing through tax credits; purchasing at-risk housing developments, applying for Section 8 units whenever available and encouraging local agencies, i.e. the Supportive Housing Consortium and the Department of Social Services to fund tenant-based rental assistance programs with local HOME funds. Since the Federal government and State government are virtually out of building additional housing units these are some of the few avenues available to us.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed financed development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration

- Maintain or increase section 8 lease -uprates by effectively screening Section 8 applicantsto increase owner acceptance of program
