C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Shasta County Housing Authority remains committed to maintain its lease up rate at more than 98%. Payment standards are adjusted annually in order to ensure they remain comparable to the market rents in the area. The Section 8 waiting list remains open for new applications and referrals to other assistance programs are provided to applicants when requested. Additionally, Shasta County Housing Authority would seek any new vouchers that become available through the NOFA process. Housing staff is available each day to respond to questions from the general public and/or owners who express interest in the Section 8 program. SCHA provides periodic presentations to local landlord groups in order to inform and educate about the Section 8 program. SCHA also co-sponsors the annual Fair Housing Workshop. These strategies are realistic and achievable.

Definition of Substantial Deviation and Significant Amendment or Modification (ca096a01)

The Shasta County Housing Authority defines significant changes to the PHA Plan as follows:

- Changes to the organization of the waiting list;
- Changes to tenant/resident admissions policies;
- Changes to the tenant/resident screening policy;
- Changes to the Section 8 termination policy;
- Changes to Amendments to the PHA Plan;

In the event of a proposed change to any of the above by the Housing Authority, the change must be provided the same process as is performed for the approval of the PHA Plan. The change will be presented to the Resident Advisory Board, a public notice soliciting public comment will be published and approval by the Board of Commissioners will be required.

However, in the event that there are changes to the above due to HUD regulatory requirements, such changes will be an exception to this definition.

Attachment B

Announcement of Membership of the Resident Advisory Board (ca096b01)

All participants of the Section 8 Rental Assistance program were offered the opportunity to participate in the Shasta County Housing Authority Resident Advisory Board (RAB). Each of the tenants was mailed a letter explaining the intent of the RAB and invited to participate on the Board if so interested.

Eighteen participants responded to the letter, requesting a place on the Board. All who requested to be placed on the Board are provided the opportunity to do so. In order to preserve confidentiality of the Section 8 tenants, the names of the RAB will not be listed on this attachment.

Attachment C

Statement of Progress in Meeting 5-Year Plan Mission and Goals (ca096c01)

Mission

The PHA has remained consistent with its mission: To promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination.

Goals

1. *Apply for additional rental vouchers.* The PHA continues to apply for more rental vouchers
2. *Improve voucher management – SEMAP.* The PHA received a SEMAP score of 85, and continually strives to for a of 100 in the next rating period.
3. *Increase customer satisfaction.* The PHA feels that this goal is being met. The Voucher Payment Standard was increased, enabling participants to more readily find quality housing. Utility schedules are updated regularly to ensure accurate estimates of utility costs to participants. There have been few client complaints and minimum requests for informal hearings. The waiting list is always open.
4. *Conduct outreach efforts to landlords.* The PHA has developed a relationship with the largest local association of landlords and meets with the group regularly. Outreach to landlords is a constant effort by staff.
5. *Increase voucher payment standards.* The payment standard is evaluated at least once per year, usually at the time of the new published FMRs, in order to ensure that the payment standard is comparable to the gross rents in the jurisdiction.
6. *Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability.* The PHA each year sponsors an all-day workshop for the public, which focuses on these issues.
7. *Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities.* The PHA works with various groups representing these populations. The PHA makes housing rehabilitation funds available for handicap accessibility work.

Attachment D:

Section 8 PHA Project Based Vouchers (ca096d01)

On January 16, 2001, HUD published in the Federal Register, preliminary data on the utilization of Project-based Vouchers. The Housing Authority (HA) intends to utilize this option when it is financially prudent for the Housing Authority and where it can demonstrate benefit to low-income families or the community.

Should the Shasta County Housing Authority utilize this option, it is the intention to project-base between 10-20% of the HA's total allocation of Section 8 funding, which would currently account for approximately 64-128 units. It is always the HA's intention to provide assistance for units that provide for deconcentrating poverty and expanding housing and economic opportunities within the Shasta County Housing Authority's jurisdiction.

Project-basing is consistent with the HA's PHA Plan and its goals of addressing the housing needs of the residents' in its jurisdiction. During times of low-vacancy rates, high rents and the reluctance of owners to participate in the Section 8 program, project-basing of units can expand the availability of units that can be utilized by low-income families.
