HOMEOWNERSHIP CAPACITY

On October 22, 1999 Supportive Housing & Homeless Programs submitted a letter to Secretary Lucas requesting authority to develop a Section 8 homeownership program for persons with disabilities and other special needs using Section 8 vouchers under the draft rule 24 CFR Parts 982 and 984, docket number FR-4427-P-01.

In its proposal to HUD, SHHP demonstrated the capacity to administer a homeownership program and addressed key issues for HUD to consider:

- A. Underwriting guidelines
- B. Private contractor and Housing Quality Standard Inspections
- C. Mortgage default
- D. Homeownership counseling
- E. Choice of home
- F. First time homebuyer exemptions

In a letter dated January 3, 2000, HUD authorized SHHP to conduct a Section 8 homeownership demonstration in accordance with the statute and HUD's Section 8 homeownership proposed rule.

SHHP has demonstrated capacity to administer a homeownership program as evidenced by the fact that as of January 6, 2003, 27 disabled families were successful in purchasing homes using Section 8 assistance. There are another 36 families who have requested using their voucher for homeownership assistance. SHHP will meet or exceed its' goal in the demonstration program of assisting a minimum of 10 families in obtaining a home per year.

Conducted a Family Self Sufficiency training for agencies participating in the FSS program.

Provided computer training for residential coordinators to access database.

SHHP holds regular meetings with a select residential coordinators group (called C2). The group receives training and has an opportunity to provide input into SHHP policies and procedures.

SHHP is planning a statewide conference to be held on May 7, 8, and 9th to train 75+ staff from local service provider agencies on new HUD regulations and SHHP policies

Other planned activities this fiscal year include:

- Two additional computer trainings to allow residential coordinators access to SHHP's database;
- One Occupancy training for new residential coordinators; and
- One-on-one training as needed for residential coordinators.

Objective 2: Increase customer satisfaction

Measurement: Surveys of our partner agencies and Section 8 participants will be conducted; results will establish a plan to mitigate program areas.

Outcome: In August 2002, the Department of Human Services conducted an external customer satisfaction survey and SHHP was included in that survey. However, the results have not been published.

As part of the annual performance evaluations of staff, a 360 survey is conducted each Spring. The survey is mailed to a sample of all customers served by SHHP. In March 2002, the overall average score of all SHHP staff was 3.767 out of a possible 4.
