The last fiscal year HACOMB focused more on the resolution of various operational concerns as identified by HUD and IPA audits. We have made significant progress in resolving the identified deficiencies. We expect all audit finding to be closed by the end of this fiscal year.

This year the HACOMB revised and updated its goals and objectives through weekly staff meetings, and this year's plan includes numerous achievements, improvements and goals such as improved communication with Agency staff and participants, and resolved HUD findings. The HACOMB is committed to continue improving its standards.
