PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

Substantial Deviation defined by the Housing Authority of the City of Cairo is any deletion or addition of any modernization work item, addition or deletion of any new or old program or activity, changes with regard to demolition or disposition, designation, homeownership programs or conversion activities, and any changes to rent or admission policies (except changes made to reflect changes in HUD regulatory requirements). A significant amendment would be changes in the use of replacement reserves under the Capital Funds Program or the addition of non-emergency work items not included in the current Annual Plan.

#### **B. Significant Amendment or Modification to the Annual Plan:**

Annually the plan is updated to show the amount of comp grant funds received for the FY. The amount and the use of these funds are revised each year based on the formula finding from HUD and the physical needs of the properties owned and operated by the PHA. A significant amendment or modification to the Annual Plan is a change in a policy or policies pertaining to the operation of the Authority, including but not limited to changes in rent or admissions policies or organization of the waiting list; additions of non-emergency work items over \$100,000 (items not included in the current annual statement or 5-year action plan) or change in use of replacement reserve funds under the Capital Fund; any change with regard to demolition, disposition, designation, homeownership programs, or conversion activities.
