REQUIRED ATTACHMENT “F” : BRIEF STATEMENT OF PROGRESS IN MEETING THE FIVE YEAR PLAN MISSION AND GOALS:

We believe that we are fully performing our stated Mission of providing safe, decent, and affordable housing to low and moderate income families in Fort Valley, Georgia. Our current occupancy is near 98% and we have reduced our turn-around days (capital fund units undergoing re-hab excluded) to an average of 10 days.

A number of the goals we outlined in our Five Year Plan we knew would be very difficult to meet, but we chose to set them high and have been striving to meet them. One goal was to “Expand the supply of Assisted Housing”: While we have not made this goal to any significant amount, we did apply to the Georgia Department of Community Affairs on a Rural Rental Units RFP which could have enabled us to build 10 new units, however to date we have not been successful. We are also a member of the Mayor of Fort Valley Task Force on Housing and firmly believe that we will either create some new affordable housing or work very closely with some other public or private organization who will develop and build some.
