- Other (explain):

B. Date of next term expiration of a governing board member: 10/01/04

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position): Hester Larew, Vice-Chairperson

## **Required Attachment \_\_\_F\_\_\_: Membership of the Resident Advisory Board or Boards**

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

We are a small (20 unit) complex with all residents being either elderly or disabled. No individual resident is interested in being on the Advisory Board, thus it was decided that they will all consider themselves to be members. The Housing Authority provides notice of each board meeting and the residents are encouraged to attend. In addition, once each month the Executive Director holds a coffee for the residents at which time any questions or concerns are addressed. Twice a year evening dinner meetings are held at which time all residents have the opportunity to discuss plans and projects with the Executive Director and the Board of Commissioners.

#### **A. Resident Advisory Board (RAB) Recommendations and PHA Response**

Attached comments:

A public meeting was held to review the one-year and five-year plans. Six resident members attended. The following comments were made and addressed:

1. Resident wants his bathroom stool replaced with a higher one.  
Request approved.
2. They all desire more storage and asked if a unit could be built that could be divided into individual bins.  
It was explained that we do not have the land available to build a storage unit large enough to have 20 individual bins of any functional size.
3. They would like to have garages.  
It was explained that there is not sufficient room behind the units for garages to be built. They were told that putting a canopy-like structure over the existing parking area is something that will be considered and investigated.
4. They would like to have a 2<sup>nd</sup> washer and dryer in the laundry room.  
Once again the answer was negative due to lack of space.
5. Each resident added that they are pleased with the way the complex is run, that they are grateful to have a secure, affordable place to live, and thanked the Executive Director for everything done for them.

## Lone Tree Housing Commission

### Annual Plan for 2003

1. **Housing Needs:** Lone Tree Housing Commission has determined that the housing needs for those individuals and families in the Lone Tree area classified as low income, disabled, or elderly, are currently being met. Due to the small population and the location of the facility with its very limited access to public transportation, we have been unable to maintain a 100% occupancy rate; all steps possible are being taken to rectify this.

**Planned Use of Resources.** The Housing Authority budget for FYE beginning 4/1/2003 is attached as evidence of the planned resource.

2. **Financial Resources:** The financial resources available for the support of the Federal Public Housing are as follows: CIAP Grants, Rental Income; Interest Income; other non-regular income such as public donations.

3. **Policies Governing Eligibility of Admissions:** The Housing Authority has previously submitted the Admissions and continued Occupancy Policy, with supported documentation, to the U.S. Department of Housing and Urban Development. HUD has previously approved these plans, which are current and comply with the laws and regulations. These policies are reviewed on a regular basis to monitor compliance. This is done on a state-wide basis through the state association and the cooperation of HUD.

4. **Rent Determination:** This information is contained in the ACOP. Rental amounts are 55% in the low income bracket, and 45% in the very low income bracket.

5. **Operation and Management:** A copy of the following have previously been submitted to HUD: Procurement Policy, Personnel, Rent Collection, Americans with Disability Policy, Excess Utility Policy.

6. **Grievance Procedures:** A copy of the Grievance Procedures has previously been submitted to HUD.

7. **Capital Improvements:** CIAP Grants have been used to maintain a high standard of physical condition at the complex. Use of Grant money this year includes:

- A. Funds have been obligated to remodel as many bathrooms as possible in order to improve the safety for the elderly residents.
- B. Carpeting in the Community Room.
- C. Sidewalk repair
- D. Funds have been obligated from this years budget, as well as adding some from next year, to install a gravel driveway around the back of the units. This driveway will make it much easier for the residents to reach their units, and it is believed that it will be a positive factor when people are considering whether or not to relocate to the complex.
- E. Site improvements have included the removal of two large dead or dying trees.
- F. A new computer was purchased for the office.
- G. Use of remaining funds, if any, will be determined as needs arise.

8. Demolition and/or Disposition. There are no plans at this time for any Demolition and/or Disposition.

9. Designation of Public Housing for the Elderly Families or Families with Disabilities:

Lone Tree Housing Authority has the following units in one development:

Elderly:20 units

Disabled: 1 unit

10. Conversion of Public Housing: The Housing Authority has no plans at this time to convert any Public Housing to tenant-based assistance.

11. Homeownership: This Housing Authority has no previously approved or proposed homeownership programs to be administered under Section 8 (y) program.

12. Community Service and Self Sufficiency: N/A – Elderly Housing.

13. Safety and Crime Prevention: N/A – small town Elderly Housing. The Housing Authority works with the County Sheriff's Department to ensure safety.

14. Ownership of Pets in Public Housing: The pet policy is a part of the ACOP which has previously been submitted to HUD. The Housing Authority will comply with any changes HUD might make in the regulations regarding pets.

15. Civil Rights Certification: This Housing Authority will carry out its plan in compliance with all applicable civil rights requirements, and it will affirmatively further fair housing, continue to monitor and investigate complaints, and continue to require certification by all private contractors doing business with the Housing Authority to ensure that Civil Rights laws are followed. The Housing Authority will continue to examine programs or proposed programs to identify any impediments to fair housing choice within those programs, address any impediments, work with local jurisdictions to advance initiatives to affirmatively further fair housing policies that require Housing Authority involvement, and shall continue to maintain records reflecting these analyses and actions.

16. Fiscal Year Audit: The last audit carried out in September of 1999 found no problems. This information was previously sent to HUD. The public may review this information at the Lone Tree City Offices or at the Housing Authority office.

17. Asset Management: The Housing Authority utilizes the following policies in the area of management: Capitalization; CGP 5 year plan; investment plan; modernization plan; rehabilitation plan; procurement and disposition policy; inventory plans; inspections; pest control; preventative maintenance; grounds maintenance and management.

## Lone Tree Housing Commission

### Five Year Plan

Submitted December of 2002

The Lone Tree Housing Commission's mission is to provide safe, decent and affordable housing for the elderly and disabled. In order to achieve this, steps will be taken to continue to promote adequate and affordable housing; promote economic opportunity' promote a suitable living environment without discrimination.

#### GOALS AND OBJECTIVES:

1. increase the availability of decent safe, and affordable housing in American communities
2. To ensure equal opportunity in housing for all Americans.
3. To promote self-sufficiency and asset development of families and individuals.
4. To endeavor to help improve community quality of life and economic vitality.

#### MANAGEMENT:

There are no plans for changing any of those policies currently in force.

Through timely disposition of physical problems and preventative maintenance, as well as progressive planning and the aggressive implementation of those plans, we will be able to maintain and improve the housing complex as our financial resources allow.

The removal of bathtubs and replacement with wide-access showers will be an ongoing project. At nearly \$5000 per unit (at today's costs), it will be possible to do no more than two per year unless we have additional funds available to us. Because our elderly population is becoming increasingly less able to safely get in and out of bathtubs, this remodeling is essential to their well-being.

Another project that the Executive Director believes to be extremely important is the addition of a second exit for each unit. Currently there is a front door and one window in the back that is a possible exit. We currently have at least 3 residents who, either due to girth or disability, definitely could not exit via the back window, and several others who would probably be injured, perhaps seriously, if they attempted such an exit. With the kitchens in the front of the unit – the most likely place for a fire to start – a fire of any considerable size would prevent exit from the door, trapping the resident in the back. The Executive Director does not consider it being an alarmist to consider this tragic possibility. The back windows should be replaced with doors, and if possible, with a small entry way that could serve as a bit of much needed extra storage space for each unit. Such major construction plans are not currently within our budget, but it is hoped that this is something that might be seriously considered and planned for in the near future.
