PET POLICY

APPLICABILITY

Under Section 227 of the Housing and Urban-Rural Recovery Act of 1983, and applicable Regulations at 24 CFR Part 243, residents in Public Housing may keep common household pets.

DEFINITION OF “COMMON HOUSEHOLD PET”

The term “common household pet” means a domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish, or turtle that is traditionally kept in the home for pleasure rather than for commercial purposes. Common household pet does not include reptiles (except turtles).

EXCLUSION FOR ANIMALS THAT ASSIST THE HANDICAPPED

This Pet Policy will not be enforced against individuals with animals that are used to assist handicapped persons. In order to qualify for this exclusion, the Office of Assisted Housing may require tenants to certify that the tenant or a member of his/her family is handicapped, and that the animal has been trained to assist persons with that specific handicap, and the animal actually assists the handicapped individual.

PROSPECTIVE TENANT’S REJECTION OF A UNIT

An applicant for tenancy in Public Housing may reject a unit offered by the Office of Assisted Housing if the unit is in close proximity to a dwelling unit where an existing tenant owns or keeps a common household pet.

An applicant’s rejection of a unit under this section will not adversely affect his/her application for tenancy or his/her position on the waiting list. However, the Office of Assisted Housing does not have a duty to provide an alternate dwelling unit to existing or prospective tenants due to the proximity of common household pets to a particular unit or the presence of pets in Public Housing.

REGISTRATION OF PET

Prior to bringing any pet onto Public Housing premises the pet must be registered with the Office of Assisted Housing. The pet’s registration must also be updated annually at the time of annual reexamination of tenant income. The registration must include the following:

1. A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals, which states that a pet has received all inoculations required by applicable State or local law or regulations.
2. Information sufficient to identify the pet and to demonstrate that the pet is a common household pet.
3. Name, address, and phone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet.
4. A current license issued by the appropriate authority, if applicable.
5. Evidence that the pet has been spayed or neutered, as applicable.
6. Evidence that cats have been de-clawed (all four paws).

REASONS FOR REFUSAL TO ADMIT A PET INTO PUBLIC HOUSING

If the Office of Assisted Housing refuses to register a tenant's prospective pet, the tenant will be given a written notice along with an explanation for the refusal. Those reasons include:

1. A pet is not a common household pet.
2. Keeping a pet would violate an applicable pet rule.
3. A pet owner fails to provide complete pet registration information or fails annually to update the pet registration.
4. The Office of Assisted Housing reasonably determines based on the pet owner's habits and practices, that a pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations.
5. The Office of Assisted Housing reasonably determines that a pet's temperament will make the pet owner unable to keep the pet in compliance with the pet rules and other lease obligations.

ALL RESIDENTS WITH PETS PERMITTED TO BE KEPT UNDER SECTION 227 SHALL COMPLY WITH THE FOLLOWING RULES:

1. The adult weight of a dog or cat may not exceed 20 pounds.
2. Only one dog or cat or other four-legged, warm-blooded pet per household will be permitted. However, multiple turtles, fish, or birds may be kept in the same cage or aquarium.
3. No pet deposit will be required.
4. Dogs and cats must be licensed annually with the appropriate authority.
5. All owners must have their pets inoculated in accordance with State or local laws and regulations and provide evidence that inoculations are up-to-date.
6. No pet shall be allowed in the office, hallways, lobby areas, laundry rooms, lounges, community rooms, or other common areas of the facility unless they are entering or exiting the building.
7. All dogs and cats must be appropriately and effectively restrained and under the control of a responsible individual while in the common areas of Public Housing.

8. Birds, turtles, and fish must be confined to the appropriate cage or aquarium at all times.
9. Residents shall not permit their pet to disturb, interfere or diminish the peaceful enjoyment of the other residents. The terms “disturb, interfere and diminish” shall include but not be limited to barking, howling, chirping, biting, and scratching.
10. Residents must provide litter boxes for cat waste, which must be kept in the dwelling unit. Residents shall change litter boxes at least once a week.
11. Residents are solely responsible for cleaning up pet droppings outside the unit and on facility grounds. Droppings must be disposed of by being placed in a sack and then placed in a waste container.
12. Pets may be exercised outside.
13. Pet owners must take adequate measures to control noise and odor caused by pets.
14. Pets must not be left unattended for a period of twenty-four (24) hours or more.
15. Residents shall not alter their unit or unit area in order to create an enclosure for the pet.
16. Residents are responsible for all damages caused by their pets, including the cost of cleaning of carpets and draperies and/or fumigation of units.
17. Residents are prohibited from feeding or harboring stray animals. The feeding of stray animals shall constitute having an unregistered pet.
18. In the event of the death of a pet, the resident shall properly remove and dispose of the remains. The remains shall not be placed in any container inside the DHC facility or in a container on DHC grounds.

PROTECTION OF A PET

If the health or safety of a pet is threatened by the death or incapacity of the pet owner or by other factors that render a pet owner unable to care for the pet, the Office of Assisted Housing may contact the following party or parties below to care for or to remove the pet:

1. The party or parties that the tenant has listed in the pet registration.
2. Appropriate State or local authorities to request the removal of the pet if the responsible party or parties are unwilling or unable to care for the pet or if the Office of Assisted Housing, despite reasonable efforts, has been unable to contact the responsible party or parties.

HOUSING PET RULE VIOLATIONS

The Office of Assisted Housing may serve a written notice of a pet rule violation on the pet owner if staff determines based on objective facts supported by written statements that a pet owner has violated a pet rule governing the owning or keeping of a pet.

The notice of alleged pet violation will be served in accordance with HUD regulations and will contain the following:

1. A brief factual statement of how the alleged pet violation was determined and the pet rule(s) alleged to be violated, and
2. A statement that the pet owner has 10 days from the effective date of service of the notice to correct the alleged violations, or to make a written request for a meeting to discuss it, and
3. A statement that the pet owner is entitled to be accompanied by another person of his/her choice at the meeting, and
4. A statement that the pet owner's failure to correct the violation, or to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

PET RULE VIOLATION MEETING

If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the Office of Assisted Housing will establish a mutually agreeable time and place for the meeting. The meeting shall take place no later than 15 days from the effective date of the notice, unless the Office of Assisted Housing agrees to a later date.

At the pet rule violation meeting, the pet owner and the Office of Assisted Housing will discuss any alleged pet rule violation and attempt to correct. The Office of Assisted Housing may, as a result of the meeting, give the pet owner additional time to correct the violation.

INITIATION OF PROCEDURES TO TERMINATE A PET OWNER'S TENANCY

The Office of Assisted Housing may not initiate procedures to terminate a pet owner's tenancy based on a pet rule violation unless the pet owner has failed to remove the pet or correct a pet rule violation within the applicable time period and the pet rule violation is sufficient to begin procedures to terminate the pet owner's tenancy under the terms of the lease and applicable regulations.

The Office of Assisted Housing may initiate procedures at any time in accordance with the provision of applicable State or local laws.

NOTICE OF PET REMOVAL

The Office of Assisted Housing may serve a notice for the removal of the pet if they are unable to resolve the pet rule violation at the meeting, or it is determined that the pet owner has failed to correct the pet rule violation.

The notice of pet removal must be served on the pet owner in accordance with HUD regulations and must contain the following:

1. A brief factual statement of how the pet violation was determined and the pet rule(s) violated, and

2. A statement that the pet owner must remove the pet within 10 days of the effective date of the notice (or 10 days after the meeting if notice was served at the meeting); and
3. A statement that failure to remove the pet may result in initiation of procedures to terminate the pet owner's tenancy.
